

Kindergarten Advanced Summer Practice Packet

Dear Up-Coming Kindergarten Families,

The first day of school will be here before you know it. We know how exciting this new chapter in your child's life will be and we can't wait to be a part of it. Throughout the year, we will work hard to help your child master the standards for kindergarten. Although much of the learning your child does takes place in the classroom, you are your child's first and most important teacher! We don't want your child coming to kindergarten intimidated so we put together a summer packet of skills to work on together. The packet is designed for you and your child to work on one skill a day for nine weeks in order to help prep your child for kindergarten. Some skills are more challenging than others so if your child needs more guidance please assist them. This packet is optional. However, if your child does complete the packet turn it into your child's teacher. Your child will earn a reward for completing it.

We look forward to meeting you and your child very soon!

~The Liberty Kindergarten Teachers

Monday - List 3 words that rhyme with dive and fish.

_____	_____
-----	-----
1. _____	2. _____
