

# Success Metrics

What success looks like at St. Anthony-New Brighton Schools

At St. Anthony - New Brighton Schools (SANB), we seek to engage each child at heart level, shine a light on their brilliance and inspire their capacity to thrive in a world that is not yet fully known. Our students have succeeded at SANB if they can:

**Positively contribute as a thriving citizen to their community**

**Thrive emotionally and socially in adaptive environments**

**Harness academic skills and a love of learning**

Above all, St. Anthony-New Brighton Schools provides an inclusive educational environment so each student knows they belong; this will provide students the support they need to be successful.
