Summary Explanation and Background

Seven Cherokee County School District Class of 2021 seniors have been named candidates for a prestigious national honor.

As candidates for the U.S. Presidential Scholars Program, they are among the 4,000 best and brightest of the more than 3 million graduating seniors in the nation's Class of 2021 and now have the opportunity to advance in the academic competition.

They are: of Creekview High School, Nathan Davis and Koryn Todd; of River Ridge High School, Reilly Amason, Nicholas Audinet and Annelise Axelsson; of Sequoyah High School, Jeremy Jeong; and of Woodstock High School, Sophia Abbott.

The next level of recognition is semi-finalist, and the pool of candidates will be narrowed as the applications they are required to submit are reviewed for overall academic excellence, personal character, leadership and service activities. Additional recognitions are awarded for students who excel in the arts or in career and technical education (CTE), and Annelise is a candidate for the CTE honor. Last school year, 700 Scholars semi-finalists were named, and from that group, only 161 students were honored as Scholars finalists. FINANCIAL REPORT
JANUARY 2021

General Fund

For the month ending January 31, 2021, the seventh month of the 2020-21 Fiscal Year, the School District's Operating Account (General Fund) has received $274,985,531 in revenue (year-to-date) consisting of state funds of $92,224,057 (43% of budget), $181,484,401 local taxes (92% of budgeted amount), and other funds of $1,227,073 (73% of budget). All operating expenditures of $206,736,305 (50% of budget) are within the Board of Education's approved 2020-21 budget.

Building Fund/EdSPLOST Collections

The Capital Outlay Fund balance of $27,426,816 as of January 31, 2021 reflects Special Purpose Local Option Sales Tax for Education (EdSPLOST) collections, proceeds of bond sales for capital outlay purposes, and transfers from the General Fund less bond refundings, bond issuance costs, transfers of EdSPLOST to the Debt Service Fund and capital outlay expenses paid.

Cherokee County School District received $5,256,507 in January 2021, for the month of December 2020, the 36th month of 60 monthly sales tax collections for the 2018-2022 EdSPLOST. Collections received were above projections (detail included) for the month by $1,449,669 and above cumulative projections by $30,193,258.

EdSPLOST collections are accumulated within the Building Fund to be used for specified capital outlay purchases (limited pay-as-you-go) and transferred to the Debt Service Fund at the appropriate time to meet annual bond obligations (January and July). Excess EdSPLOST collections above projections are used to meet critical capital outlay needs and/or transferred to the Debt Service Fund as a safeguard against future negative economic conditions, assuring the School District can meet future bond payments.

Debt Service Fund

The Debt Service Fund balance as of January 31, 2021 is $75,733,869 representing funds accumulated from EdSPLOST collections, collections from the one mill of property tax approved by the School Board, interest earned from investments and Invested Sinking Fund earnings. The Invested Sinking Fund is attached to the Series 2010B Bond issuance and is structured to fully pay the annual debt service on the Series 2010B bonds through January 2028. Annual Debt Service payments are made in February and August of each year, according to the Debt Service Schedule published annually in the Cherokee County School District Budget Book.

Federal/State/Competitive Grants and School Nutrition Funds

The School Nutrition Fund Balance as of January 31, 2021 is $5,714,510 and represents the difference between revenues from all sources and all expenditures. This amount is held in reserve to cover potential funding shortfalls or unexpected expenses.

Federal, State and Competitive grant funds are annually awarded to the School District based on funding formulas (Federal Title Programs) and/or program applications (State and competitive grants). As funds are expended, reimbursements are sought from the various programs. Local funds are not intended to cover shortfalls within grant programs nor are grants intended to carry a fund balance.
