CLINIC REMINDERS:

- **The Clinic CANNOT accept medications without the *Medication Authorization Form* which can be accessed from the Booth website under forms.**
- Medication needs to be in a new unopened container or in a labeled container from Pharmacy.
- Cough Drops, Eye Drops, Throat Sprays and Oragel are medications and must be turned into the clinic with a completed *Medication Authorization Form.*
- Parents with children that have a medical condition (asthma, seizures, diabetes, allergic reactions requiring Benadryl and/or an Epi-Pen, etc) must turn in a completed Action Plan signed by your child's doctor along with any medications needed to the Clinic.
- The Clinic does not supply finger splints, wrist/knee braces, ace wraps, rubber bands for braces, shoes, clothing, crutches or wheelchairs. If your child requires crutches or a wheelchair during the entire school day, you must provide them.

Clinic Supply Drive 2020-21
