Requested Action

School Board Recognition of Woodstock Middle School Seventh-grader Sawyer Swift -- Metropolitan North Georgia Water Planning District's 20th Annual Water Essay Contest Winner

Summary Explanation and Background

A Woodstock Middle School student is the Cherokee County winner in a regional essay contest!

Seventh-grader Sawyer Swift was honored for his entry into the Metropolitan North Georgia Water Planning District's 20th annual water essay contest.

He, and the countywide winners from all other metro Atlanta counties, will be honored at an awards ceremony to be held at the Georgia State Capitol.

For the contest this year, middle school students were asked to write a 300-500 word essay based on either researching an essential water career, or in response to the question: “Why is a clean, abundant water supply essential for our metro Atlanta region, and for our state?”
