Valentine's Fun and Games

Valentine's Week was full of surprises, for both teachers and students! Principal Moore surprised us all by having teacher competitions all week where teachers had to test their wits to see who would win the battles for extra recess for their class. The competition was stiff, but Kindergarten seemed to pull out the most wins. Their look of determination was fierce!

Valentine Parties were held in the classrooms on Tuesday where students enjoyed tons of tasty treats and sweet surprises.
