

WHERE ARE THEY NOW???

Andy Hunter

Andy Hunter graduated from Rabun County High School with the class of 1972.

While attending Rabun County High School, Mr. Hunter began working at Mason's Supermarket part-time in the evenings after school. Upon his graduation, he began working full-time at Mason's Supermarket while also completing a few other side jobs like grass cutting.

In 1974, Andy married his wife and, together, they raised three children. In 1984, Andy decided to purchase Mason's Supermarket and upon becoming the owner he renamed the store to Andy's Market. He has been the owner/operator of the Market for almost forty years!!!

Mr. Hunter believes one of his greatest achievements is surviving for thirty-nine years as a small, independent store. Another of his greatest achievements is that he and his wife have been able to send all three of their children to college and see each one graduate. He also is proud of the fact that he has been able to remain in Rabun County and make a living for his family where he was born and raised.

Mr. Hunter had a few words of wisdom for students currently attending Rabun County High School:

- "Be content with the state you are in. Don't be in such a hurry to achieve everything right now, that you hinder yourself from advancing forward."
- "Success doesn't happen immediately. Keep working for what you want."
