Requested Action

School Board Recognition of Etowah High School Student Margaret Bradley -- Recipient of 2021 Waste Management/Pine Bluff Landfill Scholarship

Summary Explanation and Background

One of the School Board's Blueprint 2020-24 Five Priority Areas is increasing meaningful family, partner and community engagement. We believe the meaningful connections we forge with students, families and community partners positively influence how we teach, lead and prepare graduates for success in a knowledge-based, technology rich and culturally diverse world.

Accordingly, the Partnership Agreement with Waste Management of Metro Atlanta, Inc. specifies one $5,000 scholarship will be awarded to a graduating senior from a CCSD high school each year; the designated school will rotate annually, and the Class of 2021 school is Etowah High School. Applications were solicited by CCSD and forwarded to the Pine Bluff Community Advisory Board for consideration. A subcommittee of this group, consisting of community, Waste Management and CCSD representatives, reviewed and scored the applications based on the criteria specified by Waste Management, Inc. Margaret Bradley received the highest ranking and was selected to receive the 2021 scholarship in the amount of $5,000. This year is the 14th anniversary of the Waste Management/Pine Bluff Landfill Scholarship!
