Request for Overnight Field Trip

To authorize overnight field trip approval, each section of this cover sheet must be filled out **in detail along with accompanying documents** (Itinerary, permission slip, forms, etc.). Failure to complete this cover sheet and provide thorough documentation will result in the packet being returned without making it onto a board agenda thus delaying and jeopardizing potential approval. *At no point should there be any parent or student meeting(s) nor money collected prior to this form reaching board approval, unless there is preapproval by the Superintendent.* Should you have questions regarding proper completion of the forms, please see your immediate supervisor for assistance.

Name of Group/Club (building/grade level):

CA Music Department – Grades 9-12
 Choirs
 Bands
 Orchestras

Destination:

Cincinnati, Ohio and Nashville, Tennessee

Departure Date and Approximate Time:

Thursday, March 30, 2023 @ 6:00 AM

Return Date and Approximate Time:

Late Sunday night, April 2, 2023 or early morning Monday, April 3, 2023 – TBD with bus company

Number of Students Expected to Attend:

150-175. The last time that we traveled was in 2016, at which time we traveled with a total of 177 people, this number includes chaperones. We are asking for commitments by October 3, 2022, at which point we will have a better idea of the actual numbers involved.

Number of Chaperones (also detail how students will be supervised 24 hours / day):

The CA Music department will aim for a 10:1 chaperone to student ratio. Student rooms are assigned a specific adult chaperone for all events that include flexible walking options. Assigned chaperones are in control of room checks, taping rooms, and confirming room cleanliness, student's scheduling, etc...

We are exploring the costs of overnight security supervision to include rovers. These details have not yet been confirmed.

Cost per Student (costs should include an Itemized and realistic summary of travel, hotel, meals, and admission, etc. - include fundraising opportunities and arrangements made for those who cannot afford the trip as well):

Students and families have been presented with a maximum trip cost of \$700. The final price may go down. This is a mere \$25 more than the trip we cancelled in 2020. A residual amount of money from the 2020 trip is driving down the actual cost. As we all know, costs have skyrocketed.

There are multiple components of this trip, some of which are included in a "package price" from Worldstrides Onstage, while others we are adding a-la carte through independent vendor contracts. Other costs will flex because the price of them changes depending upon how many people actually go

Request for Overnight Field Trip

Overview

This process is intended to provide adequate information for necessary approvals and better timeframes for the advisors to plan and commit funds for the group / club involved. The process for BoE approval of overnight field trips involves two separate approvals. Failure to complete all approval documentations and meet all approval deadlines risks the trip being declined and therefore not approved.

1. Initial Approval (Planning)

- a. Submit Cover Sheet (*attached*) with all available information completed to the building Principal. Include any information available whether it is incomplete or not. The more information provided, the fewer questions asked. This should occur at or near the initial discussions of a possible trip, typically, at least 6/8 months before the trip dates. Where appropriate, requests for approval for recurring field trips can be submitted 8 weeks prior to departure but prior to any student/parent commitments.
- b. Principal or Athletic Director reviews/approves and forwards to Director of Transportation.
- c. The Director of Transportation reviews/signs and forwards to the Assistant Superintendent for Instruction (ASI) for review and approval.
- d. ASI forwards to Superintendent for review and approval as a recommendation to the BOE.
- e. BOE approves – this approval is with the knowledge that further planning and arrangements need to be made. This includes initial deposits. If deposits are over \$500, Superintendent approval is required.
- f. No fund raising specific to the overnight trip shall begin until initial approval has been given by the BOE.
- g. It is understood that athletic tournaments pose a challenge in respect to time lines. When this occurs, the Athletic Director will speak with the Superintendent prior to submission of paperwork.

2. Final Approval

- a. Submit completed cover sheet with all checklist items addressed and sample items attached. Complete chaperone lists and itineraries are required. The original packet should be used and submitted no later than one month prior to the trip. This submission goes to Principal or Athletic Director, then to the Director of Transportation, then ASI and Superintendent.
- b. Principal or Athletic Director, ASI and Superintendent will provide feedback on questions. Once acceptable, Superintendent will forward to BOE with recommendation to approve. Any significant changes to the itinerary, chaperone list and/or safety considerations, must be communicated to the building Principal as soon as possible.
- c. BOE approval – this is the final approval and allows for all other applicable deposits/payments to be made. There may be more information needed prior to final approval.
- d. Approval trips will be cc'd to Transportation and Food Service Directors.

3. Overnight Field Trip Procedures

- a. Student and parent signature required for rules/regulations documents.
- b. Parent meetings shall be held prior to the overnight field trip. The employee in charge of the field trip shall contact parents who do not attend by telephone to ensure an understanding of responsibilities.
- c. Director of Transportation shall be contacted to affirm the appropriateness of transportation secured, including but not limited to reviewing paperwork from the transportation company.
- d. Student luggage shall be searched prior to departure for an overnight field trip. Procedure for doing so should be outlined and submitted to the building principal.

on the trip. The numbers are perhaps best illustrated in a spreadsheet that we have setup that automatically recalculates the total trip cost based upon a number of different factors that may change while we plan.

We are again offering a discounted trip price to parent chaperones of \$600.

In the space provided below, please detail your trip and how it connects to your content area, program or activity. Include the educational outcomes students will gain from the experience:

This student experience has the potential to support our department's mission and outcomes:

Canandaigua Music Educators will lead and inspire students to fulfill their academic and creative potential through music.

As a result of their participation in the Canandaigua Music program, students will independently:

- *Engage in lifelong musical experiences, alone or with others.*
- *Create music within a variety of contexts and for varying purposes.*
- *Analyze, respond, and discuss live or recorded music in a meaningful way.*
- *Perform as individuals or within a group.*

It has been since April 2016 that the major ensembles of the CA Music Department have traveled together to an external adjudication. The last experience was to Virginia Beach, a site that we traveled to almost annually for about 15 years.

While this experience has the potential to be competitive in nature, the department is most committed to preparing and designing an educational experience that is in-line with our departmental philosophy of encouraging life-long music makers and participants.

Historically, the non-music education outcomes of this experience have been equally valuable to our students. Past graduates have shared that these experiences were very meaningful in their time at CA, standing out as fun and meaningful learning opportunities.

The interpersonal department dynamics and social commitment to music making have the potential to realize important student growth both in and out of the classroom.

When music students experience this type of connection to their peers, they play music with a heightened connection to the music and ultimately share in a more meaningful experience. Opportunities like this may transcend the music classroom and performance environment.

ORIGINAL PACKET

For students attending the trip, fundraiser profits will directly benefit individual trip accounts. For students wishing to fundraise but not attend the trip, the profits will serve the entire department.

The total student cost for this trip is \$700 and can be paid for on the following timeline:

1. Commitment and Deposit 1 - \$100 - October 3, 2022
2. Deposit 2 - \$300 - November 2, 2022
3. Final Deposit 3 - \$300 - March 2, 2023

Chaperones are needed for this trip. We would like to travel with a 10:1 student adult ratio and help will be needed in this area. The cost for chaperones will be \$600, which can be paid for on the same schedule, with the third payment amount being less.

Individualized trip accounts will be kept for every student and chaperone. Statements will be sent out after each fundraiser. All checks can be made payable to the CA Music Department.

If you are concerned that the cost of this trip is prohibitive, please let any Music teacher know immediately, we want to help. We will plan together to make this an affordable reality for any student wishing to attend, no matter their financial means. Students who anticipate needing financial assistance must let a Music teacher know by October 3 or sooner. Students expecting financial assistance absolutely must show that efforts have been made to fundraise. Many students have fundraised the cost of their entire trip in the past.

If you have any questions at all, please do not hesitate to ask a CA Music teacher.

Interested in volunteering with fundraisers or department activities? <http://bit.ly/HelpCAMusic>

If you would like to recommend/coordinate an additional fundraiser that would serve all Music students, feel free to contact lead teacher Greg Kane kaneg@canandalguaschools.org

We are looking forward to an incredible year of making Music, and making memories too.

Behavior Expectations/Monitoring Guidelines

This trip is a school sponsored activity provided for you by the Board of Education, your family—and through your own effort and cooperation. Its intent is that of an enjoyable, educational, cultural, and social event free from distractions and stresses caused by negative behavioral situations. All school rules are in effect at all times. Violators will be disciplined through standard district channels upon return to Canandaigua. Immediate and necessary action will be handled by administrators while on the trip. In severe cases parents will be notified that a serious violation has occurred, and the student involved will be transported home immediately by a parent, at the parent's expense.

It is assumed by your participation in this trip that you agree to the following:

- To refrain from the use of alcohol, tobacco, controlled substances, and any form of illegal and/or illicit substances. Violations will carry severe consequences including police action if necessary. Similarly, any attempt at shoplifting or thievery at any location will involve the police.
- If the use of illegal and/or illicit drugs or alcohol is suspected, the chaperones and a building administrator will IMMEDIATELY confront the student(s). The administrator will call parents and local police.
- It will be each parent's responsibility to provide immediate transportation home for their child if he/she is found in violation of the school's alcohol, drug, weapons, or thievery/vandalism policy.
- There will be no smoking or burning of incense/candles in hotel rooms.
- Students are ONLY allowed in their assigned hotel room. If a student is in another student's hotel room, the door must be WIDE OPEN AT ALL TIMES.
- To respond immediately and with due respect to directives issued by the chaperones, tour guides, bus drivers, hotel and restaurant personnel, and any others in authority.
- To adhere to the itinerary sites as a group, with the understanding that "side trips" on your own are not allowed. No one is to walk or take any public or private transportation to any other location for any reason. Your whereabouts must be known by the trip chaperones at all times.
- To strictly adhere to all announced time schedules, including all meeting times and locations and curfews. Once "lights out" time occurs at the hotel, no one is to leave his or her assigned room until the next morning.
- To conduct yourself in an adult fashion at all times. You are representing your family and your school, as well as yourself. Immature behavior of any type will be immediately halted, and students involved will be reprimanded. You will be expected to dress and conduct yourself with dignity and class at all times. Loud, raucous, disruptive, or distracting behavior will not be allowed.
- To show respect for others and the property of others - students, chaperones, hosts at attractions, and at the hotel restaurants and other locations we will be visiting.
- To feel confident to report any complaints or problems to the appropriate chaperone(s).
- At no time will students be allowed to sleep in areas other than those assigned.
- Visits by local family members are to be pre-arranged and PRECEDED with a note from your parent.
- Visits by local friends are specifically not allowed.
- Students will be taped into their hotel rooms each night.

We are all responsible for making this a safe trip that is totally incident-free so that we can continue to build on this kind of activity in the future.

CANANDAIGUA Nashville Trip

PARENT/STUDENT CONTRACT TO BE READ, SIGNED and RETURNED

1. Drugs, Alcohol and Tobacco

The students of Canandaigua Music Department must follow the policy concerning the possession and use of drugs, alcohol and tobacco. At no time during the trip, from the time we depart Canandaigua on March 30, 2023 and return to Canandaigua on April 3, 2023 are students to be in the possession of and/or using illegal and/or illicit drugs, alcohol or tobacco products (including smokeless tobacco products). Violation of this rule will result in a call home, disciplinary action upon returning to Canandaigua, and the loss of the right to participate in senior year activities for the remainder of the year (i.e. senior ball, possibly graduation ceremony). In the case of drug possession and use, we will notify the local authorities. Be aware that violation of the drug, alcohol, and tobacco contract will have training rule implications. As mentioned several times already, the trip will be immediately cancelled for violation of the school's drug, alcohol, weapons, or thievery/vandalism policy and an immediate parent-accompanied return home will take place.

2. Being on Time

Many of the activities planned while on this trip involve appointments and reservations that have been made months in advance. Therefore, it is very important that everyone is punctual. The necessary times and meeting points will be indicated to you each day; it is your responsibility to be on time.

3. Body piercing/tattooing

Students are NOT allowed to have any part of their bodies pierced or tattooed while on this trip. Both of our destination cities are large and there is the potential for contracting a communicable disease if one engages in an activity such as piercing or tattooing, as there is no way to be sure if the equipment used is properly sterilized. We would also have no way of knowing or keeping track of whether or not the student had parental permission; therefore it will NOT be allowed.

4. Free Time

The trip we have planned for students allows for some free time. Students must stay together in groups of at least three people (with at least one person with a cell phone) for their own safety and must remain in the areas designated by the chaperones and tour guides. You may not fully appreciate how large our destination cities are and how quickly the potential for problems may arise if you are not cautious. We want this to be a fantastic experience, as it has been the past, and therefore you must act responsibly.

5. Curfew

Each night you will be given a curfew which will be based on the next day's activities. Upon returning to the hotel there will be time to socialize, etc. Students must be in their rooms before curfew. At designated times, chaperones will do room checks. All persons assigned to the room must be in that room for room check. Once the room is checked, the chaperones will place a small piece of masking tape over one corner of the door. The door must then remain shut and students in their room until the next morning. We do not do this because we mistrust the students. It is done in the hopes of removing any temptation to wander around at night. We take our responsibility for your safety seriously.

6. Serious Infractions of Any of the Rules

ORIGINAL PACKET

If you violate any of the above rules/regulations, causing a serious situation, or if you continuously and willfully violate any of the above, you will be sent home with your parent at their expense. The chaperones and tour director will make this decision in consultation with school district officials. You will also face school consequences as a result.

7. Theft and Loss of Personal Items

At no time is The Canandaigua City School District, The Canandaigua Music Department, WorldStrides Onstage, or the motor coach company responsible for the theft or loss of personal items.

8. Parent/Guardian Signature

General Trip Tips

1. Never give out your hotel name or room number to strangers!
 2. You will pay for services charged to your room (i.e. long distance phone calls, room service, movies, etc.)
 3. Housekeeping staff will take money left out in your room. He/She will think it is a tip. So unless it is intended as a tip, keep it on you at all times.
 4. Valuables should either be left at home or be kept in the *hotel safe*. If lost or stolen, we are not responsible.
 5. Do not venture out on your own!
 6. You **MUST ALWAYS** travel **WITH A CHAPERONE** or **BUDDY!**
 7. You may bring an I-Pod or personal music device, but you cannot bring anything with open speakers. Remember -- you bring these items at your own risk. We will take no responsibility if they are lost or stolen.
 8. Keep the bus and plane neat and clean at all times. Continually police your own area!
 9. **PACK:**
 - One suitcase for under the bus.
 - One small soft carry-on bag to keep with you on the bus, consider bringing along a pillow and blanket.
 - Bring appropriate clothing for the trip.
 - A cell phone or watch. It is critical that you are always **ON TIME!**
 - **Bring snacks and a breakfast/lunch for the first leg of the bus trip. You may not bring opened drinks, but you may bring wrapped snacks, like granola bars and such, and unopened containers to drink.**
 10. Budget money for:
 - Souvenirs
 11. Be sure to represent yourself, school, parents, community, chaperone, etc. in a positive light.
 12. The school rules, as clearly written in your student agenda and throughout this packet, will be in effect for the entire trip.
-
13. Inappropriate items purchased on this trip will be confiscated and returned to you only when your parents pick you up.

Chaperone Responsibilities

THE FOLLOWING IS A LIST OF CHAPERONE RESPONSIBILITIES

KEEP IN MIND THE FOLLOWING:

1. Have the students keep all areas neat and clean at all times.
2. Certain foods are okay on the bus, but students need to be considerate of others.
3. Students need to remember to respect others in terms of noise levels.
4. Personal music devices (mp3 players) are acceptable; however, *no open speakers are permitted*.

BE SURE THAT STUDENTS ASSIGNED TO YOU ARE ON THE BUS EVERY TIME WE DEPART.

1. In addition to taking role call at designated areas and times, you should also remain in contact with your group at all times.

INFORM ADVISOR OF ANY SEVERE PROBLEMS AS SOON AS POSSIBLE.

1. The advisor may suggest ways for you to handle the problem or may opt to handle it him/herself

BE AVAILABLE FOR CHAPERONE MEETINGS AT ANY OR ALL OF THE FOLLOWING:

1. Immediately after attendance is taken on each bus
2. Upon arrival to each location- before students are allowed to unload
3. Every organized meal
4. After curfew
5. Other times as necessary

ENFORCE THE SCHOOL RULES

Please read the school rules and become familiar with them. As chaperones we set the tone for the entire trip, not only with our attitude and disciplinary style, but also with our actions and words. As chaperones, we all assume the responsibility of being a role model.

One item that we would like to call to your attention is the school rule regarding the use of tobacco and alcohol. As adults, we have the freedom to make personal choices about the consumption of these products, but as *leaders* of young adults we are models of healthy choices. Whether your personal philosophy advocates the use of these products or not, you should not be seen smoking nor should you consume alcohol at any time!

We are each parent's proxy on this trip. A mishandled "chaperone - student" situation can easily be attributed to an error in judgment.

Letter from School Nurses Regarding Medication

To: Parents/Guardians of students attending trip to March 8-10 2023

From: Marcia Jewel, Canandaigua Academy

Re: Medication for DECA State Career Conference and Competition

The guidelines for students taking prescription and non-prescription drugs on the trip are as follows:

- **All medications** require a Health Care Provider's order for each medication. Parents/Guardians must bring the medication in to the School Nurse by March 6, 2023
- Parents/Guardians need to sign the health information sheet.
- Medication **must be** in the prescription/original bottle, clearly labeled with the dose and the time of administration.
- The students may self-carry and administer inhalers, epi-pens, birth control pills and diabetic supplies as long as they have a record of this on file in the nurses' office for this school year.
- Students will be allowed to carry non-prescription medication (over the counter) if they already have a health care provider note on file. Furthermore, they will only be allowed to carry enough for the 2 Day Trip. They should **not** have a bottle with 50 or more.
- Prescribed medications will be given by a medical practitioner/chaperone traveling with the group.
- The School Nurse will provide the medical practitioner/chaperone with all appropriate information.
- Mouthwash is not permitted on the trip.

Behavior Expectations/Monitoring Guidelines

This trip is a school sponsored activity provided for you by the Board of Education, your family—and through your own effort and cooperation. Its intent is that of an enjoyable, educational, cultural, and social event free from distractions and stresses caused by negative behavioral situations. All school rules are in effect at all times. Violators will be disciplined through standard district channels upon return to Canandaigua. Immediate and necessary action will be handled by administrators while on the trip. In severe cases parents will be notified that a serious violation has occurred, and the student involved will be transported home immediately **by a parent, at the parent's expense.**

It is assumed by your participation in this trip that you agree to the following:

- To refrain from the use of alcohol, tobacco, controlled substances, and any form of illegal and/or illicit substances. Violations will carry severe consequences **including police action** if necessary. Similarly, any attempt at shoplifting or theft at any location will involve the police.
- If the use of illegal and/or illicit drugs or alcohol is suspected, the chaperones and a building administrator will **IMMEDIATELY** confront the student(s). The administrator will call parents and local police.
- **It will be each parent's responsibility to provide immediate transportation home for their child if he/she is found in violation of the school's alcohol, drug, weapons, or theft/vandalism policy.**
- Students are required to abide by any trip safety plan including COVID requirements and local authority and host requirements.
- There will be no smoking or burning of incense/candles in hotel rooms.
- Students are **ONLY** allowed in their assigned hotel room. If a student is in another student's hotel room, the door must be **WIDE OPEN AT ALL TIMES.**
- To respond immediately and with due respect to directives issued by the chaperones, tour guides, bus drivers, hotel and restaurant personnel, and any others in authority.
- To adhere to the itinerary sites as a group, with the understanding that **"side trips" on your own are not allowed.** No one is to walk or take any public or private transportation to any other location for any reason. Your whereabouts must be known by the trip chaperones at all times.
- To strictly adhere to all announced time schedules, including all meeting times and locations and curfews. Once "lights out" time occurs at the hotel, no one is to leave his or her assigned room until the next morning.
- To conduct yourself in an adult fashion at all times. You are representing your family and your school, as well as yourself. Immature behavior of **any type** will be immediately halted, and students involved will be reprimanded. You will be expected to dress and conduct yourself with dignity and class at all times. Loud, raucous, disruptive, or distracting behavior will not be allowed.
- To show respect for others and the property of others - students, chaperones, hosts at attractions, and at the hotel restaurants and other locations we will be visiting.
- To feel confident to report any complaints or problems to the appropriate chaperone(s).
- At no time will students be allowed to sleep in areas other than those assigned.
- Visits by local family members are to be pre-arranged and **PRECEDED** with a note from your parent.
- Visits by local friends are specifically **not** allowed.
- Students will be taped into their hotel rooms each night.

We are all responsible for making this a safe trip that is totally incident-free so that we can continue to build on this kind of activity in the future.

Trip

PARENT/STUDENT CONTRACT TO BE READ, SIGNED and RETURNED

1. Drugs, Alcohol and Tobacco

The students of Canandaigua DECA must follow the policy concerning the possession and use of drugs, alcohol and tobacco. At no time during the trip, from the time we depart Canandaigua on March 8, 2023 and return to Canandaigua on March 10, 2023 are students to be in the possession of and/or using illegal and/or illicit drugs, alcohol or tobacco products (including smokeless tobacco products). Violation of this rule will result in a call home, disciplinary action upon returning to Canandaigua, and the loss of the right to participate in senior year activities for the remainder of the year (i.e. senior ball, possibly graduation ceremony). In the case of drug possession and use, we will notify the local authorities. Be aware that violation of the drug, alcohol, and tobacco contract will have training rule implications. As mentioned several times already, the trip will be immediately cancelled for violation of the school's drug, alcohol, weapons, or thievery/vandalism policy and an immediate parent-accompanied return home will take place.

2. Being on Time

Many of the activities planned while in DECA involve appointments and reservations that have been made months in advance. Therefore, it is very important that everyone is punctual. The necessary times and meeting points will be indicated to you each day; it is your responsibility to be on time.

3. Body piercing/tattooing

Students are NOT allowed to have any part of their bodies pierced or tattooed while on this trip. Rochester, NY is a large city with the potential for contracting a communicable disease if one engages in an activity such as piercing or tattooing, as there is no way to be sure if the equipment used is properly sterilized. We would also have no way of knowing or keeping track of whether or not the student had parental permission; therefore it will NOT be allowed.

4. Free Time

The trip we have planned for students in DECA allows for very little free time. Students must stay together in groups of at least three people (with at least one person with a cell phone) for their own safety and must remain in the areas designated by the chaperones and tour guides. You may not fully appreciate how large DECA is and how quickly the potential for problems may arise if you are not cautious. We want this to be a fantastic experience, as it has been the past, and therefore you must act responsibly.

5. Curfew

Each night you will be given a curfew which will be based on the next day's activities. Upon returning to the hotel there will be time to socialize, etc. Students must be in their rooms before curfew. At designated times, chaperones will do room checks. All persons assigned to the room must be in that room for room check. Once the room is checked, the chaperones will place a small piece of masking tape over one corner of the door. The door must then remain shut and students in their room until the next morning. We do not do this because we mistrust the students. It is done in the hopes of removing any temptation to wander around at night. We take our responsibility for your safety seriously.

6. Serious Infractions of Any of the Rules, Safety Plan or local authority or host requirements

If you violate any of the above rules/regulations, causing a serious situation, or if you continuously and willfully violate any of the above, you will be sent home with your parent at their expense. The chaperones and tour director will make this decision in consultation with school district officials. You will also face school consequences as a result.

7. Theft and Loss of Personal Items

At no time is Canandaigua Central School District, NYDECA, or the motor coach company responsible for the theft or loss of personal items.

General Trip Tips

1. Never give out your hotel name or room number to strangers!
2. You will pay for services charged to your room (i.e. long distance phone calls, room service, movies, etc.)
3. The maid will take money left out in your room. He/She will think it is a tip. So unless it is intended as a tip, keep it on you at all times.
4. Valuables should either be left at home or be kept in the *hotel safe*. If lost or stolen, we are not responsible.
5. Do not venture out on your own!
6. You **MUST ALWAYS** travel **WITH A CHAPERONE** or **BUDDY!**
7. You may bring an I-Pod or personal music device, but you cannot bring anything with open speakers. Remember -- you bring these items **at your own risk**. We will take no responsibility if they are lost or stolen.
8. Keep the bus and plane neat and clean at all times. Continually police your own area!
9. **PACK:**
 - One suitcase for under the bus.
 - One very small soft carry-on bag to keep with you on the bus, along with a pillow and blanket.
 - Bring appropriate clothing for the trip.
 - A cell phone or watch. It is critical that you are always **ON TIME!**
 - **Bring some snacks for the way down on the bus. You may not bring opened drinks, but you may bring wrapped snacks, like granola bars and such, and unopened containers to drink.**
10. Budget money for:
 - Lunch each day of competition
 - Snack throughout the day
 - Souvenirs
11. Be sure to represent yourself, school, parents, community, chaperone, etc. in a positive light.
12. The school rules, as clearly written in your student agenda and throughout this packet, will be in effect for the entire trip.
13. Inappropriate items purchased on this trip will be confiscated and returned to you only when your parents pick you up.

Chaperone Responsibilities

THE FOLLOWING IS A LIST OF CHAPERONE RESPONSIBILITIES

KEEP IN MIND THE FOLLOWING:

1. Have the students keep all areas neat and clean at all times.
2. Certain foods are okay on the bus, but students need to be considerate of others.
3. Students need to remember to respect others in terms of noise levels.
4. Personal music devices (mp3 players) are acceptable; however, *no open speakers are permitted*.

BE SURE THAT STUDENTS ASSIGNED TO YOU ARE ON THE BUS EVERY TIME WE DEPART.

1. In addition to taking role call at designated areas and times, you should also remain in contact with your group at all times.

INFORM ADVISOR OF ANY SEVERE PROBLEMS AS SOON AS POSSIBLE.

1. The advisor may suggest ways for you to handle the problem or may opt to handle it him/herself

BE AVAILABLE FOR CHAPERONE MEETINGS AT ANY OR ALL OF THE FOLLOWING:

1. Immediately after attendance is taken on each bus
2. Upon arrival to each location- before students are allowed to unload
3. Every organized meal
4. After curfew
5. Other times as necessary

ENFORCE THE SCHOOL RULES

Please read the school rules and become familiar with them. As chaperones we set the tone for the entire trip, not only with our attitude and disciplinary style, but also with our actions and words. As chaperones, we all assume the responsibility of being a role model.

One item that we would like to call to your attention is the school rule regarding the use of tobacco and alcohol. As adults, we have the freedom to make personal choices about the consumption of these products, but as *leaders* of young adults we are models of healthy choices. Whether your personal philosophy advocates the use of these products or not, you should not be seen smoking nor should you consume alcohol at any time!

We are each parent's proxy on this trip. A mishandled "chaperone - student" situation can easily be attributed to an error in judgment.

CANCELLATION/LATE FEE POLICY AGREEMENT

Regional Level- all competitive event /registration fees are to be paid, submitted by the due date. Failure on your part to cover your Regional fees will result in your Chapter as being ineligible to compete at the District/Regional level.

State Level-all conference/hotel/competitive event registration as electronically submitted when the registration system closes on January 30, 2022 is considered registered to attend SCC. Chapters **MUST** pay for the number of students they register. There are **NO** exceptions to his policy. If you register 31 individuals, you will be charged for the 31 individuals.

ICDC Level-There are absolutely no hotel refunds/substitutions for ICDC.

CANCELLATION AND CHANGE. Registration and hotel fees will not be dropped or refunded due to cancellation after the close of registration. There will be **NO CANCELLATIONS** allowed after midnight on January 30th. After this date if you have a student drop, you can substitute another student in their place. **This applies only to SCC and Regional Events.**

Inclement weather, sporting events, county playoffs are not justification for a refund due to your cancellation. This applies to any State, Local or International DECA Event. If participants can attend the conference, it will be held. We have signed contracts that we are held to. **It is the individual school districts' decision/determination as to whether they wish to cancel their students. New York DECA will not reimburse any district for their cancellation call.**

WHY: Once registration closes New York DECA commits to orders for food and beverage services, hotel accommodations, busing, security, and pre-purchased conference materials. These are **fixed costs** that New York DECA cannot absorb. Contracts are signed 4 years out, so it is not possible to move the event.

- **Late Fee:** Effective immediately -A **10% late fee** will be assessed for chapters submitting payment after the **due date.**
- Chapters with previous outstanding balances will not be scheduled for SCC nor permitted to roster.
- This additional fee does not apply to students who have been 'bumped up' or added, nor does it apply to additional chaperones or advisors being brought to the conference.

As Chapter Advisor(s) I attest, I have so advised my administration, student participants and parents/guardians of the New York DECA Cancellation /Late Fee Policy.

I/We have read the cancellation policy and understand that there is a **NO REFUND Policy** in place.

New York Code of Conduct

The following is an explanation of the New York DECA Code of Conduct. Education, not punishment, is the primary function of New York DECA. Discipline shall focus on prevention and the establishment of a climate in which individuals are encouraged to be good citizens in school, work, in the community and at New York DECA, DECA and/or National DECA conferences and events.

It is the belief of the Board of Trustees that each individual should be treated as a person who can reasonably be expected to be responsible for his or her own behavior. New York DECA and its Board of Trustees and advisors will assist each individual in this program of personal responsibility with a few sensible rules of conduct, focusing on safety and respect for the rights and property of others. The Code of Conduct will be consistently applied at New York DECA, DECA and National DECA conferences and events. Students who do not accept this responsibility and who violate New York DECA rules will be required to accept the appropriate consequences. New York DECA advisors are to uphold their duties and responsibilities as well, and may be subject to disciplinary action for any misconduct and/or dereliction of duties.

The Board of Trustees recognizes the need to make its expectations for individual conduct while engaged in a New York DECA, DECA, and/or National DECA function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Moreover, delegates shall allow New York DECA to use conference photographs, videos, digital images, recordings and their names for promotional purposes.

A student may be searched when there is reasonable suspicion that the student is engaging in any proscribed activity which is in violation of this Code. New York DECA reserves the right to conduct any other search which is consistent with law, including, but not limited to, random searches, searches of New York DECA property and consent searches. New York DECA property is subject to search at any time and without consent. There is no reasonable expectation of privacy in any New York DECA, DECA and/or National DECA storage area or area being used for storage by New York DECA, DECA and/or National DECA including, but not limited to, desks, computers, offices and tables. An authorized representative of New York DECA shall have the right to question delegates. In addition, an authorized New York DECA official may enter the hotel room of a delegate without permission during a sanctioned New York DECA, DECA, and/or National DECA conference or event requiring an overnight stay for the express purpose of safeguarding the well-being of a delegate where there is reasonable suspicion that the safety and/or well-being of a delegate is being threatened and/or is danger. Where warranted, local law enforcement will be contacted. By signing below, you are hereby acknowledging and consenting to an authorized New York DECA official taking the above action.

Students who are given penalties other than a verbal warning are entitled to have their matter heard before a Code of Conduct Committee ("Conduct Committee") at a time and location determined by the Board of Trustees. A Code of Conduct Committee Hearing may be scheduled to occur immediately after the incident, regardless of the hour, or for a later date and time. The decision as to scheduling is left to the sole discretion of the Code of Conduct Committee, and the student delegate and his/her parents and home school advisor or any other individual, by signing below, hereby expressly consents to such scheduling.

The provisions and procedures set forth at Section 7 of the New York DECA Constitution shall govern the Conduct Committee hearing. Any disciplinary action taken will be firm, fair and consistent. All policies regarding student conduct and discipline shall be uniformly enforced and distributed annually to the students, parents, advisors.

For the purpose of this Code of Conduct:

- A) The term "delegate" shall mean any New York DECA, DECA and/or National DECA member, including advisors and adult chaperones, attending any conference, event and/or function of New York DECA, DECA and/or National DECA.
- B) Individual chapters or delegates violating or ignoring any of the following rules will be dealt with in accordance with the procedures adopted hereunder pursuant to the Constitution and/or Bylaws of New York DECA, and the penalties thereafter. Such penalties will be consistent and appropriate to the violation and points assigned to each violation.
- C) Students found to have violated the New York DECA Code of Conduct may be subject to the following penalties. New York DECA's Board of Trustees, and/or a duly delegated body authorized to act on its behalf, are authorized to impose that penalty. The range of penalties include: (1) verbal warning and/or reprimand; (2) parent, home school and/or home school advisor notification and/or disciplinary referral to home school; (3) probation; (4) sent home from a New York DECA event or function at the student's expense; (5) removal of the delegate's title and/or position within New York DECA; (6) suspension from New York DECA; (7) Restrictive Movement; and/or (8) expulsion. Any individual violating or ignoring any of the rules may be "expelled" from New York DECA, sent home at their own expense or placed on "Restrictive Movement" depending on the decision of the Conduct Committee. "Restrictive Movement" means the delegate will constantly be accompanied by his/her advisor or designated adult chaperone at ALL times, except after curfew when the delegate shall be in his/her room. Chapter advisors will be held accountable for delegate conduct.
- D) In determining the disciplinary action imposed against a student(s), each situation will be considered on a case-by-case basis. Factors, including, but not limited to, the following will be considered: (1) the student's age; (2) the nature of the infraction and the circumstances which led to the infraction; (3) the effectiveness of other forms of discipline; (4) information gleaned from individuals present at the infraction; and (5) any extenuating circumstances.
- E) All delegates must follow all rules stated by New York DECA, DECA and/or National DECA and further those set forth in the New York DECA Constitution, its Bylaws and the Code of Conduct.
- F) The Conduct Committee, with authority delegated to it by the Board of Trustees, reserves the right to interpretation and application of the Code of Conduct as necessary. The decision of the Conduct Committee shall be final, except some matters may be appealed to the Board of Trustees.
- G) Delegates shall respect and abide by the authority delegated by the New York DECA Board of Trustees, the Executive Council, the Conduct Committee, presiding officer, committee chairpersons, and any advisor or authorized representative of New York DECA.
- H) The following penalty system will be used to deal with violators and the penalty points that apply:

The ranges of penalties and the penalty points with corresponding infractions as listed herein are for guidance only. New York DECA reserves the right to impose any penalty as warranted under the specific circumstances.

POINTS	PENALTY
1 & 2	Reprimand/Warning; Parent, Home School, Advisor Notification;
3	Reprimand/Warning; Parent, Home School, Advisor Notification; Probation
4 & 5	Reprimand/Warning; Parent, Home, School, Advisor notification, probation; sending the student home from a NYDECA event or function at the student's expense; suspension; restrictive movement; and/or expulsion.

APPEAL PROCESS A person or chapter expelled or suspended from New York DECA may appeal the decision of the Code of Conduct Committee to the Board of Trustees by filing a written notice of appeal with the Secretary of the Board of Trustees. The notice of appeal must be in writing and received within seven (7) days after the individual and/or the student's home chapter has received notice of the Code of Conduct Committee's decision. **The student delegate and his/her parent or guardian and the home school expressly agree to pay the costs involved for Board members to attend the appeal. This includes, but is not limited to, airfare and travel expenses to and from the appeal, room and board and for the Board of Trustees' reasonable counsel fees. In the event the student delegate's appeal is successful; i.e., results in a lessening of a previously imposed punishment administered by the Code of Conduct Committee, such fees and costs incurred by Board members hearing the appeal will be borne**

Behavior Expectations/Monitoring Guidelines

This trip is a school sponsored activity provided for you by the Board of Education, your family—and through your own effort and cooperation. Its intent is that of an enjoyable, educational, cultural, and social event free from distractions and stresses caused by negative behavioral situations. All school rules are in effect at all times. Violators will be disciplined through standard district channels upon return to Canandaigua. Immediate and necessary action will be handled by administrators while on the trip. In severe cases parents will be notified that a serious violation has occurred, and the student involved will be transported home immediately by a parent, at the parent's expense.

It is assumed by your participation in this trip that you agree to the following:

- To refrain from the use of alcohol, tobacco, controlled substances, and any form of illegal and/or illicit substances. Violations will carry severe consequences including police action if necessary. Similarly, any attempt at shoplifting or theft at any location will involve the police.
- If the use of illegal and/or illicit drugs or alcohol is suspected, the chaperones and a building administrator will IMMEDIATELY confront the student(s). The administrator will call parents and local police.
- **It will be each parent's responsibility to provide immediate transportation home for their child if he/she is found in violation of the school's alcohol, drug, weapons, or theft/vandalism policy.**
- Students are required to abide by any trip safety plan including COVID requirements and local authority and host requirements.
- There will be no smoking or burning of incense/candles in hotel rooms.
- Students are **ONLY** allowed in their assigned hotel room. If a student is in another student's hotel room, the door must be **WIDE OPEN AT ALL TIMES**.
- To respond immediately and with due respect to directives issued by the chaperones, tour guides, bus drivers, hotel and restaurant personnel, and any others in authority.
- To adhere to the itinerary sites as a group, with the understanding that "side trips" on your own are not allowed. No one is to walk or take any public or private transportation to any other location for any reason. Your whereabouts must be known by the trip chaperones at all times.
- To strictly adhere to all announced time schedules, including all meeting times and locations and curfews. Once "lights out" time occurs at the hotel, no one is to leave his or her assigned room until the next morning.
- To conduct yourself in an adult fashion at all times. You are representing your family and your school, as well as yourself. Immature behavior of **any type** will be immediately halted, and students involved will be reprimanded. You will be expected to dress and conduct yourself with dignity and class at all times. Loud, raucous, disruptive, or distracting behavior will not be allowed.
- To show respect for others and the property of others - students, chaperones, hosts at attractions, and at the hotel restaurants and other locations we will be visiting.
- To feel confident to report any complaints or problems to the appropriate chaperone(s).
- At no time will students be allowed to sleep in areas other than those assigned.
- Visits by local family members are to be pre-arranged and PRECEDED with a note from your parent.
- Visits by local friends are specifically not allowed.
- Students will be taped into their hotel rooms each night.

We are all responsible for making this a safe trip that is totally incident-free so that we can continue to build on this kind of activity in the future.

1. Drugs, Alcohol and Tobacco

The students of **Canandaigua Boys Varsity Lacrosse** must follow the policy concerning the possession and use of drugs, alcohol and tobacco. At no time during the trip, from the time we depart **Canandaigua on 3/25/22 and return to Canandaigua on 3/26/22** are students to be in the possession of and/or using illegal and/or illicit drugs, alcohol or tobacco products (including smokeless tobacco products). Violation of this rule will result in a call home, disciplinary action upon returning to Canandaigua, and the loss of the right to participate in senior year activities for the remainder of the year (i.e. senior ball, possibly graduation ceremony). In the case of drug possession and use, we will notify the local authorities. Be aware that violation of the drug, alcohol, and tobacco contract will have training rule implications. As mentioned several times already, the trip will be immediately cancelled for violation of the school's drug, alcohol, weapons, or thievery/vandalism policy and an immediate parent-accompanied return home will take place.

2. Being on Time

Many of the activities planned while in **Massachusetts** involve appointments and reservations that have been made months in advance. Therefore, it is very important that everyone is punctual. The necessary times and meeting points will be indicated to you each day; it is your responsibility to be on time.

3. Body piercing/tattooing

Students are NOT allowed to have any part of their bodies pierced or tattooed while on this trip. **Sudbury** is a large city with the potential for contracting a communicable disease if one engages in an activity such as piercing or tattooing, as there is no way to be sure if the equipment used is properly sterilized. We would also have no way of knowing or keeping track of whether or not the student had parental permission; therefore it will NOT be allowed.

4. Free Time

The trip we have planned for students in **Massachusetts** allows for little free time. Students must stay together in groups of at least three people (with at least one person with a cell phone) for their own safety and must remain in the areas designated by the chaperones and tour guides. You may not fully appreciate how large **Massachusetts** is and how quickly the potential for problems may arise if you are not cautious. We want this to be a fantastic experience, as it has been the past, and therefore you must act responsibly.

5. Curfew

Each night you will be given a curfew which will be based on the next day's activities. Upon returning to the hotel there will be time to socialize, etc. Students must be in their rooms before curfew. At designated times, chaperones will do room checks. All persons assigned to the room must be in that room for room check. Once the room is checked, the chaperones will place a small piece of masking tape over one corner of the door. The door must then remain shut and students in their room until the next morning. We do not do this because we mistrust

the students. It is done in the hopes of removing any temptation to wander around at night. We take our responsibility for your safety seriously.

6. Serious Infractions of Any of the Rules, Safety Plan or local authority or host requirements

If you violate any of the above rules/regulations, causing a serious situation, or if you continuously and willfully violate any of the above, you will be sent home with your parent at their expense. The chaperones and tour director will make this decision in consultation with school district officials. You will also face school consequences as a result.

7. Theft and Loss of Personal Items

At no time is CSD, CA Lax, or the motor coach company responsible for the theft or loss of personal items.

IMPORTANT TRIP NOTICE

The Canandaigua City School District recognizes the importance of field trips (day trips and overnight experiences) and how they enhance both our instructional and co-curricular programs. We are excited to support field trips during the 2021-2022 school year and we have worked with our staff to make sure that safety protocols are in place for those traveling on the field trips.

As we continue to learn to operate in a world with COVID-19, we offer these programs with student safety in mind, but understand that there are some additional challenges associated with traveling at this time. Trip insurance is available therefore please review the information related to the coverage so you can make an informed decision which makes the most sense for your family. Furthermore, please understand that while a trip may be approved, it is conceivable that it could be cancelled by the school district or the travel company if there are travel restrictions or other factors that would lead to an unsafe situation.

Essentially, we want to be clear and transparent that it is the district's intention to acknowledge that we must learn to live in a world with COVID and provide these meaningful experiences for our school community but along with that comes inherent risks of quarantines, isolations, and cancellations which could result in lost money for families. Please only commit to trips if you believe it is worth the risks mentioned.

Re: Medication for trip will be turned in to nurse on 4/25

The guidelines for students taking prescription and non-prescription drugs on the trip are as follows:

- Medication **must be** in the prescription/original bottle, clearly labeled with the dose and the time of administration.
- The students may self-carry and administer inhalers, epi-pens, and diabetic supplies as long as they have a record of this on file in the nurses' office for this school year.
- Prescribed medications will be given by a medical practitioner/chaperone traveling with the group.
- The School Nurse will provide the medical practitioner/chaperone with all appropriate information.
- Students **will not** be allowed to carry non-prescription medication (over-the-counter). The nurse/chaperone will administer these to students as necessary.
- Mouthwash is not permitted on the trip.

Please call us at # of nurse in charge or district lead nurse if you have any questions.

Behavior Expectations/Monitoring Guidelines

This trip is a school sponsored activity provided for you by the Board of Education, your family—and through your own effort and cooperation. Its intent is that of an enjoyable, educational, cultural, and social event free from distractions and stresses caused by negative behavioral situations. All school rules are in effect at all times. Violators will be disciplined through standard district channels upon return to Canandaigua. Immediate and necessary action will be handled by administrators while on the trip. In severe cases parents will be notified that a serious violation has occurred, and the student involved will be transported home immediately by a parent, at the parent's expense.

It is assumed by your participation in this trip that you agree to the following:

- To refrain from the use of alcohol, tobacco, controlled substances, and any form of illegal and/or illicit substances. Violations will carry severe consequences **including police action** if necessary. Similarly, any attempt at shoplifting or thievery at any location will involve the police.
- If the use of illegal and/or illicit drugs or alcohol is suspected, the chaperones and a building administrator will IMMEDIATELY confront the student(s). The administrator will call parents and local police.
- **It will be each parent's responsibility to provide immediate transportation home for their child if he/she is found in violation of the school's alcohol, drug, weapons, or thievery/vandalism policy.**
- Students are required to abide by any trip safety plan including COVID requirements and local authority and host requirements.
- There will be no smoking or burning of incense/candles in hotel rooms.
- Students are **ONLY** allowed in their assigned hotel room. If a student is in another student's hotel room, the door must be **WIDE OPEN AT ALL TIMES**.
- To respond immediately and with due respect to directives issued by the chaperones, tour guides, bus drivers, hotel and restaurant personnel, and any others in authority.
- To adhere to the itinerary sites as a group, with the understanding that "side trips" on your own are not allowed. No one is to walk or take any public or private transportation to any other location for any reason. Your whereabouts must be known by the trip chaperones at all times.
- To strictly adhere to all announced time schedules, including all meeting times and locations and curfews. Once "lights out" time occurs at the hotel, no one is to leave his or her assigned room until the next morning.
- To conduct yourself in an adult fashion at all times. You are representing your family and your school, as well as yourself. Immature behavior of **any type** will be immediately halted, and students involved will be reprimanded. You will be expected to dress and conduct yourself with dignity and class at all times. Loud, raucous, disruptive, or distracting behavior will not be allowed.
- To show respect for others and the property of others - students, chaperones, hosts at attractions, and at the hotel restaurants and other locations we will be visiting.
- To feel confident to report any complaints or problems to the appropriate chaperone(s).
- At no time will students be allowed to sleep in areas other than those assigned.
- Visits by local family members are to be pre-arranged and PRECEDED with a note from your parent.
- Visits by local friends are specifically not allowed.
- Students will be taped into their hotel rooms each night.

We are all responsible for making this a safe trip that is totally incident-free so that we can continue to build on this kind of activity in the future.

Request for Overnight Field Trip- Updated September 23, 2021

Overview

This process is intended to provide adequate information for necessary approvals and better timeframes for the advisors to plan and commit funds for the group / club involved. The process for BoE approval of overnight field trips involves **two** separate approvals. **Failure to complete all approval documentations and meet all approval deadlines risks the trip being declined and therefore not approved.**

1. Initial Approval (Planning)

- a. Submit Cover Sheet (*attached*) with all available information completed to the building Principal. Include any information available whether it is incomplete or not. The more information provided, the fewer questions asked. This should occur at or near the initial discussions of a possible trip, typically, at least 6/8 months before the trip dates. **Where appropriate, requests for approval for recurring field trips can be submitted 8 weeks prior to departure but prior to any student/parent commitments.**
- b. Principal or Athletic Director reviews/approves and forwards to Director of Transportation.
- c. The Director of Transportation reviews/signs and forwards to the Assistant Superintendent for Instruction (ASI) for review and approval.
- d. ASI forwards to Superintendent for review and approval as a recommendation to the BOE.
- e. BOE approves – this approval is with the knowledge that further planning and arrangements need to be made. This includes initial deposits. If deposits are over \$500, Superintendent approval is required.
- f. **No fund raising specific to the overnight trip shall begin until initial approval has been given by the BOE.**
- g. **It is understood that athletic tournaments pose a challenge in respect to time lines. When this occurs, the Athletic Director will speak with the Superintendent prior to submission of paperwork.**

2. Final Approval

- a. Submit completed cover sheet with all checklist items addressed and sample items attached. Complete chaperone lists and itineraries are required. The **original packet should be used** and submitted no later than one month prior to the trip. This submission goes to Principal or Athletic Director, then to the Director of Transportation, then ASI and Superintendent.
- b. Principal or Athletic Director, ASI and Superintendent will provide feedback on questions. Once acceptable, Superintendent will forward to BOE with recommendation to approve. **Any** significant changes to the itinerary, chaperone list and/or safety considerations, must be communicated to the building Principal as soon as possible.
- c. BOE approval – this is the final approval and allows for all other applicable deposits/payments to be made. There may be more information needed prior to final approval.
- d. Approval trips will be cc'd to Transportation and Food Service Directors.

3. Overnight Field Trip Procedures

- a. Student and parent signature required for rules/regulations documents.
- b. Parent meetings shall be held prior to the overnight field trip. The employee in charge of the field trip shall contact parents who do not attend by telephone to ensure an understanding of responsibilities.
- c. Director of Transportation shall be contacted to affirm the appropriateness of transportation secured, including but not limited to reviewing paperwork from the transportation company.
- d. **Student luggage shall be searched prior to departure for an overnight field trip. Procedure for doing so should be outlined and submitted to the building principal.**

Dear Parent:

Your child is being provided a wonderful opportunity to extend his/her learning beyond the classroom and assume adult responsibilities at the same time. **The Canandaigua Girls Varsity Lacrosse team is sponsoring a spring break trip/team building opportunity to Boston, Massachusetts April 1, 2023 through April 3, 2023.**

Enclosed you will find the following important forms that must be completed and RETURNED by February 1, 2023: *March 1, 2023*

- Student rules for behavior
- Student Profile and Medical form: a medical release form that is required in the event that your son/daughter requires immediate medical care.
- Trip cancellation policy/ insurance
- COVID Plan

Because this is a school-sponsored activity, the rules that govern our students at the Academy will be in full effect. Please refer to our Parent/Student handbook and the Student Agenda for a complete listing of expectations, consequences, and penalties for inappropriate conduct or behavior.

If you have any questions, please feel free to contact us at:

Cagirlslax@gmail.com

Because the team players have been fundraising for the past several years but unable to travel, the only cost of this trip are the meals for each student.

IMPORTANT TRIP NOTICE

2022-2023

The Canandaigua City School District recognizes the importance of field trips (day trips and overnight experiences) and how they enhance both our instructional and co-curricular programs. We are excited to support field trips during the ~~2021-2022~~ school year and we have worked with our staff to make sure that safety protocols are in place for those traveling on the field trips.

As we continue to learn to operate in a world with COVID-19, we offer these programs with student safety in mind, but understand that there are some additional challenges associated with traveling at this time. Trip insurance is available therefore please review the information related to the coverage so you can make an informed decision which makes the most sense for your family. Furthermore, please understand that while a trip may be approved, it is conceivable that it could be cancelled by the school district or the travel company if there are travel restrictions or other factors that would lead to an unsafe situation.

Essentially, we want to be clear and transparent that it is the district's intention to acknowledge that we must learn to live in a world with COVID and provide these meaningful experiences for our school community but along with that comes inherent risks of quarantines, isolations, and cancellations which could result in lost money for families. Please only commit to trips if you believe it is worth the risks mentioned.

From: ~~Jill Cross~~, School Nurse for Canandaigua ~~Primary School~~ ^{Marcia Jewell Academy}

Re: Medication for Trip

The guidelines for students taking prescription and non-prescription drugs on the trip are as follows:

- All medications require a Health Care Provider's order for each medication. Parents/Guardians must bring the medication in to the School Nurse by 3/20/2023.
- Parents/Guardians need to sign the health information sheet.
- Medication **must be** in the prescription/original bottle, clearly labeled with the dose and the time of administration.
- The students may self-carry and administer inhalers, epi-pens, and diabetic supplies as long as they have a record of this on file in the nurses' office for this school year.
- Prescribed medications will be given by a medical practitioner/chaperone traveling with the group.
- The School Nurse will provide the medical practitioner/chaperone with all appropriate information.
- Students **will not** be allowed to carry non-prescription medication (over-the-counter). The nurse/chaperone will administer these to students as necessary.
- Mouthwash is not permitted on the trip.

Behavior Expectations/Monitoring Guidelines

This trip is a school sponsored activity provided for you by the Board of Education, your family—and through your own effort and cooperation. Its intent is that of an enjoyable, educational, cultural, and social event free from distractions and stresses caused by negative behavioral situations. All school rules are in effect at all times. Violators will be disciplined through standard district channels upon return to Canandaigua. Immediate and necessary action will be handled by administrators while on the trip. In severe cases parents will be notified that a serious violation has occurred, and the student involved will be transported home immediately by a parent, at the parent's expense.

It is assumed by your participation in this trip that you agree to the following:

- To refrain from the use of alcohol, tobacco, controlled substances, and any form of illegal and/or illicit substances. Violations will carry severe consequences including police action if necessary. Similarly, any attempt at shoplifting or thievery at any location will involve the police.
- If the use of illegal and/or illicit drugs or alcohol is suspected, the chaperones and a building administrator will IMMEDIATELY confront the student(s). The administrator will call parents and local police.
- **It will be each parent's responsibility to provide immediate transportation home for their child if he/she is found in violation of the school's alcohol, drug, weapons, or thievery/vandalism policy.**
- Students are required to abide by any trip safety plan including COVID requirements and local authority and host requirements.
- There will be no smoking or burning of incense/candles in hotel rooms.
- Students are **ONLY** allowed in their assigned hotel room. If a student is in another student's hotel room, the door must be **WIDE OPEN AT ALL TIMES**.
- To respond immediately and with due respect to directives issued by the chaperones, tour guides, bus drivers, hotel and restaurant personnel, and any others in authority.
- To adhere to the itinerary sites as a group, with the understanding that "side trips" on your own are not allowed. No one is to walk or take any public or private transportation to any other location for any reason. Your whereabouts must be known by the trip chaperones at all times.
- To strictly adhere to all announced time schedules, including all meeting times and locations and curfews. Once "lights out" time occurs at the hotel, no one is to leave his or her assigned room until the next morning.
- To conduct yourself in an adult fashion at all times. You are representing your family and your school, as well as yourself. Immature behavior of **any type** will be immediately halted, and students involved will be reprimanded. You will be expected to dress and conduct yourself with dignity and class at all times. Loud, raucous, disruptive, or distracting behavior will not be allowed.
- To show respect for others and the property of others - students, chaperones, hosts at attractions, and at the hotel restaurants and other locations we will be visiting.
- To feel confident to report any complaints or problems to the appropriate chaperone(s).
- At no time will students be allowed to sleep in areas other than those assigned.
- Visits by local family members are to be pre-arranged and PRECEDED with a note from your parent.
- Visits by local friends are specifically not allowed.
- Students will be taped into their hotel rooms each night.

We are all responsible for making this a safe trip that is totally incident-free so that we can continue to build on this kind of activity in the future.

PARENT/STUDENT CONTRACT TO BE READ, SIGNED and RETURNED

1. **Drugs, Alcohol and Tobacco**

The students of **Canandaigua** Academy must follow the policy concerning the possession and use of drugs, alcohol and tobacco. At no time during the trip, from the time we depart Canandaigua on 4/9/2023 and return to Canandaigua on 4/13/2023 are students to be in the possession of and/or using illegal and/or illicit drugs, alcohol or tobacco products (including smokeless tobacco products). Violation of this rule will result in a call home, disciplinary action upon returning to Canandaigua, and the loss of the right to participate in senior year activities for the remainder of the year (i.e. senior ball, possibly graduation ceremony). In the case of drug possession and use, we will notify the local authorities. Be aware that violation of the drug, alcohol, and tobacco contract will have training rule implications. As mentioned several times already, the trip will be immediately cancelled for violation of the school's drug, alcohol, weapons, or thievery/vandalism policy and an immediate parent-accompanied return home will take place.

2. **Being on Time**

Many of the activities planned while in Boston involve appointments and reservations that have been made months in advance. Therefore, it is very important that everyone is punctual. The necessary times and meeting points will be indicated to you each day; it is your responsibility to be on time.

3. **Body piercing/tattooing**

Students are NOT allowed to have any part of their bodies pierced or tattooed while on this trip. Boston is a large city with the potential for contracting a communicable disease if one engages in an activity such as piercing or tattooing, as there is no way to be sure if the equipment used is properly sterilized. We would also have no way of knowing or keeping track of whether or not the student had parental permission; therefore it will NOT be allowed.

4. **Free Time**

The trip we have planned for students in Boston allows for some free time. Students must stay together in groups of at least three people (with at least one person with a cell phone) for their own safety and must remain in the areas designated by the chaperones and tour guides. You may not fully appreciate how large Boston is and how quickly the potential for problems may arise if you are not cautious. We want this to be a fantastic experience, as it has been the past, and therefore you must act responsibly.

5. **Curfew**

Each night you will be given a curfew which will be based on the next day's activities. Upon returning to the hotel there will be time to socialize, etc. Students must be in their rooms before curfew. At designated times, chaperones will do room checks. All persons assigned to the room must be in that room for room check. Once the room is checked, the chaperones will place a small piece of masking tape over one corner of the door. The door must then remain shut and students in their room until the next morning. We do not do this because we mistrust the students. It is done in the hopes of removing any temptation to wander around at night. We take our responsibility for your safety seriously.

6. **Serious Infractions of Any of the Rules, Safety Plan or local authority or host requirements**

If you violate any of the above rules/regulations, causing a serious situation, or if you continuously and willfully violate any of the above, you will be sent home with your parent at their expense. The chaperones and tour

director will make this decision in consultation with school district officials. You will also face school consequences as a result.

7. Theft and Loss of Personal Items

At no time are the coaching and chaperone staff, hotel, or the motor coach company responsible for the theft or loss of personal items.

General Trip Tips

1. Never give out your hotel name or room number to strangers!
2. You will pay for services charged to your room (i.e. long distance phone calls, room service, movies, etc.)
3. The maid will take money left out in your room. He/She will think it is a tip. So unless it is intended as a tip, keep it on you at all times.
4. Valuables should either be left at home or be kept in the *hotel safe*. If lost or stolen, we are not responsible.
5. Do not venture out on your own!
6. You **MUST ALWAYS** travel **WITH A CHAPERONE** or **BUDDY!**
7. You may bring an I-Pod or personal music device, but you cannot bring anything with open speakers. Remember -- you bring these items **at your own risk**. We will take no responsibility if they are lost or stolen.
8. Keep the bus and plane neat and clean at all times. Continually police your own area!
9. **PACK:**
 - One suitcase for under the bus.
 - One very small soft carry-on bag to keep with you on the bus, along with a pillow and blanket.
 - Bring appropriate clothing for the trip.
 - A cell phone or watch. It is critical that you are always **ON TIME!**
 - **Bring some snacks for the way down on the bus. You may not bring opened drinks, but you may bring wrapped snacks, like granola bars and such, and unopened containers to drink.**
10. Budget money for:
 - Lunch each day of competition
 - Snack throughout the day
 - Souvenirs
11. Be sure to represent yourself, school, parents, community, chaperone, etc. in a positive light.
12. The school rules, as clearly written in your student agenda and throughout this packet, will be in effect for the entire trip.
13. Inappropriate items purchased on this trip will be confiscated and returned to you only when your parents pick you up.

Chaperone Responsibilities

THE FOLLOWING IS A LIST OF CHAPERONE RESPONSIBILITIES

KEEP IN MIND THE FOLLOWING:

1. Have the students keep all areas neat and clean at all times.
2. Certain foods are okay on the bus, but students need to be considerate of others.
3. Students need to remember to respect others in terms of noise levels.
4. Personal music devices (mp3 players) are acceptable; however, *no open speakers are permitted*.

BE SURE THAT STUDENTS ASSIGNED TO YOU ARE ON THE BUS EVERY TIME WE DEPART.

1. In addition to taking role call at designated areas and times, you should also remain in contact with your group at all times.

INFORM ADVISOR OF ANY SEVERE PROBLEMS AS SOON AS POSSIBLE.

1. The advisor may suggest ways for you to handle the problem or may opt to handle it him/herself

BE AVAILABLE FOR CHAPERONE MEETINGS AT ANY OR ALL OF THE FOLLOWING:

1. Immediately after attendance is taken on each bus
2. Upon arrival to each location- before students are allowed to unload
3. Every organized meal
4. After curfew
5. Other times as necessary

ENFORCE THE SCHOOL RULES

Please read the school rules and become familiar with them. As chaperones we set the tone for the entire trip, not only with our attitude and disciplinary style, but also with our actions and words. As chaperones, we all assume the responsibility of being a role model.

One item that we would like to call to your attention is the school rule regarding the use of tobacco and alcohol. As adults, we have the freedom to make personal choices about the consumption of these products, but as *leaders* of young adults we are models of healthy choices. Whether your personal philosophy advocates the use of these products or not, you should not be seen smoking nor should you consume alcohol at any time!

We are each parent's proxy on this trip. A mishandled "chaperone - student" situation can easily be attributed to an error in judgment.

Audit Committee Members
Canandaigua City School District
143 North Pearl Street
Canandaigua, New York 14424

Dear Audit Committee Members:

The following report summarizes our annual risk assessment for the Canandaigua City School District (the District). Bonadio & Co., LLP was engaged by the District to fulfill the requirements of the 2005 School Financial Oversight and Accountability Act by performing an annual risk assessment.

The purpose of the annual risk assessment is to provide the audit committee with a review of internal controls that the District has in place to prevent and detect fraud, ensure the financial reporting is accurate and that the District assets are safeguarded.

The content of this report is intended to provide the District's Audit Committee with the baseline information necessary to develop, approve, and implement an Internal Audit Work Plan in the 2022-2023 fiscal year.

In performing our engagement, we relied on the accuracy and reliability of information provided by District personnel. We have not audited, examined or reviewed the information, and express no assurance on it. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This consulting engagement report is intended solely for the information and use of the Administration, the Audit Committee, the Board of Education, and other applicable employees within the District and is not intended to be and should not be used by anyone other than those specified parties.

We appreciate the opportunity to prepare this annual risk assessment for the District and are available to assist you in carrying out other portions of the Internal Audit Plan. We are also available anytime to answer your questions.

Very truly yours,
BONADIO & CO., LLP

RISK ASSESSMENT AND INTERNAL CONTROL STRATEGY

Background Information

In 2005, the New York State Legislature issued School accountability laws, pursuant to Chapter 263 of the Laws of 2005 (the Act), regarding increased oversight over public schools, charter schools, and boards of cooperative educational services. As part of the new laws, the District is required to implement an Internal Audit function. The Internal Audit function requires the formation of an Audit Committee and the appointment of an internal auditor.

For the 2022-2023 fiscal year, the District appointed Bonadio & Co., LLP as the District's internal audit consultants to perform an annual risk assessment, develop a proposed audit work plan based on the high risk areas identified, and then to assist in the development of the scope and timing of the internal audit areas based on the approval of the District's Audit Committee.

This report focuses on our annual risk assessment of internal controls of the District's operations, financial reporting policies, procedures and functional activities.

Our interviews with District Administration were directed toward gaining an understanding of any changes and related risks in each internal control area during the last 12 months, from the perspective of management responsible for controlling such risks. Using this information, we assessed the risk (low, moderate or high) present in each area. A summary of this annual risk assessment is included. The annual risk assessment process also drives the planned scope of the internal audit procedures, which is summarized in the internal audit work plan.

Objective

The objective of the annual risk assessment is to meet the requirements of the 2005 Schools Accountability legislation and assist Audit Committee members with the development of an effective internal audit work plan.

Risk Assessment Process

During 2020-2021, we performed an initial risk assessment of key areas and transactions in order to assess the risk for each of the significant transaction cycles and functional responsibilities. This information was shared with you and has been used to identify areas that may need further review.

Annually, we update that initial risk assessment by performing interviews, observation, reperformance, recalculation, inquiry, and/or walkthroughs with various department personnel. Using this information and input, we evaluate the level of risk and assess a risk score which is then used to develop an overall risk rating for the area based on the perceived effectiveness of the internal control environment.

As part of these procedures, we will obtain copies of your most recent audited financial statements and related reporting and identify any risks that may be applicable to our risk assessment process. In addition, we will obtain and review current policies and procedures in evaluating the design of the control environment and related activities.

When assessing risk in a control environment, we consider four categories of risk which are defined below.

Inherent Risk

The nature of some activities or assets makes them a greater risk than others. Some characteristics that generally increase inherent risk are opportunity, complexity, changes in the operating environment, changes in personnel, and rapid growth. Inherent risk is a tool in determining the susceptibility of an entity, unit, or account to fraud, waste or abuse assuming there were no related internal controls.

Control Risk

This is the risk that material errors or fraud are not prevented or detected by the internal control system.

Materiality

This is an expression of relative significance or importance of a particular transaction class which can be based on factors such as dollar value or volume of transactions.

Overall Risk

This is the remaining and assigned risk level calculated after evaluating control risk, inherent risk and materiality.

We will calculate an overall risk score at the entity level, using the considerations as defined later in this report, in the following key accounting areas:

- | | |
|--|-------------------------------------|
| Revenue, Billings, Receivables, and Cash Receipts | Capital Projects and Capital Assets |
| Expenditures, Expenses, Payables and Disbursements | School Lunch |
| Payroll and Human Resources | Transportation and Facilities |
| Federal and State Aid | Information Technology |
| Extraclassroom Activity Funds (ECA) | |

Not all risks are created equal. Some are more likely than others to occur, and some will have a greater impact than others if they ultimately do occur. Additionally, the perception of risk is truly subjective and may not be viewed the same by all individuals. Once risks are identified, their probability and significance must be assessed. Upon identifying and assessing risk, your organization must decide how to address and reduce the risk to an acceptable level. Based on a cost/benefit analysis, in some cases, the Board's decision may be to implement additional controls or in some cases the Board may decide to accept the risk identified.

Personnel Interviewed

We interviewed several individuals in connection with our risk assessment update procedures. Our interviews were directed towards gaining a thorough understanding of the objectives and related risks in each of the internal control areas from the perspective of the individuals responsible for controlling such risks.

We are pleased to report that the District does not have any categories identified as High Risk based on the current year risk assessment. In reviewing the rankings above, 2 of the areas fall into the moderate category and 7 into the low category. But those in moderate are in the low end of the range.

On the following pages we have provided a historical table showing the areas audited, as well as our recommendations for the current and next year for your consideration. We also provide some suggested approaches to addressing the recommended areas for the current year.

HISTORICAL AND PROJECTED AUDIT AREAS

The table below illustrates the historical and projected audit areas for which testing has been, or may be performed. These priorities are reviewed annually with the Board or Audit Committee and readjusted accordingly. On the following page we outline the proposed work plan and provide some suggested procedures to accomplish the objectives.

INTERNAL AUDIT WORKPLAN

Below is a recommended Internal Audit Workplan.

Fiscal Year 2022-2023

Area 1: Information Technology

Reason:

Given the increased risk resulting from hackers targeting school districts, we recommend testing the security measures the school district has in place in order to prevent and detect such incidents.

Fiscal Year 2023-2024

Area 2: Federal and State Aid

Reason:

Given the increased risk score around new federal funding in response to the COVID-19 Pandemic, we recommend testing for compliance and operational effectiveness of internal controls over compliance of expenditures that are funded through those new grants.

DEFINITIONS OF RISK ASSESSMENT CONSIDERATIONS

Area of Consideration	Definition
External Audit and Past Audit Considerations	Consideration is given to results of the external and internal audits performed in the current and prior years, as well as the auditee's response to those results.
Financial Reporting (Internal Reporting, External Reporting, Budgeting)	How does management approach the financial reporting process both internally and externally and how accurate and available is the information. In addition, are regulatory reporting requirements submitted timely and accurately.
Governance and Management	Construct, make-up and involvement of the Board and management from an oversight perspective. Experience of members of the Board and management are considerations in this area. Existence of policies and procedures as well as demonstration of tone at the top.
Design and Effectiveness of Control Environment and Control Activities	The overall design, operation and effectiveness of the internal control structure, regardless of the personnel in place. What level of reliance on computerized controls versus manual controls is in place including whether any significant changes in controls have taken place.
IT, Sensitivity of Information, and Access Vulnerability	The complexity of the IT environment, including the software and hardware used in various financial reporting applications are considered. Additionally, the nature of data used and processed, as well as physical and digital access risks that may exist.
Materiality, Complexity and Transaction Volume	The materiality, complexity and volume of transactions play a significant role in the assessment of risk related to the audit area. Areas of large volume, large dollar amounts and increased complexity will have a greater risk which are independent of any controls in place.
Fraud Risk	Consideration of whether fraud has occurred in the past, or based on interviews and procedures if personnel feel there is a risk of fraud that exists. The design of controls to mitigate the risk of fraud are also key considerations. Tone at the top and the general environment of the entity are important factors here as well.
Environmental Risks	These are risk factors that are in some ways outside of the control of the entity, such as political landscape, NYS Office of State Comptroller audits and focus areas, media reports, and similar items.
Observation and Inquiry Risks	Based on the results of all procedures including inquiry and observation, are there any additional areas of concern identified that would necessitate an additional risk rating.
