February 3, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Madison Center. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact April Ritz, Principal, for assistance.

The AER is available for you to review electronically by visiting the following website <https://madison.wyandotte.org/about-us/annual-education-reports> or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

At Madison Center, we are a Professional Learning Community (PLC). We work in grade level teams that meet at least once per week to create a collaborative culture, create common assessments, collaborate to meet the needs of all students and to continue to learn and grow as educators. All staff come together to increase student achievement. Our staff has been working diligently on making daily decisions that move our mission and vision forward for our students. Our school community has been working to reimagine our collective commitments to ensure that all staff members are behaving in ways that support all students. Grade level teams continue to fine tune our guaranteed and viable curriculum and to create meaningful, common, formative assessments and use the data from those assessments to make decisions about teaching and learning. Team also have been

639 Oak Street • Wyandotte, Michigan • 48192 • 734.759.5000 • FAX 734.759.6009 • www.wyandotte.org

It is the policy of the Wyandotte Board of Education that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination with respect to any educational program, activity, or employment.

working on implementing a new SEL curriculum to address students' social-emotional needs at all levels.

Our Building's Guiding Coalition meets twice per month throughout the school year to move the work of our collaborative teams forward. We work together as a team to make shared decisions with input from all stakeholders.

Our school was identified as a HAS NOT BEEN GIVEN ONE OF THESE LABELS.

State law requires that we also report additional information.

Madison Center is a center-based, special education program for MoCI, SCI and SXI that requires students be referred from their local school district. Our program is considered an extension of the local school districts on the continuum of service. We are considered a restrictive setting because the majority of our students are educated in a separate facility, apart of our students' nondisabled peers. In addition to the separate facility, Madison also has 3 satellite classrooms located in Wyandotte general education buildings as well as the homebound program for students with severe multiple impairments.

Our teams have worked together to develop a guaranteed and viable curriculum for our students. At each grade level we have chosen the most critical standards from the Common Core Essential Elements for our students to learn. A copy of the Michigan Essential Elements and Madison's Guaranteed and Viable Curriculum can be found here: <https://madison.wyandotte.org/about-us/curriculum-instruction>
The Michigan Department of Education has shifted the school improvement process to MICIP which is a more comprehensive district needs assessment that focuses on the whole child. Our district has a focus on social-

emotional learning which we continue to support through our teaching and learning on a daily basis in all classrooms.

Student achievement is measured in many ways by the Madison Center staff. All of our 3rd - 8th and 11th grade students participate in the MI-Access alternate assessment. Our 3rd grade students were assessed in the areas of ELA and math; our 5th grade students were assessed in the areas of ELA, math, and social studies; our 6th grades were assessed in the areas of ELA, and math; our 7th graders in the areas of ELA, math, and science; our 8th graders in the areas of ELA, math, and social studies. Our 11th grade students were assessed in all subject areas: reading, math, science and social studies. The most individualized way student achievement is measured is progress on all student's IEP goals and objectives in the areas of reading, writing, math, prevocational/functional, affective, speech and language, speaking and mobility. This progress is communicated quarterly to parents via IEP progress reports. Students are represented consistently above 90% at their annual IEP meetings. There is constant communication between school staff and parents/guardians through phone, communication apps, email, IEPT meetings, tours and communication folders. We also sponsor a monthly Family Support Program hosted by Celebrate Hope where our parents can connect with other parents who share common experiences.

Madison Center continues with a school-wide positive behavior intervention support plan (PBIS). A matrix of behavior expectations was developed by staff. The behavior expectations are taught to students using lesson plans and reviewed regularly. Students are recognized and rewarded for positive behaviors. Tier 2 and Tier 3 interventions are used for students with more challenging behaviors. Last year, PBIS program expanded to include wrap-around meetings for all students with tier 3 plans.

The Madison Center community believes that all students can learn and we prioritize our work to ensure that we are focused on the right work that will move

our mission and vision forward to ensure achievement for all students. We operate under a mutually-agreed upon set of values that focuses on students first and strive for high levels of student engagement. The support of our parents and families is critical to the work we do every day with our students. The strong relationships with students and families continue to positively impact our students and their progress.

Sincerely,
April Ritz
Principal

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
