Title
Recognition of Duke University Talent Identification Program (TIP) Students who achieved Grand and State Recognition during Seventh Grade Year
Requested Action
School Board Recognition of Duke University Talent Identification Program (TIP) Students who achieved Grand and State Recognition during Seventh Grade Year
Summary Explanation and Background
<p>The Duke University Talent Identification Program (TIP) has completed its annual Talent Search for eligible 7th grade students. Duke supports academically talented students who have previously scored at or above the 95th percentile on a standardized test (i.e., Iowa, CogAT, Milestones) by providing them with the opportunity to take the Scholastic Assessment Test (SAT) and ACT, which are designed for above average eleventh and twelfth grade students. Districtwide procedures are utilized to build awareness and encourage increased student participation in TIP. One hundred and eight Cherokee County School District students participated with one student earning Grand and State Level honors and sixteen students earning State Level honors for SY2019-20.</p> <p>Recognition is presented to qualifying students in sixteen states whose scores meet Duke University's regional recognition criteria. Grand and State honorees will receive special Georgia Recognition at a Duke University Recognition Ceremony.</p>
