
The Cherokee County Board of Education makes provisions for its high school students to participate in Dual Enrollment as referenced in State Board Rule 160-4-2-.34. The School District requires these students to meet state assessment requirements.

Dual Enrollment is a program through which high school students take courses from a state public or private post-secondary institution while still enrolled as a high school student and receive credit both at the high school and at the post-secondary institution. Dual Enrollment courses can be completed in high school classrooms, on a college campus or through distance learning.

The Superintendent will establish administrative guidelines necessary to provide for implementation of this Policy.
