Title

SY2021-22 Attendance Area Map Correction

Requested Action

School Board Consideration of Superintendent's Recommendation for Approval of SY2021-22 Attendance Area Map Correction

Summary Explanation and Background

CCSD had no new school facility construction during SY2020-21 and there were no schools that met the “Critical Overcrowding” criteria. A Scrivener's map correction is recommended for SY2021-22. This correction will modify the attendance area between Hasty ES and R.M. Moore ES to accommodate two new residential developments that are in the early planning stages.

No students would be affected by this attendance area change. CCSD Staff recommends shifting the attendance area to encompass both developments into the R. M. Moore ES Attendance Area.
