

SCHOOLGY PARENT PORTAL

Dear Parents/Guardians of <Student Name>,

Chester Community Charter School is pleased to announce that Schoology, our learning management system, is now open for parent access. With this free parent access, you will be able to see all assignments for your child[ren], grades for all quarters, announcements from teachers/administrators, and be able to communicate with your child[ren]'s teacher[s]. Grades are updated by teachers on a weekly basis and may not reflect the current day's assignments. Please allow one week for Schoology Courses to reflect updated and graded assignments.

You will be able to sign up for Schoology Parent Access following the directions provided through the QR Code/bitly below. For parents with multiple students, you will be able to add access to all of your students' accounts into your account.
