

# Family Connection from Naviance

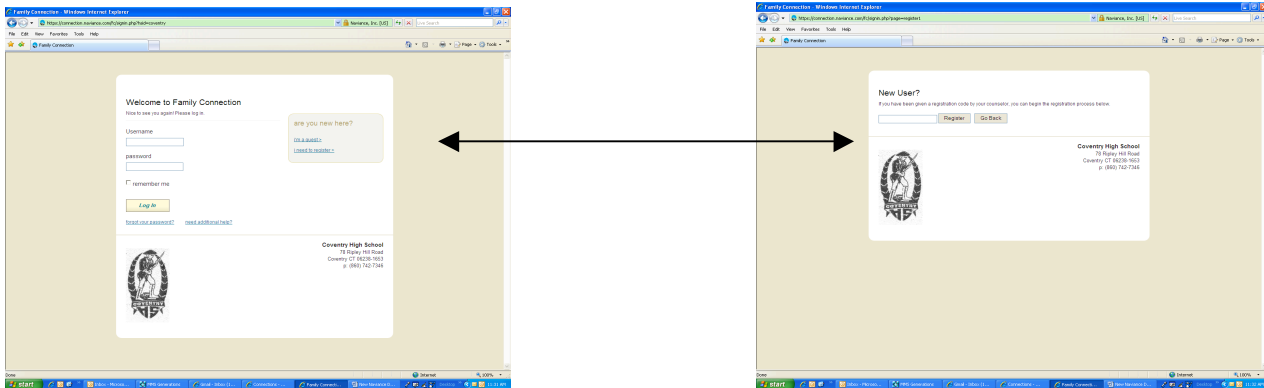

Coventry High School is pleased to introduce Family Connection from Naviance, a web-based service designed especially for students and parents. Family Connection is a comprehensive web site that you can use to help in making decisions about colleges and careers. Family Connection is a service that we use in the School Counseling Department to track and analyze data about our student's college and career plans. Family Connection will allow you to:

- Get involved in the planning and advising process - Build a resume, complete on-line surveys, and manage timelines and deadlines for making decisions about colleges and careers.
- Research colleges - Compare GPA, standardized test scores, and other statistics to actual historical data from students who have already applied from our high school.
- Sign up for college visits - Find out which colleges are visiting our school and sign up to attend those sessions.
