

LEUKEMIA &
LYMPHOMA
SOCIETY®

STUDENT
VISIONARIES
OF THE YEAR™

Dear Troy Community,

Hello, please allow us to introduce ourselves and tell you a little about what we are trying to do in our community. Our names are Tyler Malott and Abbey Seger and we are juniors at Troy High School. We are honored and excited to be included in the Dayton Student Visionaries program working with LLS, the Leukemia and Lymphoma Society, to raise money and awareness for leukemia. On average, someone is diagnosed with cancer every 3 minutes in the US. In the time it takes to read this letter, someone will receive this devastating news. We want to be a small part of helping that person.

Starting **February 9, 2023**, we have 7 weeks to raise funds for our LLS Student Visionaries campaign. We have been working on our campaign for several months and are passionate about helping LLS in their mission. LLS is a non-profit organization which works tirelessly to cure blood cancers and advocate for access to better treatments for patients, specifically less toxic treatments for children. Our fundraising efforts will help make a direct, positive impact on the patients and families in our community.

We hope you will consider sponsoring us for this great cause. No donation is too big or too small. We would love the opportunity to tell you more about what we are doing, including some of our efforts which are not fundraising. We hope to hear back from you, our contact information is listed below. Thank you for taking the time to read our letter and assist us as we work on our leadership skills and strive to become better citizens within our community. We have enjoyed meeting and speaking to local business owners and community leaders during this process and would appreciate the opportunity to meet you as well, or to send you additional information.

Sincerely,
Tyler Malott & Abbey Seger
