Attendance: Teri Ewell, Stacy Williams, Brooke Karras, Shanna Barker, Julie Call, Ryan Wilko, Officer Criddle, Robyn Lawson, Erik Gunn, SBO Officer, Amanda Taggart, Kate Neiderhauser, Tracey Meade, Dr. Lori Hawthorne, Mark Jolly

Minutes Approved: Motion to approve 1st. Lori Hawthorne 2nd. Shanna Barker

Student Officer Minute: Rock the New Year Dance 1/21. Sub for Santa totals \$31,121. They donated \$22,921 towards USANNA Eats Program and \$8,200 towards Mountain High.

The Christmas play was incredible. Tracy gives kudos to Michael for running two casts which will give more students more opportunities

Officer Criddle: The past few weeks have been quiet.

PTA Meeting: No meeting this month

Kaysville City School Communication: The meeting will be at the end of the month. Shane will be leaving at the end of the month from the city. Dean Soares will be taking his place.

School Improvement Plan: (Dr. Lori Hawthorne)

Reviewed the 2022-2023 LAND Trust Budget Reporting

There is an excess of money in the productivity periods under the student achievement section.

- Proposed that we move \$5,000 to help fund the math lab for the remaining of the year. Motion to approve 1st - Shanna Barker and 2nd Erik Gunn. Unanimous vote from all council members to approve - 100% in favor.
- After review on a line item commercial router for performing arts program the budget was \$15,000 given from Community Council 2021/2022 school year, the actual spent was over (\$19,937). Dr. Lori Hawthorne plans to address with the department. However, the feedback for the router has been extremely positive and helpful.
- The Commercial Art class has benefited from the money given last year to purchase 30 iPads. The class has a waitlist and has become very popular for students. It was proposed with some of the excess from the productivity budget to allocate \$6,000 to the Commercial Arts teacher for purchase of iPads and pencils for this upcoming 2nd semester (2022/2023 school year). Motion vote 1st Shanna Barker and a 2nd Tracey Meade. Unanimous vote from council members - 100% in favor.

Opportunities for requests from faculty and staff will be given and collected in the next two months for the upcoming school year 2023/2024.

Dr. Hawthorne reviewed the past LAND Trust Plan Goals and asked for input on areas to focus or emphasize and asking if there are programs that need more attention. Discussion was held regarding how we are handling mental health for our students. Positive feedback was given for the therapist that is split with Kaysville Junior High and the benefits from having him in our school.

Review data from prior school year - Dr. Lori Hawthorne

Dr. Lori Hawthorne provided an attachment with AP Testing and data from the last 4 years. In addition the Davis High School Profile 2022/2023 was given. Discussion on AP and CE Classes that are being offered at the school.

Counseling Department (Robyn Lawson) representing the steps to help the student choose classes and take steps towards graduation.

Adjourn Meeting - Motion 1st- Erik Gunn, 2nd - Brooke Karras

Next Meeting Tuesday, February 7 @ 6:30 a.m.
