

Hues & Harmony

2023

Celebration of music & visual arts during the month of March

Please join us for Hampton Township School District's Hues and Harmony celebration highlighting our fantastic arts programming!

Coinciding with Music in our Schools Month and Youth Art Month, this year's event will showcase and promote the District's March concerts and elementary fine arts programming.

There will be five concerts open to the public throughout March, and the District's elementary fine arts program will be featured for families during Central, Poff, and Wyland Elementary Schools' Spring Open Houses.
