Spring Into Kindergarten

A special event for our 2023-2024 kindergarten students

What happens at Spring Into Kindergarten.... A whole lot of fun!

Incoming kindergarten students and parents will work through several activity centers designed to better prepare your child for kindergarten in the fall. You will experience new strategies to use with your child over the summer to help them with Language Arts, Math, Fine Motor, and Social Skills.

(We're asking that only the incoming kindergarten student and parent/caregivers attend this event.)
