

All About Me – Mrs. Miller

Words cannot express how excited I am to join this amazing Sixes family as an Assistant Principal. The strong traditions that Sixes Elementary upholds are truly a testament to how incredible this school is. I am blessed beyond measure to become a part of this wonderful Sixes community.

My professional career consists of 19 years of educational experience with a Bachelor's and Master's Degree in Early Childhood Education from Kennesaw State University and a Specialist Degree in Curriculum and Instruction from Lincoln Memorial University. I hold a certification in Educational Leadership from Kennesaw State University and a Microsoft Innovative Education certification as well as an endorsement in Gifted Education. My multiple grade level experiences include teaching in first grade, second grade, fifth grade, STEM, and the early intervention program in multiple grade levels. I have also served as the 504 Chair and EXP coordinator for my school. I have taught at Avery Elementary for 9 years and was honored to be named Avery Elementary's Teacher of the Year in 2018-2019. I am also a proud member of the amazing Service League of Cherokee County.

My educational beliefs involve creating and upholding a positive culture, consistent communication with all stakeholders, and facilitating a positive, respectful, and productive student-centered learning environment. My passion is educating students in all capacities with a smile on my face and love in my heart.

My family and I are proud residents of Cherokee County. My two daughters attend Cherokee County schools and play soccer, volleyball, and basketball for our county. We love to travel, go to the beach as much as possible, and attend tons of sporting events. I cannot wait to bring my family to all of the awesome Sixes events!

I am looking forward to helping our Sixes students Reach For The Stars in all that they do!!!
