Don't forget to complete your LivingWell Promise. This will save you \$480 dollars on insurance premiums for next year.

We are currently looking for classified and certified substitutes for our district. If you know of anyone who has 64 college credit hours and is looking to work in a great place, please ask them to fill out an online application.

If you need a medical procedure that will require time off from work, please check with me to see if you qualify for FMLA.
