(We will do our best to accommodate preferences, but may need to make an alternate placement due to availability)

_____ **ESSENTIAL ELEMENTS (Mrs. Gardner)**

As a peer tutor for Essential Elements, you may be helping in the classroom with math, reading, writing, history, science or social skills. Going outside of the classroom, you may be helping students in theatre, choir, PE or CCA. A peer tutor is especially important to being a friend and good example to the students in Essential Elements. The students enjoy being able to be with other students not in their class.

_____ **ASC (Mr. Mcewan)**

The Academic, Social, Communication (ASC) program is tailored to the students with mild/moderate disabilities and their ability to attend general education classes. You will help these students in those classes by sitting next to them and helping and/or encouraging them to work on their regular assignments. You will spend most of the time out in regular classes with the student you are assigned to help. You do not have to be proficient in the subject area of the class you are helping in, but we hope that you have a great desire to help others help themselves. You will be given training to help you succeed in the work that you do.

Please write a **Brief Statement** as to why you are interested in applying to be a Peer Tutor:

This class is for one semester only. Which semester elective are you willing to drop if selected for Peer Tutor? *(Your counselor will choose for you if you do not provide options.)*
