Project Abstract

The summer wrap around program is a program that services grades K - 6th. This program is held during the summer break. It provides a safe environment for students. The program will start on July 10, 2023 and end on August 10, 2023 7:00 am to 5:00 pm. This is a five week program.

Goals and objectives

Activities of the summer wrap around program will include **two field trips a week**, structured free play, and hands on activities for that week's theme. The primary goal of the summer wrap around program is to give the students a well rounded summer that will provide a fun and educational learning experience. Parents will have the satisfaction of knowing that their children are in a safe and well structured program while they are at work.

Methods to Implement Program

The staff will provide hands on projects that are educational and fun. This will ensure that all students will have the opportunity to socialize with peers in a structured and fun environment.

Field Trips to follow.
