### **Bike Rules:**

- Riders must be at least 10 years old.
- All bicycles must be parked at the rack.
- All bicycles must be walked onto and off of school grounds.
- Every bike is recommended to have a lock. This is the best means of preventing someone from stealing your bike. Thoreau Elementary is not responsible for lost or stolen items.
- Ride in a straight line. Do not weave in or out of traffic or swerve from side to side.
- Both hands need to be used in steering your bike.
- Make sure your brakes are working properly.
- Give pedestrians the right of way.
- Bike helmets are highly recommended.
- Always ride safe!

### **A Note to Parents/Guardians:**

Thoreau Elementary requires that each bicycle owner complete an applicant for permission to ride his/her bike to school. Bicycle riders are required to obey a list of rules published in this application. It is our hope that you work with your child in seeing that these rules are obeyed. We encourage bike riding as long as it is done safely. We reserve the right to withdraw a student's privilege of riding their bike to school if they do not obey the rules. By signing this form, you give permission for your student to ride their bike to school-and have read and understand the rules.
