

Delaware Department of Education

Individuals with Disabilities Education Act (IDEA)

Parent Engagement Survey

Satisfaction with Special Education Services

What is the Parent Engagement Survey?

The Parent Engagement Survey is given to the parents/guardians of children with Individualized Education Programs (IEP). The purpose of the survey is to provide districts/charters with feedback from parents/guardians regarding their satisfaction with the IEP process.

Why is the Parent Engagement Survey Important?

The Parent Engagement Survey is important because the results are used to help districts/charters improve the special education and related services provided to children with IEPs.

What should I know about the Parent Engagement Survey?

- Survey submissions are anonymous.
- 11 Questions
- Available in English, Spanish, and Hattian-Creole languages
- May be returned by mail or completed online with the QR scan code
