WHAT IS COSSA AND WHAT DOES THE LEVY PAY FOR?

Career and Technical Education

* Current CTE classes that Parma students can participate in at COSSA includes:

- * Auto Mechanic
- * Diesel Mechanic
- * Culinary Arts
- * EMT
- * Law Enforcement
- * CNA
- * Welding
- * Pharmacy

Special Education

All current Special Education certified and classified staff are provided through the COSSA consortium.

Special Programs—There are several programs that Parma sends students to that we would have to incorporate into our schools if not for the COSSA consortium. These programs include:

- * Elementary TLC
- * Middle School TLC—Marsing
- * High School TLC—Wilder
- * High School Extended Resource Room—COSSA
- * Special Day program for high need disability students—Wilder

TLC Stands for Therapeutic Learning Center

Without COSSA, we would have to provide each program. Each program would need a certified teacher and paraprofessional.

Alternative and Summer School

COSSA Academy Alternative Jr/Sr High

- * Alternative schools are designed to educate students who have not been successful in regular schools, often because of behavior, disciplinary, attendance, and/or failing grades.

COSSA Summer School Credit Recovery

- * Summer school credit recovery allows Parma students to make up classes they have failed at Parma High School. COSSA also has a middle school summer school for students who have failed to show the required growth to advance to the next grade level.
