

High School Graduation Option B

High School Graduation Option B (formally known as SB2) offers qualified students an alternate path to high school graduation. Students choose to simultaneously earn a high school diploma and a postsecondary credential: two (2) Technical Certificates of Credit in a specific career pathway, a Technical Diploma, or an Associate Degree. Qualified students may take some of the high school required classes under the Dual Enrollment Program.

Complete All Required High School Courses

- 2 English/Language Arts
Must Include American Lit and EOC
- 2 Math Must Include Algebra 1 and EOC
- 2 Science Must Include Biology and EOC
- 2 Social Studies
- 0.5 Health and 0.5 PE
- All required Milestone/EOC Exams

Earn Any of the Following Technical College Credentials

- Two TCCs from the list on the reverse side
- Any One Diploma
- Any One Associate Degree

**Please Note Option B students are subject to the 30 hour DE funding cap and these credentials may incur additional costs.

Students interested in pursuing this option should contact their high school counselor for advisement, guidance, and to ensure this program is the right fit for the student and the student understands high school graduation requirements and college coursework expectations.

High School Graduation Option B (formerly referred to as SB2)

*This approved list of eligible TCC programs is updated regularly by TCSG and GaDOE and subject to change.
