

The purpose of the Community Advisory Committee (CAC) is to establish a local forum to activate parent and community involvement in the provision of special education within the Special Education Local Plan Area (SELPA). The CAC advises the Special Education Local Plan Area (SELPA) on the development, review, and implementation of the Local Plan. The State Education Code mandates that each SELPA must have a CAC and that a majority of the CAC members be parents.

Our Mission:

- Enhance the education for all students with disabilities
- Increase understanding of Special Education issues.
- Build the advocacy skills of our family/caregiver-community through education and support.
