Executive Director Board Report – February 2023 Meeting

Strategic Initiatives Update

Expectation: Share information about ongoing implementation of initiatives in support of The Academy's 5-year Strategic Plan.

Principals presented their 2022-23 Annual Work Plans to the Board at the July Retreat. The Board finalized the 2022-23 Bi-Annual Scorecard at the August meeting. Principals then presented on their beginning-of-year data at the October Special Meeting. Principals presented on mid-year progress to the SACademic Committee earlier in February and will present a similar update to the Board at this month's meeting.

Futures Committee Update

Expectation: Share information about ongoing implementation development of a Facilities Master Plan.

In November, we formalized our partnership with JHL Constructors to support the completion of our Facilities Master Plan. The JHL team then conducted a more complete site evaluation along with pricing exercises to contribute to a more detailed final draft of the Master Plan. JHL presented the initial results of that work to the Executive Director and COO for feedback last week.

Our next step is to work with HCM Architects to use the information provided by JHL to create a final draft of the Master Plan. We expect that work to happen over the next month, at which time we will hold a concluding meeting with the Futures Committee. After that major step, we will begin thinking more concretely about how to move forward with implementing the plan, including strategies for financing the projects included and sharing the Master Plan with The Academy community.

Report sent out in advance. It was noted that:

- Bingo revenue returning to more regular levels with a 44K deposit.
- Range of revenue landed in 3900 lines e.g. MLE, IDEA, Read Act, Nurse grant, Food reimbursement.
- Salaries and Benefits are under budget due to unfilled positions.
- Seasonal costs increasing e.g. snow clearance, graduation etc.
- Supply chain assistance grant increased to 97K from 38K.

CARS Report Review (10 minutes)

Expectation: COO to highlight 21/22 CARS report from CSI and discuss position.

refinance process of 2020 significant also. We are currently waiting on an updated report from

The Journey Starts Here...

CSI after some errors in the historical data were found. This would make the document more usable and concrete as a reference tool in the future.

Legislative Updates (10 minutes)

Expectation: COO to update committee on status of legislative session and potential impacts. Review current 23/24 salary investment projections in conjunction with legislative outlook. There are currently no further updates to the Governor's proposed budget of:

- Additional 3M requested for MLE fund (now 10M total)
- Takes MLE fund from 17M to 27M (approx. \$597 pp.)
- 9% PPR increase proposed (approx. \$846 pp.)

Approximately, the increases listed above could equate into over 2.5M additional revenue for The Academy moving into 23/24 (~1.1M from the MLE proposal and ~1.5M for PPR). In light of the optimistic legislative tone, significant work has been completed ahead of our usual timeline on staffing structures and FTE count for next year as well as scenario budget planning for 23/24. This is to align with our strategic push ahead of hiring season to ensure we are as clear and aggressive as possible to potential candidates with our salary offers.

Fundraising Update (5 minutes)

Expectation: COO to inform committee of elementary fundraising update. Outline and background was provided of the Boosterthon fundraising campaign that is being undertaken by K-5 in early March. A Boosterthon overview as well as details of the Glow Run event was shared. The goal is 75K to help support technology needs e.g. Smartboards in elementary classrooms. Potential expansion into middle school grades next year was discussed as an option. More to debrief on as the event gets underway.

Self-Evaluation (5 minutes)

Expectation: Finance Committee members have the opportunity to provide feedback to COO to improve the processes and meeting efficiency moving forward. Committee self-rated at 4.

Next Meeting: 16 Mar., 2023
