Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Roosevelt High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Benjamin Reynolds, Principal, for assistance.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given. Roosevelt High School did not receive any ESSA designation in the past two years.

State law requires that we also report additional information:

1. **School Assignment:** Grades K-5 students residing in the City of Wyandotte are assigned elementary buildings in one of two ways: Area Residency – geographic boundaries have been established around each elementary building taking into consideration city boundaries, major thoroughfares, railroads, and natural boundaries (creeks and rivers). Limited Open Enrollment – parents may apply for their children to attend any district elementary school. Approval for Limited Open Enrollment (LOE) and Non-resident Open Enrollment (CHOICE) attendance depends on space availability in the selected school and previous behavior reports. Students in grades 9-12 living in Wyandotte enroll at Roosevelt High School; and in grades 6-8 enroll at Wilson Middle School.
2. **School Improvement Status:** Roosevelt High School meets regularly in School Improvement Committees and Professional Learning Communities in order to look at data to

It is the policy of the Wyandotte Board of Education that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination with respect to any educational program, activity, or employment.

improve instruction and student achievement. The Roosevelt High School Improvement goals for the cycle we just completed from 2017-2022 are:

- All staff and students will create a positive environment which provides multiple opportunities for students to achieve, succeed, and excel socially and academically.
- All students will improve their reading proficiency across the curriculum.
- All students will improve their math proficiency across the curriculum.
- All students will improve their science proficiency across the curriculum.

Roosevelt High School is accredited by Cognia. Our external review was conducted in May of 2022. Roosevelt High School scored above the national average on our external review.

3. Curriculum: The District has transitioned to the Common Core State Standards (CCSS) as its curriculum. Each school provides learning experiences in all areas of language arts (reading, writing, speaking, and listening), mathematics, social studies, and science. Each teacher must plan lessons and learning experiences with the CCSS in mind. Documents of these standards can be found at [www.corestandards.org/](http://www.corestandards.org/). All textbooks and curriculum materials are selected based on these standards, and Chromebooks are used to enhance learning for all students.

4. Each Collaborative Learning Team (team of teachers teaching the same subject) has created a guaranteed and viable curriculum that follows the Common Core. For any questions about our curriculum, please contact the RHS office.

5. At Roosevelt High School we rely on student achievement data to guide our instruction. This data comes from both local assessments and state standardized tests. For the 2020-21 and 2021-22 school years, our students took the standardized tests required by the State of Michigan. 11<sup>th</sup> grade students took both M-Step and SAT tests as well as the ACT WorkKeys. In those same school years, our 9<sup>th</sup> and 10<sup>th</sup> grade students took the PSAT 9 and PSAT 10 tests. The assessment participation rate of Roosevelt High School met the state target. This data gained from these tests has helped us focus our instruction to improve reading and math skills for our students. In 2020-21 the State of Michigan 4-year graduation rate cohort target was 94.4%. In 2020-21 Roosevelt High School's 4-year graduation rate is 93.4%, 1% less than the state target. In 2021-22 the State of Michigan 4-year graduation rate cohort target was 94.44%. In 2021-22 Roosevelt High School's 4-year graduation rate was 92.19%, 2% less than the target rate.

6. In 2020-21 data shows that 38% of parents attended parent-teacher conferences. In 2021-22 data shows that 34% of parents attended parent teacher conferences.

7. Extended learning:

a. In 2020-21 three students participated in dual enrollment. In 2021-22 six students participated in dual enrollment.

b. In 2020-21 Roosevelt High School offered 9 college equivalent courses (AP/IB). The offered courses were: AP Calculus A/B, AP United States History, AP English Literature and Composition, AP United States Government and Politics, AP English Language and Composition, AP Psychology, AP Physics One: Algebra Based, and AP Statistics. In 2021-22 RHS also offered AP Art History and AP Economics in addition to the previously mentioned classes.

c. In 2020-21 RHS had 215 students enrolled in college equivalent courses (16% of the student population). In 2021-22 RHS had 127 students enrolled in college equivalent courses (10% of student population).
