2423 BILINGUAL AND ESL EDUCATION

The Board of Education will provide programs of bilingual education, English as a second language (ESL), and English language services program for English language learners (ELLs) as required by law and rules of the New Jersey State Board of Education. ELLs are those students whose native language is other than English and who have varying degrees of English language proficiency in any one of the domains of speaking, reading, writing, or listening and is synonymous with limited English speaking ability pursuant to N.J.S.A. 18:35-15 through 26.1.

Identification of Eligible ELLs

The district shall use a multi-step process at the time of enrollment to determine the native language of each ELL. The district shall:

1. Maintain a census indicating all identified students whose native language is other than English; and
2. Administer the Statewide home-language survey to determine which students in Kindergarten to grade twelve whose native language is other than English must be screened further to determine English language proficiency. The Statewide home-language survey shall be administered by a bilingual/ESL or other certified teacher and shall be designed to distinguish students who are proficient English speakers and need no further testing.

The district shall determine the English language proficiency of all Kindergarten to grade twelve students who are not screened out and whose native language is other than English by administering an English language proficiency test, assessing the level of reading in English, reviewing the previous academic performance of students, including their performance on standardized tests in English, and reviewing the input of teaching staff members responsible for the educational program for ELLs. Students who do not meet the New Jersey Department of Education (Department) standard on a language proficiency test and who have at least one other indicator shall be considered ELLs. The district shall also use age-appropriate methodologies to identify preschool ELLs to determine their individual language development needs.

Bilingual Programs for ELLs

The district shall provide the following programs:

1. An English language services program in accordance with N.J.A.C. 6A:15-1.2;

2. An ESL program in accordance with N.J.A.C. 6A:15-1.2; and
3. A bilingual education program in accordance with N.J.A.C. 6A:15-1.2.

All teachers in these programs shall be appropriately certified in accordance with the requirements as outlined in N.J.A.C. 6A:15-1.9. Every student participating in a bilingual, ESL, or English language services program shall be entitled to continue such participation for a period of three years pursuant to N.J.S.A. 18A:35-19.

Bilingual, English as a Second Language, and English Language Services Program Enrollment, Assessment, Exit, and Reentry

Students enrolled in the bilingual, ESL, or English language services program shall be assessed annually using English Language Placement (ELP) assessments to determine their progress in achieving English language proficiency goals and readiness for exiting the program. Students who meet the criteria for Statewide alternate assessments, pursuant to N.J.A.C. 6A:14-4.10(a)2., shall be assessed annually using an alternate ELP assessment.

ELLs enrolled in the bilingual, ESL, or English language services program shall be placed in a monolingual English program when they have demonstrated readiness to exit a bilingual, ESL, or English language services program through a Department-established criteria on an ELP assessment and a Department-established English language observation form. A student shall first achieve the Department-established English proficiency standard as measured by an ELP assessment. The student's readiness shall be further assessed by the use of a Department-established English language observation form that considers, at a minimum: classroom performance; the student's reading level in English; the judgment of the teaching staff member or members responsible for the educational program of the student; and performance on achievement tests in English.

In accordance with provisions of N.J.S.A. 18A:35-22.1, a parent may remove a student who is enrolled in a bilingual education program at any time; except that during the first three years of a student's participation in a bilingual education program, the parent may only remove the student at the end of each school year.

If a parent wishes to remove the student prior to the end of each school year, the removal shall be approved by the Executive County Superintendent. If the Executive County Superintendent determines the student should remain in the bilingual education program until the end of the school year, the parent may appeal the Executive County Superintendent's decision to the Commissioner of Education or designee pursuant to the provisions of N.J.S.A. 18A:35-19.2.

Newly exited students who are not progressing in the mainstream English program may be considered for reentry to bilingual and ESL programs in accordance with the provisions of N.J.A.C. 6A:15-1.10(e)1. through (e)5.

When the review process for exiting a student from a bilingual, ESL, or English language services program has been completed, the student's parent shall be informed by mail of the placement determination. A parent or teaching staff member who disagrees with the proposed placement may appeal the decision in writing to the Superintendent of Schools or designee, who will provide a written explanation for the decision within seven working days. The complainant may appeal this decision in writing to the Board within seven calendar days of receiving the Superintendent's or designee's written explanation of the decision. The Board will review the appeal and respond in writing to the parent within forty-five calendar days of the Board's receipt of the parent's written appeal to the Board. Upon exhausting an appeal to the Board, the complainant may appeal to the Commissioner of Education.

Parental Involvement

The parents of ELLs will be notified in accordance with the provisions of N.J.A.C. 6A:15-1.13 that their child has been identified as eligible for enrollment in a bilingual, ESL, or English language services education program. Notice shall be in writing and in the language in which the parent(s) possesses a primary speaking ability, and in English. The notice must also include a statement that the parents have the option of declining their child's enrollment in a bilingual program, and shall be given an opportunity to do so if they choose.

The district will notify the parents of ELLs by mail within thirty days of the child's identification.

Parents shall receive progress reports of students enrolled in bilingual, ESL, or English language services programs in the same manner and frequency as progress reports are sent to parents of other students enrolled in the district.

The Superintendent or designee will provide for the maximum practical involvement of parent(s) of ELLs in the development and review of program objectives and dissemination of information to and from the district Boards of Education and communities served by the bilingual, ESL, or English language services education programs. A district that implements a bilingual education program shall establish a parent advisory committee on bilingual education of which the majority membership shall be parents of ELLs.

ELLs will qualify for graduation from high school in accordance with N.J.A.C. 6A:8-5.1(a) and Policy 5460.

2425 EMERGENCY VIRTUAL OR REMOTE
INSTRUCTION PROGRAM

The Board of Education is committed to providing a high quality educational program, virtually or remotely, in the event the State or local health department determines that it is advisable to close, or mandates closure of, the schools of a school district due to a declared state of emergency, declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure for more than three consecutive school days, the Superintendent shall have the authority to implement the school district's program of virtual or remote instruction, pursuant to N.J.S.A. 18A:7F-9. In addition, pursuant to N.J.S.A. 18A:7F-9.b. the Commissioner of Education shall allow the district to apply to the 180-day requirement established pursuant to N.J.S.A. 18A:7F-9.a., one or more days of virtual or remote instruction provided to students on the day or days the schools of the district were closed if the program of virtual or remote instruction meets such criteria as may be established by the Commissioner.

The school district's program of virtual or remote instruction shall be in accordance with the provisions of N.J.S.A. 18A:7F-9; N.J.A.C. 6A:32-13.1.; this Policy; and Regulation 2425.

"Remote instruction" means the provision of instruction occurring when the student and the instructor are in different locations due to the closure of the facility(ies) of the Board of Education, charter school, renaissance school project, or approved private school for students with disabilities. The closure of the facility(ies) shall be pursuant to N.J.S.A. 18A:7F-9 or 18A:46-21.1 and for more than three consecutive school days due to a declared state of emergency, a declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure.

"Virtual instruction" means the provision of active instruction when the student and the instructor are in different locations and instruction is facilitated through the internet and computer technologies due to the closure of the facility(ies) of the Board of Education, charter school, renaissance school project, or approved private school for students with disabilities. The closure of the facility(ies) shall be pursuant to N.J.S.A. 18A:7F-9 or 18A:46-21.1 and for more than three consecutive school days due to a declared state of emergency, a declared public health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure.

The Superintendent of Schools shall submit, with Board approval, the school district's program of virtual or remote instruction to the Commissioner of Education annually. If the Board is unable to complete and submit a proposed program of virtual or remote instruction to the Commissioner in accordance with the timeline established by the Commissioner and the school district is required to close its schools for a declared state of emergency, declared public-health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure, the Commissioner of Education may retroactively approve the program.

If provided under the district's program of virtual or remote instruction that has been approved by the Commissioner, student attendance for a day of virtual or remote instruction shall be accounted for in accordance with N.J.A.C. 6A:32-8.4 for the purposes of meeting State and local graduation requirements, the awarding of course credit, and other matters as determined by the Commissioner of Education in accordance with the provisions of N.J.A.C. 6A:32-13.1(d).

Pursuant to N.J.A.C. 6A:32-13.1(b), if implemented by the Superintendent, the school district's program of virtual or remote instruction shall be provided to an enrolled student, whether a general education student in preschool through grade twelve or a student with a disability aged three to twenty-one. The school district shall provide students with a disability with the same educational opportunities provided to general education students to the extent appropriate and practicable. Related services may be delivered to general education students and students with a disability through the use of electronic communication or a virtual or online platform, as appropriate.

In the event the State or local health department determines it is advisable to close or mandates closure of the schools of the district due to a declared state of emergency, declared public-health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure, the Superintendent shall have the authority to implement the school district's program of virtual or remote instruction. The Superintendent shall consult with the Board prior to such decision, if practicable. The Superintendent shall ensure that students, parents, staff, and the Board are informed promptly of the Superintendent's decision.

Nothing in N.J.S.A. 18A:7F-9.b., c., or d.; this Policy; and Regulation 2425 shall be construed to limit, supersede or preempt rights, privileges, compensation, remedies, and procedures afforded to public employees or a collective bargaining unit under Federal or State law or any provision of a collective bargaining agreement entered into by the school district.

In the event of the closure of a school or the schools of the district due to a declared state of emergency, declared public-health emergency, or a directive by the appropriate health agency or officer to institute a public health-related closure for a period longer than three consecutive school days:

1. District employees shall be entitled to compensation, benefits, and emoluments pursuant to the provisions of N.J.S.A. 18A:7F-9.e.(1) and (2).
2. The district shall continue to make payments of benefits, compensation, and emoluments pursuant to the terms of a contract with a contracted service provider in effect on the date of the closure as if the services for such benefits, compensation, and emoluments had been provided, and as if the school facilities had remained open pursuant to the provisions of N.J.S.A. 18A:7F-9.e.(3).
3. The district shall be obligated to make payments for benefits, compensation, and emoluments and all payments required pursuant to N.J.S.A. 18A:6-51 et seq., to an educational services commission, county special services school district, and a jointure commission, and under any shared services agreement and cooperative contract entered into with any other public entity pursuant to the provisions of N.J.S.A. 18A:7F-9.e.(4).
4. An educational services commission, county special services school district, and a jointure commission shall continue to make payments of benefits, compensation, and emoluments pursuant to the terms of a contract with a contracted service provider or a shared services agreement in effect on the date of the closure as if the services for such benefits, compensation, and emoluments had been provided, and as if the school facilities had remained open pursuant to the provisions of N.J.S.A. 18A:7F-9.e.(4).

The provisions of N.J.S.A. 18A:7F-9.e.(1) through (4) and 1 through 4 above shall not apply to any employee whose weekly hours of work are reduced, and to whom unemployment benefits are provided, pursuant to a shared work program approved pursuant to the provisions of N.J.S.A. 43:21-20.3 et seq. A contracted service provider, educational services commission, county special services school district, or jointure commission shall notify the district with which it has entered into a contract to provide services of its intent to reduce the hours of work of its employees pursuant to a shared work program approved pursuant to the provisions of N.J.S.A. 43:21-20.3 et seq.

1. Notwithstanding the provisions of N.J.S.A. 18A:7F-9.e.(3) and 3. above, if a contracted service provider reduces the amount that it pays to its employees providing services to a school district, and that reduction is the result of a reduction of workhours of those employees made pursuant to a shared work program approved pursuant to the provisions of N.J.S.A. 43:21-20.3 et seq., then the amount paid by the district to the contracted service provider shall be reduced by the same amount.
2. Notwithstanding the provisions of N.J.S.A. 18A:7F-9.e.(4) and 4. above, if an educational services commission, county special services school district, or jointure commission reduces the amount that it pays to its employees providing services to a school district, and that reduction is the result of a reduction of workhours of those employees made pursuant to a shared work program approved pursuant to the provisions of N.J.S.A. 43:21-20.3 et seq., then the amount paid by the district to the educational services commission, county special services school district, or jointure commission shall be reduced by the same amount.

This Policy may be revised as necessary by the Superintendent in accordance with N.J.S.A. 18A:7F-9. The school district's emergency virtual or remote instruction program shall be posted prominently on the school district's website.

5200 ATTENDANCE

In accordance with the provisions of N.J.S.A. 18A:38-25, every parent or other person having control and custody of a child between the ages of six and sixteen shall cause the child to regularly attend school. The Board of Education requires students enrolled in the school district attend school regularly in accordance with the laws of the State.

For the purpose of this Policy and Regulation 5200, “parent” means the natural parent(s), adoptive parent(s), legal guardian(s), resource family parent(s), or surrogate parent(s) of a student. When parents are separated or divorced, “parent” means the person or agency who has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided parental rights have not been terminated by a court of appropriate jurisdiction.

Notwithstanding the requirement of reporting student absences in the school register for State and Federal reporting purposes, “excused” and “unexcused” student absences, for the purpose of expectations and consequences regarding truancy, student conduct, promotion, retention, and the award of course credit is a Board decision outlined in N.J.A.C. 6A:16-7.6 and Policy and Regulation 5200. In accordance with the provisions of N.J.A.C. 6A:16-7.6 and for the purposes of Policy and Regulation 5200, a student’s absence from school will either be excused or unexcused. Unexcused absences will count toward truancy.

A parent or adult student shall provide advance notice to the school prior to the student being absent from school. In accordance with N.J.S.A. 18A:36-25.6, if a student is determined to be absent from school without valid excuse, and if the reason for the student’s absence is unknown to school personnel, the Principal or designee shall immediately attempt to contact the student’s parent to notify the parent of the absence and determine the reason for the absence.

Students that are absent from school for any reason are responsible for the completion of assignments missed because of their absence. In accordance with N.J.S.A. 18A:36-14, a student who is absent from school for observing a religious holiday shall not be deprived of any award, eligibility, or opportunity to compete for any award, or deprived of the right to take an alternate test or examination that was missed because of the absence provided there is a written excuse of such absence signed by the parent.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive students of the educational and classroom experiences deemed essential to learning and may result in retention at grade level or loss of credit or removal from a course that would count toward the high school diploma in accordance with policies of this Board.

STUDENTS
5200/page 2 of 2
Attendance

Students shall be subjected to the school district's response for unexcused absences that count toward truancy during the school year as outlined in N.J.A.C. 6A:16-7.6(a)4. and Regulation 5200.

Unexcused absences from school or from classes within the school day may subject a student to consequences that may include the denial of a student's participation in co-curricular activities and/or athletic competition. Repeated absences from school interfere with efforts of the Board and its staff in the maintenance of good order and the continuity of classroom instruction and such absences may result in the removal of the student from a class or course of study.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate does not meet the New Jersey Department of Education requirements the Superintendent or designee shall develop a district improvement plan to improve student attendance pursuant to N.J.A.C. 6A:30-5.2.
