January 12, 2023

Dear GWRSD Families,

Happy New Year!

At their meeting on Monday, January 9th, 2023, the Governor Wentworth Regional School Board voted unanimously to eliminate remote learning when school is canceled due to inclement weather. This decision was made based upon the challenges to effectively and equitably deliver and receive remote learning across our expansive district. This decision is **effective immediately; all school closures due to inclement weather will now be traditional snow days**. I hope this comes as a relief to those of you who have had challenges with remote learning at home during canceled school days.

Please feel free to contact the SAU or your school administration if you have any questions. Have a safe end of week and weekend.

Sincerely,

Caroline Arakelian  
Superintendent of Schools

*The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education.*
