Title

Recognition of CCSD High School Students for Being Named 2021-22 Georgia Career and Technical Instruction (CTI) Competition First Place Winners

Requested Action

School Board Recognition of CCSD High School Students for Being Named 2021-22 Georgia Career and Technical Instruction (CTI) Competition First Place Winners

Summary Explanation and Background

Cherokee High School junior, Dennis Nailor and sophomore, Trey Watts earned first place in Audio Video Production at the 2022 Georgia CTI Competition held on April 19-21, 2022. The competitive events at this conference give students an avenue to apply their many employability skills of their chosen career pathway and present it to a panel of volunteer judges in that career field. Dennis and Trey's teachers are extremely proud of their performance at the conference, but also of their incredible accomplishments and growth at school. Cherokee High School is very excited for their future endeavors in Georgia CTI and beyond.

River Ridge High School sophomore, Stephen Welch competed in the Most Improved Student category and earned first place for the event at the 2022 Georgia CTI Competition. The notebook Stephen put together and his interview skills with judges are the areas Stephen excelled in to win the event. Stephen has been involved in CTI and JROTC for the past 2 years. He is currently a sergeant in the JROTC Program and has over 200+ volunteer hours logged.

Priority Area

Student Achievement: Access and Opportunity

Financial Impact
