

May 2019

Abbotsford School District

Greetings from Sherry Baker, District Administrator

Creating a Culture of Success

In my past several newsletter articles I have provided you a glimpse into progress on key goals to which the District has committed itself in 2018-2019. From adding six classrooms to our facilities to expanding Dual Language Immersion programming to our elementary students, remaining static has not been an option. It is true that over the past couple of years many changes have been made to build a culture of belonging, growth, and sustainability, but nothing is more important than building a culture of success.

As with any vision, seeking to move an organization toward greater success, one must always be prepared for the proverbial "one step forward, two steps back" scenario.

Undoubtedly, a growing student population has presented such challenges, but overall we've met those challenges head on and continue to be proactive vs. reactive.

This spring the board approved moving our instructional support staff to full time to better accommodate our growing student population, but also to provide more stability to these much needed staffing positions. Additionally, we continue to expand our Dual Language Immersion programming through third grade in 2019-2020 with the final stage of implementation to occur in 2020-2021. In response to greater class sizes at first grade, the board added an additional section to next

year's second grade. In short, next year the elementary will have two grade levels at four sections: 2nd grade and 3rd grade. As a district we remain committed to a culture of success within the midst of change. As always, we are mindful of our commitment to the community to remain fiscally sound into the future.

As we wrap up this school year we recognize that change is inevitable. The staff has experienced a lot of change as well as we have attempted to upgrade and modernize curriculum, provide up-to-date technology and instructional resources, make available relevant and timely professional development, and create greater flexibility within the context of staff benefits. Our federal and state governments continue to make mandates of us that on the surface detract from what our true mission is, "to educate and prepare our children for an ever-changing tomorrow." Our resolve remains firm as we continue to forge into this future of continual change.

In the meantime, summer is peeking at us from around the corner. Some students will leave on June 7th and not look back while many others will return only a couple of days later to start summer school. Regardless, we will finish the 2018-2019 school year strong while keeping our eyes on what comes next.

Have a great summer everyone!

New for 2019-2020 School Year

New 2019-2020 School Year— Online Registration for New and Returning Students!
You must Activate your Family Access Account.

Family Access and Registration Assistance

Where: Abbotsford High School – Computer Lab

Wednesday, August 28 7:30-3:30

Office Hours

Greetings from the Elementary Principal

The 2018-19 school year has flown by. The students have shown much growth and have taken part in many learning activities. In late May and early June, the students will be taking part in Olympic events, graduations, many outdoor field experiences, the PTO Carnival, and award assemblies.

There will be some changes to our school next year. Four Year Old Kindergarten will now be 5 days a week. Each grade from Kindergarten through 3rd will have a section that will be Dual Language. With enrollment continuing to grow, the elementary will have four sections of Grade 2 and Grade 3.

With the ending of the school year, we turn our attention to summer school. Summer school runs from June 12th through June 28nd and August 5th through 9th. If you wish to have your child enroll, please stop by the elementary or middle/high school office for registration forms. We will also have open swimming in July from 9:00-11:30 am. Please be on the lookout for exact dates. There will be open gyms for students entering 7th through 12th grades and other evening courses.

Please have your child check out opportunities before the school year ends or contact the office. Summer school can be very beneficial to your child academically and can also help them stay active throughout the summer.

Prairie Fire Theatre will be coming to Abbotsford again this summer the week of June 10-14. This year's play is "Sleeping Beauty." All activities will take place in the high school commons, Elementary Art and Music Rooms, and North Gym. If you would like your child to take part, please sign up through our summer school program. Rehearsals will run from 1:00-5:30 on Monday through Thursday. On Friday, dress rehearsal will be at 2:00. The performance will begin at 6:00 on Friday. Even if you don't have a child in the play, come out and watch the show. There is no charge.

If you wish to enroll a student to our school, or know of somebody who does, please contact us for enrollment forms. The elementary building will have office personnel available for two weeks after school is out in June and again in August. The district office

will be open throughout the summer, and you can pick up forms there as well.

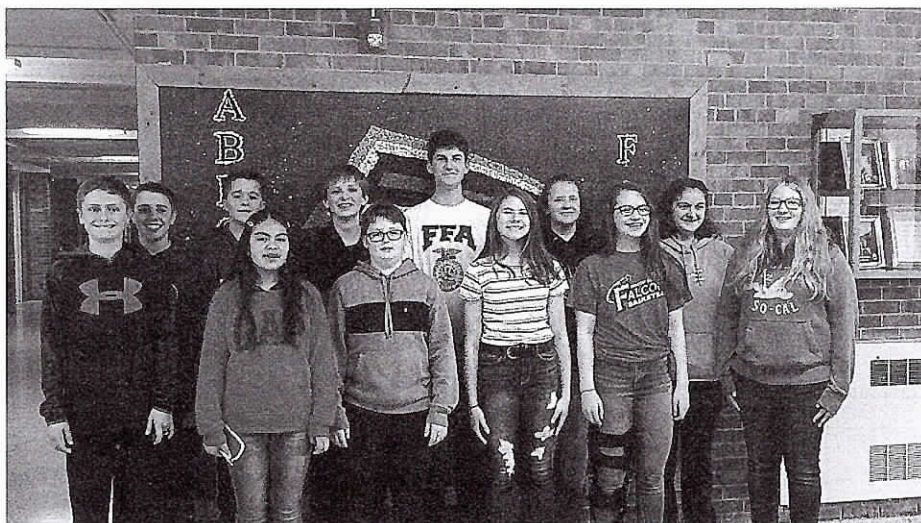

Information will be coming home regarding the "Open House", which will be on August 28th. On this night, there will be an orientation for students and parents in 4-Year Kindergarten and Kindergarten at 5:00. The first day of school will be September 3rd. Please be on the lookout for registration and school information coming in early to mid-August.

Please take time to continue reading and working with your children throughout the summer. Students will forget much of the material if not reviewing over a span of 2-3 months. The more time you spend reading and reviewing with your child, the easier learning will be for them.

Have a safe and enjoyable summer. Please read and review school work with your child throughout the summer.

Gary Gunderson

MS Mathletes

On Friday, April 26th, twelve middle school students from the Abbotsford School District went to Pittsville to compete at a Junior High Math League competition. Students competed individually, without the use

of calculators on timed tests in the areas of 'Fractions, Decimals, Percents', 'Algebra', 'Geometry', and 'Problem Solving'. Students also competed in teams of four on team events, which allowed the use of calculators. The following students competed

at the meet:

8th grade- Madison Bloch, Jacob Hirsch, Tamika Heck, Samantha Mireles-Melgarejo, and Jaydon Rothenberger

7th grade- Blake Bargender, Ashton Hammel, Evan Reis, Tyler Prikschat, Jack Schindler, and Sydney Falteisek

6th grade- Margo Pogodzinski

The teams were named by the Abbotsford School colors. Competing on the Red team were Madison, Jacob, Blake and Ashton. Competing on the Black team were Tamika, Samantha, Evan and Margo. Competing on the White team were Jaydon, Tyler, and Jack and Sydney.

Greetings from the Middle/High School Principal

Spring Newsletter - Ryan Bargender

Spring is certainly here with summer around the corner. Where has the year gone? As I reflect on another year at Abbotsford Middle/Senior High, I feel blessed to work with such great students, staff, parents, and community members. Our students have done some great things throughout the course of the year. Each time I go to an event, I am amazed at the talent that walks through our hallways.

Abbotsford seniors graduated on Saturday, May 18th in front of a crowd full of smiles, some tears, and most importantly proud family members and friends. From all of us in the School District of Abbotsford, I congratulate all of the seniors and feel blessed to have worked with such amazing students. Good luck on the journey ahead and remember to always be visionaries, hard workers, and keep us updated on the truly amazing things you will do. Congratulations!

All of our students have done an amazing job moving us forward and enhanc-

ing our building. We were recognized as a Wisconsin Title I School of Recognition for the 14th consecutive year in the category of "Beating the Odds." What an accomplishment! Students have represented Abbotsford well in Math League competitions, students have continued to close the gap or exceed benchmarks on their MAP tests, ACT Aspire scores measured up, and we took the Forward Exam for the fourth year. Our sports teams, music performances, and clubs have had a tremendous year representing Abbotsford. Thank you to all of the students and staff for making our building such a positive place.

Looking forward to the remaining few days before summer vacation, we need to be aware of expectations of dress, behavior, and attendance. If there are any questions about expectations, please refer to the student handbook. Also, the high school finals testing schedule will be Wednesday, June 5th for periods 1-4 and Thursday, June 6th for periods 6-9. Our final day of school will be Friday, June 7th with an early

release. Students, have a safe and enjoyable remaining days.

Over the summer there are many things planned at Abbotsford Middle/Senior High. Summer School begins Wednesday, June 12th and runs through June 28th. There is also a second session of Summer School, August 5-9.

Again, I cannot express how proud I am of each and every one of our students. I feel honored because I have the privilege of working with the students and staff of Abbotsford each day. It is always a great day to be a Falcon! Over the summer please be safe, represent Abbotsford Middle/Senior High well, and look forward to the start of another amazing year!

Don't forget to "Like" us on Facebook - www.facebook.com/abbyfalcons

Abbotsford Middle/Senior High

MS Mathletes... continued

MS Mathletes Competitors

In individual competition, Blake Bargender finished 7th and Ashton Hammel finished 15th out of 140 competitors, and earned a medal and certificate. In team competition, the Red team

placed 5th, the Black team placed 18th and the White team placed 24th, out of 35 teams. Top four teams earned a plaque. In addition, numerous middle school

students attended the mathletes study sessions with Mrs. Kolar starting in February, during FIT, two days a week, to improve their mathematical knowledge and skills. It is a real tribute to these students' dedication to be willing to put in the extra time and effort to be challenged mathematically. In addition to the students that competed, these consisted of:

8th grade- Adriana Fuentes, Cortney Kittl, Kelsey Rueden, and Citlali Astrid Ochoa

7th grade- Evan Schunk and Warren Flink

6th grade- Sophie Kulesa, Chloe Cihlar, Jacquelyn Soto Acosta, Daniel Davila, Andrew Hirsch, Halie Van Luven, and Kara Larson

Great Job, middle school mathletes!

Bittner named Abbotsford Lions Club Student of the Quarter

Abbotsford High School senior Megan Bittner has been named the Abbotsford Lions Club Student of the Quarter for the third quarter of the 2018-19 school year.

Bittner carries a rigorous class schedule that includes UW-English, Physics, Calculus, Personal Finance, Intro to Animal Science, Spanish IV, Band, and Choir. She has participated in many co-curricular activities, including Spanish Club (Treasurer), National Honor Society (Vice-President), FBLA, FFA,

FCCLA, Forensics, Senior Class (Secretary) Jazz Band, Show Choir, and One-Act Play. She is a member of the volleyball, basketball, and softball teams.

EL Learning Services Coordinator, Amber Kraus, highly recommended her for the Student-of-the-Quarter award. "Megan is a self-directed student who will work on a task to completion. As an independent Spanish student, she has experience with tasks that are beyond her skill level, but she has never allowed that to intimidate her; she knows how to ask for help when necessary and is not afraid to try new things," Kraus stated. "Her transcript is filled with as many college preparatory and college credit courses as she could fit into her schedule; Megan's positive attitude and drive to succeed make her one of the stars of her class."

Bittner's volunteerism attests to her belief in community service. She has been actively involved by assisting at the Abbotsford Lion's brunches, Red Cross blood drives, bell ringing for the Salvation Army, Jump Rope for Heart, caroling at nursing homes, and community cleanup days.

When asked to identify an outstanding feature of the community, Bittner applauded numerous positive attributes of the Abbotsford community and school.

"The most outstanding feature though is Abbotsford school's outreach for mental health awareness. At least once a week, we do an activity where we work on our own mental health and, as a school, we help others feel better about themselves. The support of peers and the staff is inexplicable."

When asked to define a major world problem, Megan responded, "I would choose to confront the problem of global warming. Every time someone throws a plastic bottle into the garbage instead of recycling it, the atmosphere changes. Moose and elk are coming into Wisconsin looking for safe haven. Every time an organism in any ecosystem has to migrate, we are losing a crucial part of that particular ecosystem. If our oceans, lakes, valleys, mountains, and grasslands could become clean and nonhazardous, we could have a greater view on earth as a whole."

Bittner works part-time at the Abbotsford County Market and is a lifeguard at the Abbotsford School pool. After graduation, she plans to attend either UW-Eau Claire or UW-Stevens Point, majoring in actuarial science with a minor in Spanish.

Megan is the daughter of James and Sarah Bittner, Abbotsford.

Spanish Parent Outreach

Abbotsford School District parents attended Spanish parent outreach classes every Tuesday night in the month of March. Parents learned about how they can be involved in their children's education today and help them prepare for post-secondary education in the future. The curriculum, "El grito de la prosperidad", was purchased with grant monies received by the school district. Eight bilingual school employees, as well as a bilingual admissions counselor from University of Wisconsin-Eau Claire, presented the curriculum to the parents.

"We (the bilingual educators) are so proud of the parents for making the

commitment to come for the sessions, and realizing that language does not need to be a barrier to help their children achieve their educational dreams", said Laura Garcia. If you would like more information about attending the Spanish parent outreach classes for the next school year, please contact Theresa Reynoso, School Counselor.

You Can Make a Difference Play, Read, Talk

You can help students learn! As we head into summer I wanted to share tips on how you can help students continue to grow and learn. Many of these are common sense and are applicable to all of us.

1.Movement: We see advertisements by professional sports advocating for children to be more active. Not only is this movement, and play good for physical development. The gross motor movement also helps support the good chemicals for thinking, focus, learning, and memory. It is suggested that students need 30-60 minutes per day of exercise. This exercise can take the form of pow-

er walks, games, running, dance, team sports, and swimming to name just a few.

<http://www.jensenlearning.com/wp-content/uploads/2016/07/10MostEffectiveTips.pdf>

2.Reading: Reading is a simple and important way for people to expand their vocabularies. Reading can take many forms including narratives, newspapers, magazines, comics, and non-fiction. Over the summer student, reading levels tend to drop. To keep up and even build reading levels and vocabulary have students read or read with them. Helping students find reading material they are interested in can help them to read at a higher level.

<https://www.ncbi.nlm.nih.gov/pmc/arti>

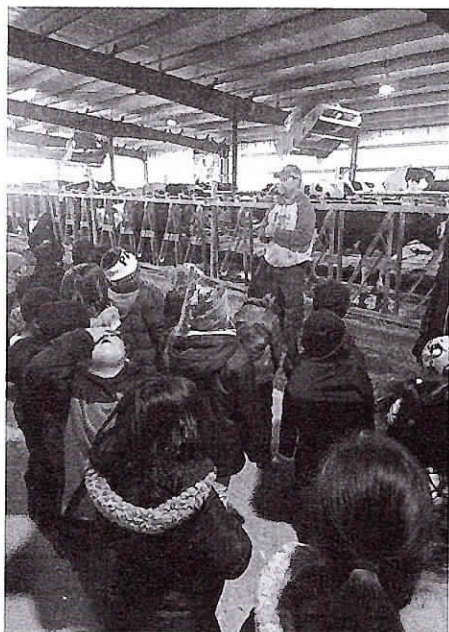

<cles/PMC4610292/>

3.Vocabulary: Vocabulary is a strong indicator of student success. Caregivers can help expand the vocabulary of children by asking questions, varying their vocabulary, and in general offered the students a rich language experience. Helping to build a vocabulary can be done in any language. If you speak English, Spanish, or another language you are using words and expanding vocabulary.

<http://www.ascd.org/publications/books/113040/chapters/What-Does-the-Research-Say-About-Vocabulary%C2%A2.aspx>

Play - Read - Talk

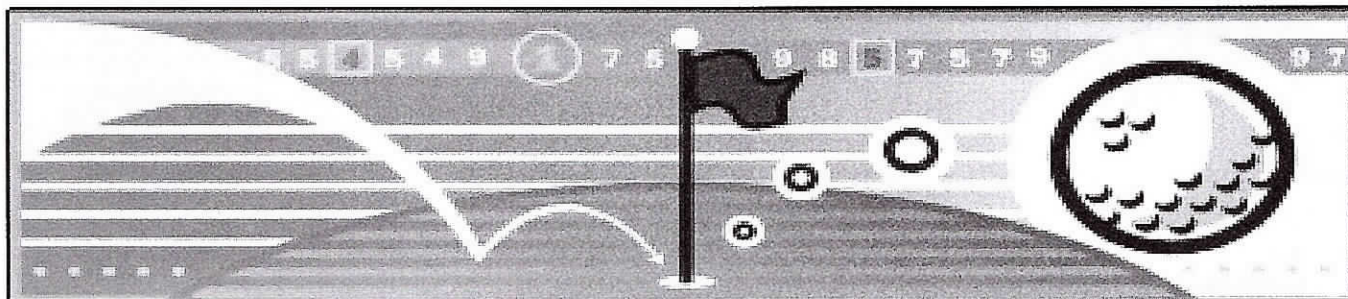

4K Farm Visit

In April, we visited the Ruesch Family farm. Farmer Dave and his daughter Calley toured our class through all the barns, milking parlor, and their brand new free stall barn. They have a "robot" named Wilbur, in the free stall barn that pushed the feed up to the cows. This encourages the cows to eat more throughout the day, which increases milk production. The 4K children enjoyed the tour, Wilbur, and an ice cream sandwich! Thanks Dave and Calley!

Abbotsford Booster Club Golf Fundraiser

On Saturday, June 15th, the Abbotsford Booster Club will be sponsoring its annual Booster Club Golf Fundraiser. The tournament will be held at Meadowview Golf Course in Owen, WI with a 10:00 AM shotgun start.

The Booster Club is working on this year's event and is again asking for your help in any way possible. If your business is able to donate in any way towards this event, it would be greatly appreciated. In the past, businesses have donated in the following manner:

- Sponsored a specific hole- cost of this is \$100
- Donated prizes to be raffled off;
- Donated prizes to winning teams, best score, etc.;

Donated money to help cover costs (prizes, golf course fees, meal, etc.)

If you choose to donate an item that can be mailed (checks payable to Abbotsford Booster Club), please mail it to:

Abbotsford Booster Club
C/O Matt Cihlar
307 N. 4th Ave.
Abbotsford, WI 54405

Other merchandise can be brought directly to the high school office. However, we realize how valuable your business time is and committee members will be very happy to pick up donations. Please call Matt Cihlar (work: 715-223-2386, cell: 920-905-1979) if you would like me or a member of the booster club to stop by your place of business.

Also, please feel free to enter the fundraiser as a business. Create your own foursome. Someone from the booster club can get you a sign-up sheet or they can be found on the Abbotsford School District website (www.abbotsford.k12.wi.us).

Thank you for helping to make the 2019 Abbotsford Booster Club Golf Fundraiser a success.

Sincerely,

Abbotsford Booster Club

Rocha named Abbotsford Lions Club Student of the Quarter

Abbotsford High School senior Juanmanuel Rocha has been named the Abbotsford Lions Club Student of the Quarter for the fourth quarter of the 2018-19 school year.

Rocha carries a rigorous class schedule that includes Written Communications (NTC), Trigonometry (NTC), Personal Finance, Chemistry, Social Problems & Issues, Employability Skills, Youth Apprenticeship, and Band. He has participated in many co-curricular activities, including National Honor Society,

Student Senate (for four years), FBLA, FFA, Spanish Club, Forensics, Class of 2019 (President for three years), Jazz Band, Marawood Leadership Conference and the Festival of Nations.

Former work supervisor, Amy English, highly recommended him for the Student-of-the-Quarter award.

"Juanmanuel is an example of a good citizen who is committed to his academics as well as growing in his professional life. He takes the initiative to help others and answer questions, in one case, resulting in a promotion to a CSR position requiring responsibility and independence," English stated. "He is a well-rounded student involved in many areas as a leader and is an excellent candidate for this award."

Rocha's volunteerism attests to his belief in community service. He has been actively involved by assisting at the Abbotsford Lion's brunches, Red Cross blood drives, bell ringing for the Salvation Army, Abbotsford Christmas Parade, and FFA Dairy Breakfasts.

When asked to identify an outstanding feature of the community, Rocha applauded the "well-knit" Abbotsford community for coming together in times of need. "When the Abbotsford movie theatre burned down, the whole community stepped up and helped the families impacted, providing comfort

and compassion through the following weeks. I am honored to live in a community where everyone helps one another."

When asked to define a major world problem, Juanmanuel responded, "I would choose to confront the problem of poverty. My parents tell me stories of how, when they went to school, they never had pencils or erasers. They would learn basic math with the abundant amount of rocks found near their school. If they ever did have school supplies, there would only be one of each and their whole class would share one pencil or one eraser. It amazes me how many people take little things for granted. I am beyond thankful for my parents; they have taught me how to look at things from different perspectives. I wish one day that poverty would end and everyone would have pencils, erasers, water, and basic essentials."

Rocha works part-time as a Customer Service Representative at the Abbotsford County Market and a Member Service Representative at the Taylor Credit Union in Abbotsford. After graduation, he plans to get an associate degree as a Medical Assistant, hoping to advance within the medical field.

Juanmanuel is the son of Javier and Irene Rocha, Abbotsford.

Crystal Cave 5th Grade Field Trip

Thanks to the AEF (Abbotsford Education Foundation), the 5th grade class enjoyed an adventurous trip to Crystal Cave. When they arrived, each group was sent a different direction, along with a tour guide, to rotate through three different activities. One group headed to the cave. They

were taken on an amazing tour. They traveled below the ground seven stories and ventured through many passageways, as they learned fascinating facts about the history and geology of Crystal Cave.

Another group panned for gems. Each student received a bag which appeared to consist of sand. But as students soon discovered, a variety of gems appeared. (The looks on their faces was priceless). Everyone ended up with a beautiful bag of gems, along with a laminated gem identification key.

The final group spent time browsing the gift shop for "rock bottom" deals. Some of the popular items purchased were gem necklaces, rock candy, and "real" gold.

The 5th grade class is very grateful to the AEF for funding this amazing field trip. The knowledge gained, as well as the fond memories, will last a lifetime.

Submitted by: The 5th Grade Teachers.

LEAVE A LASTING LEGACY: LIFETIME ENGRAVED WALL TILES

Our Children, Our Future—The Abbotsford School District

We invite you to take part in a unique opportunity to have a tile permanently placed in the new commons area being constructed as part of the building project to replace the elementary school and remodel areas of the middle/senior high. These 6" x 12" or 12" x 12" tiles will make a wonderful, lasting gift to honor, dedicate and commemorate:

- ♦ Alumni, families and friends of the Abbotsford School District
- ♦ Significant School Achievements (i.e., State Championships, Undefeated Seasons)
- ♦ School Clubs and Organizations
- ♦ Civic Organizations and Businesses

**Great
Gift
Ideas!**

Sales are on a first-come basis, limited by available space.

Pricing for FAMILY & STUDENT SPONSORED ORGANIZATIONS (i.e., FBLA, FFA, etc.)

- \$75 donation = 6" x 12" tile with up to two engraved lines (32 characters-max 16/line)
- \$125 donation = 12" x 12" tile with up to two engraved lines (32 characters-max 16/line)
- \$150 donation = 12" x 12" tile with three engraved lines (48 characters-max 16/line)
- \$175 donation = 12" x 12" tile with four engraved lines (54 characters-max 16/line)

Add a
Falcon Emblem to
your tile for an
additional \$10

Pricing for BUSINESSES OR CIVIC ORGANIZATIONS (i.e., Lions, Booster Club, FFA Alumni, etc.)

- \$300 donation = 12" x 12" tile with up to four engraved lines .
Business logo or organization emblem would be an additional \$75.

Proceeds from your TAX-DEDUCTIBLE tile donation will go to the
ABBOTSFORD EDUCATION FOUNDATION.

The ABBOTSFORD EDUCATION FOUNDATION is a non-profit organization.

The Foundation's Goal is: to improve our school and community
by obtaining funding outside the normal district budget.

** Funds will be used at the Board's discretion to supplement the building project.

ABBOTSFORD SCHOOL DISTRICT LIFETIME ENGRAVED WALL TILES

Abbotsford Post Prom

On Saturday, April 13th, 2019, the Abbotsford Junior class sponsored Post Prom 2019. Knowing that our youth are safe, and seeing their smiles makes it all worthwhile. Due to the generosity of students, parents, businesses, and community members, it was very successful again this year!

As concerned parents and citizens of the community, we offered approximately 121 high school students the option of an alcohol-free post-prom party. The students experimented with impairment simulation goggles as a learning opportunity. They had the option of various games, photo booth, pizza and refreshments, and all students received some fantastic prizes.

We could not have done it without the support of the entire community. It amazes us how a small community can be so supportive. We would like to thank the below businesses who donated money, food, supplies, discounts, postage, and gifts to support the event. A huge thank you for your continued support. We also want to thank the parents for the amount of time that was volunteered to help this great cause.

Thank you for helping to make the 2019 Junior Prom a safe and enjoyable evening for everyone! We hope you all continue to support this next year, so we can keep this tradition going.

Jackie Schreiber, Post Prom Coordinator

Family Access on Skyward

Through Family Access you will be able to check your child's grades, attendance, discipline referrals, lunch account information and general family information. Each family will have their own unique log in and password to access the system. Once in the system, you will only see and have access to your child(ren)'s information.

How do I get Family Access? You can contact either the elementary school or the middle/high school for your log in and password. Once you receive this information, you can follow the instructions below.

From the internet you will need to access the School District of Abbotsford's web site. You will do this by entering www.abbotsford.k12.wi.us in the address area. For future access made easier, bookmark this site. To View Skyward Family Access Portal, hover over Community along the top navigation tab, then click on the 3rd button down – Family Access.

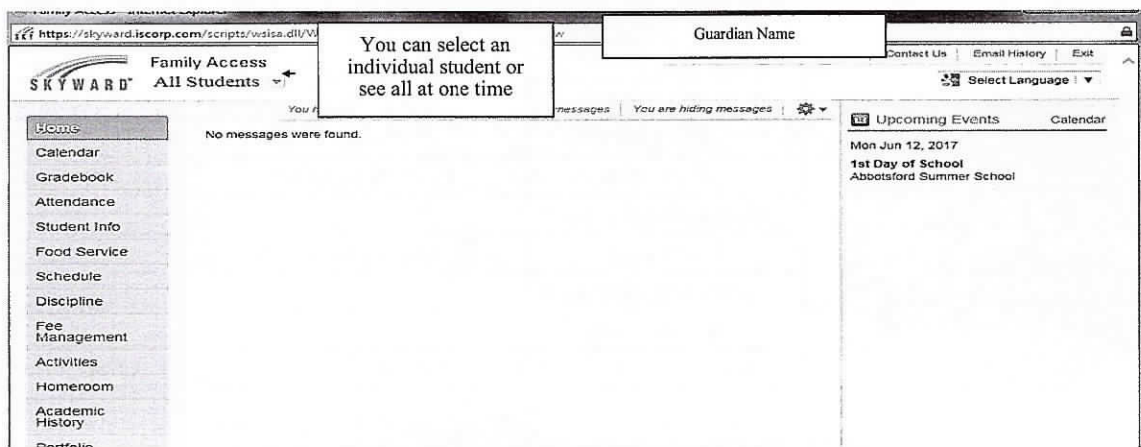

After clicking on Family Access you will go the screen below. At this screen you will type in your personal log in and password as listed below.

Log In: _____

Password: _____

if password is blank, please use the password you've created.
If this doesn't work, contact the office and we will generate a new password for you.

From this screen you can check out the school calendar, look at your student's general information, look at the grade book, check current attendance, look at your child's schedule, check for any discipline matters, look at your lunch account balance/information, or other information about your child. You also have the ability to create a new password, which may be easier for you to remember, and change your e-mail address. This can be found under My Account on the top right side of the screen.

The first time you enter into Family Access, we ask you to check the student information section to make sure that your address, phone number, contact people and all other information is current and correct. If this information is not correct, please contact your child's school office as soon as possible. This information is extremely important in case of an emergency.

ESPAÑOL?

If you need translation, you can click on the "Show Google Translator in Family Access." Then a "select language" option appears for you to select correct language.

*To receive EMAIL NOTIFICATION for Attendance, Grading, Progress Reports, Food Service and Health Office – check the box in front.

*You are able to enter a STUDENT ABSENCE under "Attendance" then "Enter Absent Request" (see picture at right).

*You can view your child's REPORT CARD under Portfolio (see picture at right).

If you are having problems accessing the website, please contact your child's school so we can help you walk through the site.

Parent involvement in their child(ren)'s education is the number one factor in a successful student.

We hope that you will take advantage of this software and that it will help you to be better informed about your child.

Monday—Thursday Afternoon 4:00 pm– 6:00 pm

***Students may lift with adult members during open hours

Did you know?

Abbotsford School District offers online payments for your convenience!

Our partnership with **e~Funds for Schools** will allow you to pay for your student's school lunch and fees from your checking account, debit card and credit card. Our Fitness Center can accept online payments as well.

Parents and community members can access the e~Funds for Schools system and make one payment for multiple school activities, and for one or all of their children, all during a single visit!

To get started, simply visit our website at: www.abbotsford.k12.wi.us/. For student payments click on the Family Access under the Community tab. For Fitness Center payments click on Fitness Center under the Community tab.

Log in with your username and password. If you have any questions on logging in, please contact your student building secretary. Click on food service, and then click on make a payment.
