January 30, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Jefferson Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Crystal Eskin for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3pvAovy> , or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Prior to the pandemic, our M-STEP data had inconsistencies that challenge us as we see increases and declines at all levels. Our most recent data shows consistency from the 2020-2021 school year to the 2021-2022 school year. Scores were relatively the same in each grade level and subject area tested, with a ten point increase in 5th grade science scores. At Jefferson Elementary School we continue to engage in Professional Learning Communities (PLCs) to continually assess the growth and progress of our students in math, reading and language to seek ways to improve. We evaluate all students as well as compare each subgroup to our student body to identify and address achievement gaps. Our students take the NWEA assessment in ELA and mathematics three times a year to track individual student growth and expected achievement progress. Our students are also assessed in reading levels in DRA2 to identify if they are reading at, above or below grade level. Using these reports, teachers establish individualized reading goals and instructional plans for our students. Students below grade level in reading receive an iRIP (Individual Reading Intervention Plan) and are identified for Tier 2 and/or Tier 3 interventions as needed. Over the years we have seen many ups and

639 Oak Street • Wyandotte, Michigan • 48192 • 734.759.5000 • FAX 734.759.6009 • www.wyandotte.org

It is the policy of the Wyandotte Board of Education that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination with respect to any educational program, activity, or employment.

downs with our MSTEP scores. To target academic improvement, we are continuing the focused and dedicated work of the PLC process by implementing a guaranteed and viable curriculum in ELA and Math, creating quality common formative assessments to measure mastery in our essential learnings, and engaging in focused professional development in PLCs and research based best practices in instruction. In response to learning loss from the pandemic, we have adjusted and focused our guaranteed and viable curriculum. In 2022, we are using the school improvement plan MICIP which is a comprehensive district needs assessment that focuses on the whole child. Additionally, we continue to grow our MTSS system and Response to Intervention to better align with research based best practices in education. One specific change has been the addition of reading specialist interventionists.

State law requires that we also report additional information.

1. **School Assignment:** Grades K-5 students residing in the City of Wyandotte are assigned elementary buildings in one of two ways: Area of Residency- geographic boundaries have been established around each elementary building taking into consideration city boundaries, major thoroughfares, railroads, and natural boundaries (creeks, rivers, etc.). Limited Open Enrollment- parents may apply for their children to attend any District elementary school. Approval for Limited Open Enrollment (LOE) and Nonresident Open Enrollment (CHOICE) attendance depends on space availability in the selected school and previous reported behavior reports. Students in grades 9-12 living in Wyandotte enroll at Roosevelt High School; and in grades 6-8 enroll at Wilson Middle School.
2. **School Improvement Status:** Jefferson Elementary School staff meets regularly in Professional Learning Communities to do the work of school improvement as a process of continuous improvement. Jefferson Elementary School has met all the standards for eligibility of a school-wide Title I school. Our academic goals are to improve achievement in reading, writing, mathematics, science and social studies. We are also focused on Social Emotional Learning for our school community.
3. **Curriculum:** The District has implemented the Common Core State Standards (CCSS) as its curriculum and our district is continuing the process of prioritizing the standards to develop a district guaranteed and viable curriculum in all content areas in our PLC work. Currently, district grade level teams, led by teachers, meet to update the guaranteed and viable curriculum, pacing and common formative assessments for elementary ELA and mathematics. The CCSS can be found at www.corestandards.org.
4. **Student Achievement:** Student achievement is measured in numerous ways by Jefferson Elementary Staff. All of our 3rd-5th grade students participate in M STEP testing. The 2021 M STEP test was given with a parent opt out option. Many students opted out of testing in 2021. All of our 3rd-5th grade students participated in M STEP testing in the 2022 school year. In addition, a variety of assessment tools are used to evaluate student progress including: reading fluency and comprehension assessments using the Developmental Reading Assessment (DRA); NWEA assessment; and various teacher developed common formative and common summative assessments. Generally, our aggregate data shows a need for improvement in academic achievement in all subject areas. We believe in the powerful process of PLCs and look forward to reaping academic gains through continued development and sustained practice.

5. Parent-Teacher Conference Data: In the 2020-2021 school year, approximately 89% of parents participated in parent-teacher conferences. The 2021-2022 school year data shows 84% of Jefferson parents attending Parent-Teacher conferences in the fall and 92% of parents attending parent-teacher conferences in the spring. Due to the lasting impact of the pandemic, our parent-teacher conferences are now all held virtually which we believe has impacted attendance for parents.

The staff, students and parents of Jefferson Elementary believe in working together to ensure high levels of academic growth and success for all of our students. The vision and mission of our district is strong. I congratulate all the students and stakeholders of Jefferson Elementary School in the district of Wyandotte for making student growth a priority and for committing to academic excellence for our children.

Sincerely,

Crystal Eskin

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
