

*Columbia Falls School District 6
Columbia Falls, Montana*

The Columbia Falls School District 6, historically, has been seen as a state leader in instruction, innovation, and a broad offering of programs to meet the needs of the community's children. As always, the district continues to improve its delivery of instruction through continuous improvement. Two main areas of focus center on the improvement of technology for instruction in the district as well as learning about the social and emotional needs of students. Addressing these needs has been essential for learning success, and all staff has been trained to assist students in focusing on learning. The Columbia Falls School community seeks to provide an engaging, supportive learning environment where every child feels safe and secure and can grow both emotionally and academically.

The Columbia Falls School District 6, covers a large portion of northern Flathead County which includes the western gateway to Glacier National Park. The beauty of the area is filled with mountain and valley vistas, winding rivers, natural lakes, and much more.

The School Board of trustees prefers a candidate with superintendency or executive-level experience. The base salary will be \$140,000 with a comprehensive benefits package. The final salary will be determined based on the candidate's experience and alignment with the Board's top-valued traits.
