School Board Recognition of Mill Creek Middle School Teacher Ann-Margaret Somers -- Named Georgia Science Teachers Association 2022-23 Teacher of the Year for Middle Schools

Summary Explanation and Background

Ann-Margaret Somers of Mill Creek Middle School is the Georgia Science Teachers Association 2022-23 Teacher of the Year for Middle Schools.

The award recognizes “a distinguished teacher who exhibits ongoing excellence in the teaching of science and commitment to its improvement.” One winner at each level -- elementary, middle and high -- is selected statewide and, as part of the honor, receives a $1,500 grant and complimentary registration for the association's annual conference. Winners are selected based on an outstanding record of exemplary classroom instruction, demonstrated innovative teaching strategies, strong professional engagement and recommendations by colleagues and supervisors. The winners will be honored by the association at an awards luncheon in March in Atlanta.

Ms. Somers teaches eighth-grade physical science and serves as her school's science department chair. Her past honors include being named a 2022 Georgia STEM Scholar by the Georgia Youth Science & Technology Centers, which annually is presented to only 24 elementary and middle school teachers from a pool of statewide nominees. Ms. Somers also was one of only 26 teachers nationwide honored in 2020 as a Teacher Fellow by the Northrop Grumman Foundation and National Science Teaching Association. The nonprofit association of professional science teachers is focused on supporting excellent science teaching for all students in Georgia.

School Board Recognition of Liberty Elementary School -- Recognized as a State 2023 School of Character by the Nonprofit Character.org

Summary Explanation and Background

A Cherokee County School District elementary school has earned recertification as a Georgia School of Character!

Liberty Elementary School is one of only 73 schools around the world -- and one of only two in Georgia -- to recently be recognized by the nonprofit Character.org as a state 2023 School of Character.

The organization advocates for all people to become “educated, inspired and empowered to be ethical and compassionate citizens.” Its School of Character awards recognize schools and school districts that are models for excellence in teaching students to recognize positive ethical and performance character traits and develop them in themselves.

The honored schools “each have put into place initiatives that equip and empower their staff to reinforce and model a range of positive core values that will shape and form the hearts, minds, and choices of their students,” Character.org President Dr. Arthur Schwartz said.

The honor follows Liberty's recognition in 2018 as a National School of Character and in 2017 as a State School of Character. It also has earned numerous Promising Practices awards from the organization for specific service learning projects.

FINANCIAL REPORT
JANUARY 2023

General Fund

For the month ending January 31, 2023, the seventh month of the 2022-23 Fiscal Year, the School District's Operating Account (General Fund) has received $324,822,455 in revenue (year-to-date) consisting of state funds of $102,945,795 (44% of budget), $220,489,775 local revenues (93% of budget), and other funds of $1,386,885 (102% of budget). All operating expenditures of $247,523,362 (53% of budget) are within the Board of Education's approved 2022-23 budget.

Building Fund/Ed-SPLOST Collections

The Capital Outlay Fund balance of $82,406,293 as of January 31, 2023 reflects Special Purpose Local Option Sales Tax for Education (Ed-SPLOST) collections, proceeds of bond sales for capital outlay purposes, and transfers from the General Fund less bond refundings, bond issuance costs, transfers of Ed-SPLOST to the Debt Service Fund and capital outlay expenses paid.

Cherokee County School District received $6,617,076 for sales tax collections received in January 2023, for the month of December 2022, the 3rd month of 60 monthly sales tax collections for the 2022-2027 SPLOST. Collections received were above projections for the month by $1,512,552 and above cumulative projections by $2,803,741.

Ed-SPLOST collections are accumulated within the Building Fund to be used for specified capital outlay purchases (limited pay-as-you-go) and transferred to the Debt Service Fund at the appropriate time to meet annual bond obligations (January and July). Excess Ed-SPLOST collections above projections are used to meet critical capital outlay needs and/or transferred to the Debt Service Fund as a safeguard against future negative economic conditions, assuring the School District can meet future bond payments.

Debt Service Fund

The Debt Service Fund balance as of January 31, 2023 is $57,289,917 representing funds accumulated from Ed-SPLOST collections, collections from the 1.5 mills of property tax approved by the School Board, interest earned from investments and Invested Sinking Fund earnings. The Invested Sinking Fund is attached to the Series 2010B Bond issuance and is structured to fully pay the annual debt service on the Series 2010B bonds through January 2028. Annual Debt Service payments are made in February and August of each year, according to the Debt Service Schedule published annually in the Cherokee County School District Budget Book.

Federal/State/Competitive Grants and School Nutrition Funds

The School Nutrition Fund Balance as of January 31, 2023 is $18,418,670 and represents the difference between revenues from all sources and all expenditures. This amount is held in reserve to cover potential funding shortfalls or unexpected expenses.

Federal, State and Competitive grant funds are annually awarded to the School District based on funding formulas (Federal Title Programs) and/or program applications (State and competitive grants). As funds are expended, reimbursements are sought from the various programs. Local funds are not intended to cover shortfalls within grant programs nor are grants intended to carry a fund balance.

Title

Special Lease Agreements

Requested Action

School Board Consideration of Superintendent's Recommendation for Approval of the Special Lease Agreements

Summary Explanation and Background

Pursuant to the School Board's Community Use of System Facilities Policy (KG), special lease agreements applicable to non-school allied groups (users applying for extended use of school facilities who are required to pay rental fees) and for-profit summer camps, summer recreational leagues and/or any activities where Cherokee County School District employees are compensated, must be recommended by the Principal to the Superintendent for consideration of approval by the School Board prior to use of the facility. Extended use is defined as an event involving four or more consecutive days or for recurring activities.

Attached detailed synopsis of the special lease agreements, which adhere to the guidelines stipulated for such use and which have been approved by the Principal and Superintendent.

The allowance of these special lease agreements to occur will ultimately be determined by the Superintendent. That determination will be based on current and emerging COVID-19 related guidance from Federal, State and Local health officials.
