Title

Special Lease Agreements

Requested Action

School Board Consideration of Superintendent's Recommendation for Approval of the Special Lease Agreement

Summary Explanation and Background

Pursuant to the School Board's Community Use of System Facilities Policy (KG), special lease agreements applicable to non-school allied groups (users applying for extended use of school facilities who are required to pay rental fees) and for-profit summer camps, summer recreational leagues and/or any activities where Cherokee County School District employees are compensated, must be recommended by the Principal to the Superintendent for consideration of approval by the School Board prior to use of the facility. Extended use is defined as an event involving four or more consecutive days or for recurring activities.

Attached detailed synopsis of the special lease agreements, which adhere to the guidelines stipulated for such use and which have been approved by the Principal and Superintendent.

The allowance of these special lease agreements to occur will ultimately be determined by the Superintendent. That determination will be based on current and emerging COVID-19 related guidance from Federal, State and Local health officials.
