School Board Recognition of Oak Grove Elementary School STEAM Academy School Nurse Nadia Jones -- Recipient of the Georgia RISE (Recognizing Inspirational School Employees) Award

Summary Explanation and Background

A Cherokee County School District school nurse has been honored by the Governor with the prestigious Georgia RISE (Recognizing Inspirational School Employees) Award!

Oak Grove Elementary School STEAM Academy School Nurse Nadia Jones is one of only two Georgians selected by Governor Brian P. Kemp for the award, which honors school support staff.

All schools and districts were invited to submit a nominee for the Georgia RISE Award. Nomination forms were reviewed by a panel of judges composed of representatives from the Georgia Department of Education and numerous advocacy groups. The highest-scoring applications were presented to Governor Kemp, who made the final selection of two nominees.

As a 2020-21 winner of the Georgia RISE Award, she has also been submitted as one of Georgia's two nominees for the national RISE Award. In spring 2021, the U.S. Department of Education began awarding the RISE Award each year, to one full- or part-time school support staff employee who provides exemplary service to students in pre-kindergarten through high school. The governor of each state is invited to nominate up to two nominees annually.

In July 2021, Ms. Jones, who is in her fifth year as a CCSD school nurse, was named the winner of the inaugural Cherokee County School District School Nurse of the Year award, sponsored by Children's Healthcare of Atlanta. She also was named her school's 2019-20 Support Staff Employee of the Year award winner as part of the annual CCSD recognition program.

School Board Recognition of Cherokee County School District's High School Seniors Receiving a Certificate of Excellence for Outstanding Achievement By the Georgia Career and Technical Student Organization

Summary Explanation and Background

The Career, Technical, and Agriculture Education (CTAE) division of the Georgia Department of Education recognizes those who have achieved excellence within their Career and Technical Student Organization (CTSO) at the National level. CTSO's play an integral role in preparing students to become college and career-ready members of society who will hold productive leadership roles in their communities. Because Georgia CTSO's are co-curricular, which is different from an after-school club, they help students stay engaged in the classroom. CTSO students are better prepared to meet the demands of the workplace because they offer real-world experience to compliment the academic studies of the classroom.

The following students have been awarded a Certificate of Excellence by the Georgia Career and Technical Student Organization in their own categories: Harmony Schwall of Cherokee High School, formerly at Creekview High School, Team Career Skills; Thomas Lathem of Creekview High School, Computer Applications; and Katyrina Nibert of Creekview High School, Team Career Skills.

School Board Recognition of Creekview High School Junior Cesar Garcia for Being Named 2021 Georgia Career and Technical Instruction Competition Fair Contest Third-Place Winner

Summary Explanation and Background

Creekview High School junior, Cesar Garcia was named third-place winner in the 2021 Georgia Career and Technical Instruction (CTI) Competition Fair contest! Cesar, who is interested in becoming an electrician after he graduates from high school, has been involved with the Creekview HS CTI program for the past three years.

Cesar demonstrated incredible artistic abilities when he submitted his T-Shirt design in the CTI Competition at the Georgia State Fair earlier this year. Cesar will be recognized on stage at the Georgia CTI Fall Leadership Conference this Fall.

According to Cesar's teachers and administrators, he has matured into a capable young leader and has a very good work ethic. They are very proud of him and his current achievements and future endeavors.

School Board Recognition of Creekview High School Army JROTC Program as State Champions at the Georgia State Raider Championship

Summary Explanation and Background

The Creekview High School JROTC Raider Team has won the 2021 U.S. Army Georgia State Raider Championships and qualified to compete at Nationals!

Student team commander Lieutenant Colonel Evan Makhoul and Captain Grace Botts led their team to earn State Champion bragging rights by winning first- and second-place trophies in every event at the State championships, the only team to do so. The CrossFit-style competition included six hours of athletic events with cadets completing all events as a team rather than as individuals.

Creekview HS Raider Team members are: Team Commander Evan Makhoul and Grace Botts, Ryder Shoe, Luke Teachworth, Alex Szwast, Jesus Duarte-Armas, Brody Jones, Caleb Hoyt, Jayla Murrill, Maddison Dixon, Elena Sanchez, Marlena Roy and Managers Isabel Marble & Karlee Tomlin.

The team is coached by First Sergeant Greg A. Anderson.

FINANCIAL REPORT
OCTOBER 2021

General Fund

For the month ending October 31, 2021, the fourth month of the 2021-22 Fiscal Year, the School District's Operating Account (General Fund) has received $57,572,064 in revenue (year-to-date) consisting of state funds of $39,821,054 (18% of budget), $17,194,693 local revenues (8% of budget), and other funds of $556,317 (42% of budget). All operating expenditures of $116,573,859 (27% of budget) are within the Board of Education's approved 2021-22 budget.

Building Fund/Ed-SPLOST Collections

The Capital Outlay Fund balance of $43,166,018 as of October 31, 2021 reflects Special Purpose Local Option Sales Tax for Education (Ed-SPLOST) collections, proceeds of bond sales for capital outlay purposes, and transfers from the General Fund less bond refundings, bond issuance costs, transfers of Ed-SPLOST to the Debt Service Fund and capital outlay expenses paid.

Cherokee County School District received $4,672,519 for sales tax collections received in October 2021, for the month of September 2021, the 45th month of 60 monthly sales tax collections for the 2018-2022 SPLOST. Collections received were above projections for the month by $1,620,963 and above cumulative projections by $44,582,660.

Ed-SPLOST collections are accumulated within the Building Fund to be used for specified capital outlay purchases (limited pay-as-you-go) and transferred to the Debt Service Fund at the appropriate time to meet annual bond obligations (January and July). Excess Ed-SPLOST collections above projections are used to meet critical capital outlay needs and/or transferred to the Debt Service Fund as a safeguard against future negative economic conditions, assuring the School District can meet future bond payments.

Debt Service Fund

The Debt Service Fund balance as of October 31, 2021 is $63,574,081 representing funds accumulated from Ed-SPLOST collections, collections from the 1.25 mills of property tax approved by the School Board, interest earned from investments and Invested Sinking Fund earnings. The Invested Sinking Fund is attached to the Series 2010B Bond issuance and is structured to fully pay the annual debt service on the Series 2010B bonds through January 2028. Annual Debt Service payments are made in February and August of each year, according to the Debt Service Schedule published annually in the Cherokee County School District Budget Book.

Federal/State/Competitive Grants and School Nutrition Funds

The School Nutrition Fund Balance as of October 31, 2021 is $10,119,987 and represents the difference between revenues from all sources and all expenditures. This amount is held in reserve to cover potential funding shortfalls or unexpected expenses.

Federal, State and Competitive grant funds are annually awarded to the School District based on funding formulas (Federal Title Programs) and/or program applications (State and competitive grants). As funds are expended, reimbursements are sought from the various programs. Local funds are not intended to cover shortfalls within grant programs nor are grants intended to carry a fund balance.

Proposed FY2022 Budget Amendment I

Requested Action

School Board Consideration of Superintendent's Recommendation for Approval of Proposed FY2022 Budget Amendment I

Summary Explanation and Background

At the June 17, 2021 School Board meeting, the Board approved the Superintendent's Recommended FY2022 Tentative Budget. Pursuant to School Board Policy DC (Annual Operating Budget), if at any time during the budget year expenditures in any function for any fund are anticipated to exceed by 5% the amount budgeted for that function, the Superintendent must recommend a budget amendment to the School Board to authorize additional anticipated expenditures. Though staff predicts that actual expenditures will not exceed 5% of the budgeted amount, the Superintendent recommends the School Board formally amend its FY2022 budget to approve the following compensation enhancements:

In the continuing effort to improve the retention rate of employees, the Superintendent recommends one-time retention bonuses of $1,000 for full-time employees and $500 for specific, district-allocated part-time employees (PT paraprofessionals, PT Parent Engagement Facilitators and PT School Nutrition Workers only) actively employed through November 30, 2021. Employees hired into these categories between December 1, 2021 and March 1, 2022 and who remain employed through the end of the school year will be eligible for this same retention bonus at the conclusion of the school year. As a reminder, the Superintendent previously authorized hourly rate adjustments for other part-time employees to better reflect the current labor market and encourage both recruitment and retention of critically important staff, including substitutes, cafeteria monitors, After School Program workers, clerical staff, paraprofessionals and more.

A RESOLUTION OF THE CHEROKEE COUNTY BOARD OF EDUCATION DECLARING THE RESULTS OF AN ELECTION DETERMINING THE ISSUANCE OF CHEROKEE COUNTY SCHOOL SYSTEM GENERAL OBLIGATION DEBT AND THE CONTINUATION OF A ONE PERCENT SALES AND USE TAX AND FOR OTHER RELATED PURPOSES

WHEREAS, pursuant to a resolution adopted by the Board of Elections and Registration of Cherokee County (the "Elections Board") on July 12, 2021, an election (the "Election") was held on November 2, 2021 in the Cherokee County School System (the "School System"); and

WHEREAS, the Election submitted to the qualified voters for their determination the question of whether not to exceed $290,000,000 in aggregate principal amount of the School System's general obligation debt (the "Debt") shall be issued and whether a sales and use tax for educational purposes (the "Sales and Use Tax") shall be continued for a period of time not to exceed 20 calendar quarters and commencing upon the expiration of the Sales and Use Tax currently in effect; and

WHEREAS, the Election Superintendent, in the presence of and together with the Election Managers, brought up the returns, consolidated the returns and declared the results of the Election as set forth in Exhibit A;

NOW, THEREFORE, BE IT RESOLVED by the Cherokee County Board of Education, and IT IS HEREBY RESOLVED by authority of the same, that the Election resulted in favor of the issuance of the Debt and the continuation of the Sales and Use Tax by an affirmative vote of a majority of the qualified voters voting in the Election, and the issuance of the Debt and the continuance of the Sales and Use Tax have been authorized as required by law.

BE IT FURTHER RESOLVED that a duly executed copy of this resolution be furnished to the Elections Board.

BE IT FURTHER RESOLVED that the proper officers of the School System take any and all actions that are required to validate the Debt.

Adopted and approved this November 18, 2021.

2022 LEGISLATIVE PARTNERSHIP PRIORITIES

LOCAL CONTROL & GOVERNANCE

Ensure proposed legislative initiatives strengthen provisions for the local control and management of schools (including the ability for a School Board to set its own local school year calendar, select its own delivery model and scheduling of daily recess, implement its own challenged instructional materials and media policy, incorporate locally-endorsed curricular programs and materials, etc.) . . . thereby empowering local School Boards to fulfill their Constitutional mandate and corresponding responsibility to involve their local constituency, develop locally-derived educational policy and oversee continued performance improvements among their students.

Oppose any effort to eliminate limited sovereign and official immunity . . . thereby protecting K-12 public school districts from lawsuits over day-to-day school operations (e.g., grades, discipline, classroom placements, etc.).

Eliminate State-mandated use of schools as public polling locations during regular school days . . . thereby increasing safety and security for students, staff and buildings.

Allow flexibility to local school districts within Teacher Retirement System (TRS) of Georgia compensation rules when establishing parameters for retiree return to work eligibility requirements, especially in critical shortage areas.

EDUCATIONAL OPPORTUNITIES

Consider providing equitable Broadband Internet access for all Georgia families by legislating and funding a multi-year implementation strategy.

Provide high school graduates in Georgia with an alternative diploma option in the area of Career/Technical Preparation . . . thereby further ensuring students' workforce readiness skills and preparation for transitions directly into careers or second-

Support legislation aimed at strengthening the sustainability of Mountain Education (State) Charter High School to provide a second chance opportunity for Cherokee County at-risk students to earn an accredited high school diploma in a student-centered, self-paced, evening public high school.

FUNDING

Make public education in the State of Georgia a priority by ending State "austerity reductions" of the Quality Basic Education (QBE) Act and allocate to local school districts all funding earned under the statutorily required formula.

Consider modifications and update of the QBE formula to accurately reflect inflation, true costs of transportation; and, to include a funding weight for economically disadvantaged students, funding for safety and security and increased allocations for counselors, social workers, psychologists and nurses . . . thereby providing support for critically-needed student services functions.

Continue to incorporate any teacher compensation increases into the State teacher salary schedule . . . thereby communicating the State's long-term commitment to providing competitive compensation for teachers and allowing local school districts to concentrate local revenues on offsetting State-required employer rate increases in health care premiums, local share of retirement plan contributions and locally-determined benefit plans (e.g., disability, life, dental, etc.).

Oppose the continuation and/or expansion of existing programs that directly or indirectly use public funds to pay private school tuition for students or provide tax incentives for their parents . . . thereby ensuring a solid revenue base for state funding of public education. Implement a fiscal and academic accountability structure for existing and future voucher programs that is analogous to that which public school districts must adhere.

Preserve investment in Georgia's Teacher's Retirement

2022 LEGISLATIVE PARTNERSHIP PRIORITIES

FACTS ON FUNDING PRESSURES

(impacting funding availability for classroom instruction)

DRAFT

STUDENT TRANSPORTATION

The formula for determining QBE allocations for student transportation is out of date and in need of revision. CCSD will receive $2.2M in QBE funds for student transportation for FY21. The total budgeted cost for student transportation during this budget cycle is $22.7M. Comparatively, in FY2010, CCSD was allocated $2.5M in QBE funds for student transportation . . . but had 4,858 fewer students to serve.

Looking statewide, in 1991 the State provided 54% of the total cost of providing transportation. By 2001 the amount was down to 39%. In 2021, the amount provided by the QBE formula had decreased to less than 12% of the actual cost.

EMPLOYEE RETIREMENT

The Teacher Retirement System of Georgia has increased the employer (CCSD) contribution rate from 14.27% (FY17) to an expected 19.98% in FY23. CCSD's annual payment to TRS on behalf of its employees for FY22 is expected to exceed $51.8M ($9.4M paid via local funds).

Due to the vision and commitment of Georgia leaders over the decades, TRS:

- Ranks in the top third of pension systems in the U.S., is actuarially sound, and has a proven record of sustainability.
- Provides a compelling recruitment and retention incentive for the education industry, supporting a life-long career path for high-quality teachers in Georgia schools.
- Positively impacts Georgia's economy and the economic success of our state, as pensions for over 140,000 TRS retirees are reinvested in local communities across the state each year.
- Affords a defined benefit plan as the last, best benefit for Georgia's dedicated teachers, who are diligently preparing the next generation of Georgia citizens.

As Georgia is recognized to be the #1 place to do business, it must also seek to be the #1 place to teach. Supporting TRS today ensures success for Georgia tomorrow.

EMPLOYEE HEALTH INSURANCE

Beginning in FY08, the State's contribution for non-certified employee health insurance premiums was reduced and then eliminated by FY12 (from over $500M statewide to $0), requiring local school districts to fully absorb the additional costs since that time. CCSD's employer contribution toward the annual cost of providing health insurance for a non-certified employee has risen from $2,000 in FY10 to $11,340 in FY21 and continuing for FY23-... this cost, nearing $1,000 per month/per participating employee, represents a 467% increase.

CCSD's health insurance costs for non-certified employees are projected to be $16.3M for FY22 far exceeding and more than doubling the $7.5M cost in FY14. The extraordinary financial impact of continuing exorbitant employer contributions rates for State-mandated benefits without corresponding State funding continues to be of great concern. As such, CCSD continues to privatize custodial and grounds services and increase the use of part-time/temporary workers for non-certified staffing as cost-reduction measures.

SY2022-23 Proposed Attendance Area Map Correction

Requested Action

School Board Consideration of Superintendent's Recommendation for Approval of SY2022-23 Proposed Attendance Area Map Correction

Summary Explanation and Background

CCSD had no new school facility construction during SY2021-22 that required establishing an Attendance Area Focus Group and there were no schools that met the "Critical Overcrowding" criteria, as indicated on the SY2021-22 Cherokee County Inventory of School Housing. However, the Superintendent is recommending for School Board consideration and approval of a proposed Scrivener's map correction for SY2022-23.

This proposed correction will modify the attendance area of one new residential development that is in the early planning stages. The subdivision is located at the northeast corner of the North Arnold Mill Rd. and Arnold Mill Rd. intersection; south of the Jep Wheeler Rd. intersection with North Arnold Mill Rd. This new development contains within its proposed footprint elementary, middle and high school attendance areas currently in both the River Ridge Innovation Zone and the Sequoyah Innovation Zone. Through a Scrivener's map correction, the Superintendent is recommending slightly shifting the current attendance area boundary so that as the development emerges, its attendance area will be contained within one innovation zone, the Sequoyah Innovation Zone (thus, sending any students in this new development to Mountain Road ES, Dean Rusk MS and Sequoyah HS).

No current students would be affected by this proposed attendance area correction.
