February 3, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Wyandotte Early Childhood Center. The AER addresses the complex

reporting information required by federal and state laws. The school’s report contains information about student assessment, accountability, and teacher quality.

If you have any questions about the AER, please contact Melissa Petty for assistance.

The AER is available for you to review electronically by visiting the WPS website or you may review a copy in the main office at your child’s school.

For the 2021-22 school year, schools were identified based on previous years’ performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in

639 Oak Street • Wyandotte, Michigan • 48192 • 734.759.5000 • FAX 734.759.6009 • www.wyandotte.org

It is the policy of the Wyandotte Board of Education that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination with respect to any educational program, activity, or employment.

2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

At the Wyandotte Public Schools' Early Childhood Center, the enrollment in our programs fluctuates on a yearly basis. We have the majority of our four year old students for only one year before they begin kindergarten. Due to this fact, we continually assess the growth and progress of our students in all areas of development, utilizing the HighScope Foundation's COR Advantage Assessment. Student progress and data is formally reviewed for each of the following developmental domains three times per school year: Approaches to Learning, Social and Emotional Development, Physical Development, Language and Literacy, Mathematics, Creative Arts, Science and Social Studies. This data is used to track individual student progress, drive instruction, and assess overall program curriculum implementation and outcomes.

School Assignment: The Wyandotte Public Schools' Early Childhood Center enrolls children from two weeks of age through five years of age for the Wyandotte community. Non-resident Open Enrollment depends on space availability. Our Great Start Readiness Program enrolls students who attain four years of age by September 1 st of the school year for which they are enrolling. Students are enrolled for this program by meeting income and other eligibility requirements.

School Improvement Status: The Wyandotte Public Schools' Early Childhood Center staff believes in the process of continuous improvement and meets monthly to discuss school improvement and outcomes. Our school improvement focus for the upcoming school year continues to be utilizing the Literacy Essentials for Birth – Three and the Literacy Essentials for Pre-Kindergarten to increase overall literacy development. We are also in the second year of Early Childhood PBIS implementation and using data collected to put processes in place to best support

all students social emotional development.

Curriculum: The Wyandotte Public Schools’ Early Childhood Center utilizes the HighScope Foundation’s Infant-Toddler and Preschool Curriculum for Early Childhood Programs. This curriculum aligns with State of Michigan Early Childhood Standards of Quality, as well as the High Scope Foundation’s Key Developmental Indicators. Information related to the HighScope curriculum can be found at www.highscope.org .

Student Achievement: Student achievement is measured in numerous ways by the Wyandotte Public Schools’ Early Childhood Center staff. The High Scope Foundation’s COR Advantage Assessment is utilized three times per school year to assess each individual child’s development growth in all learning domains. Data is utilized to form unique learning goals for each individual student and guide both large group and small group classroom instruction. Student progress is also tracked as they leave the Great Start Readiness Program at the Center through 2nd grade to assess long-term student outcomes.

Parent-Teacher Conference Data: The 2020-2021 school year data shows 100% family attendance at Parent-Teacher Conferences for students enrolled in four-year-old preschool programs. During the 2021-2022 school year there was also 100%

family attendance at Parent-Teacher Conferences for students enrolled in four-year-old preschool programs. Students between the ages of infant to three years-old receive Developmental Reports in the fall and spring and have the option to attend a Parent-Teacher Conference. Teachers communicate with families on a daily basis via phone, email, communication folders and daily logs.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

The staff, students, and families of the Wyandotte Early Childhood Center believe in working together to ensure high levels of academic growth and success for all our students. The vision and mission of our district and school is strong. I congratulate all the students and stakeholders of the Early Childhood Center in the district of Wyandotte for making student growth a priority and for committing to academic excellence for our children.

Sincerely,

Melissa Petty

Director of Early Childhood Education

		89.3	2.33	95.7	1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
