WE ARE COLLECTING

Pillows, Pots & Pans FOR PURIM

Benefitting Community Warehouse

In the spirit of the Purim tradition of *Matanot L'evyonim*—giving gifts to those in need—we are collecting **new sleeping pillows** and **new/gently used pots and pans** for **Community Warehouse**.

PJA and the MJCC are proud supporters of **Community Warehouse** which provides donated furniture and household items to neighbors seeking the comfort and dignity of a furnished home while overcoming adversity. Learn about the many ways you can help others make their house a home: communitywarehouse.org.

Drop off items in the PJA or MJCC Lobby
through Friday, March 31.
