Requested Action

School Board Recognition of Three Cherokee County School District Students -- Named to the State School Superintendent's 2020-21 Student Advisory Council

Summary Explanation and Background

Three Cherokee County School District students have been named to the State School Superintendent's 2020-21 Student Advisory Council!

Creekview HS sophomore Kylie Buchanan and Woodstock HS junior Fawzan Khan are among the 64 high school and middle school students from across the state selected for the prestigious role. They were chosen by State School Superintendent Richard Woods from more than 1,400 applications statewide based on their answers to essay questions about improving public education. Additionally, Etowah HS sophomore Ila Prabhuram, who has served the last two school years, has been asked to serve again.

They will meet with Superintendent Woods throughout the school year, beginning with a virtual meeting this month, to talk about the impact of state policies in the classroom.
