

**BOARD POLICY**  
**Student Teaching and Internships**

---

**Descriptor Code: MFB**

The Cherokee County Board of Education authorizes contractual arrangements to be made for the acceptance for training of student interns from accredited colleges and universities to the extent that the training of these student interns will both enhance educational opportunities of the classroom students as well as provide a training opportunity for the student intern.

The Superintendent will establish administrative guidelines and rules necessary to provide for implementation of this policy.
