

## 2022-23 Tuition Fees & Scholarships

As we planned for the 2022-23 school year, it was unclear as to whether we would be able to have face-to-face learning or if we would need to continue with online learning. We sincerely hope to be fully on campus, but must also consider the possibility and need to be online.

We are well aware of the hardship many families have faced due to the war in Ukraine. Below are some important financial considerations for all KIS families.

### TERM-BY-TERM ONLINE LEARNING DISCOUNT

As we planned for a challenging financial school year, we kept both the school's operating cost and that of each family in mind. For this reason, KIS will be offering a discount on a term basis in 2022-23 academic year, determined by whether or not the school has to engage in distance learning.

- The discount will be for all students, Preschool-Secondary 4, who are engaged in online classes, and will cover the full term fees (tuition and capital fund fees).
- As a result of this discount plan, KIS will not have an additional discount for full or timely payments.

***Below are the regular tuition and capital fund fees with the possible online learning discount fees. This is only applicable if KIS is not able to move back to Kyiv for face-to-face learning. If KIS moves back to Kyiv, we will return to our normal fee structure the following term.***

School Tuition Fees		
5 Year-Old Class & Above		
Tuition + Capital Fund Fee	Face-to-Face Learning	Online Learning
<b>1st Term</b>	US \$8,600	US \$4,300
<b>2nd Term</b>	US \$6,500	US \$3,200
<b>3rd Term</b>	US \$6,500	US \$3,300

### ONE-YEAR FINANCIAL ASSISTANCE SCHOLARSHIPS

As a result of the Russian invasion of Ukraine, on February 24th, 2022, many families have been financially impacted by property damage and economic destruction in Kyiv and around Ukraine. Kyiv International School (KIS) is offering temporary (one year) Financial Assistance Scholarships to KIS families.

## **FINANCIAL ASSISTANCE SCHOLARSHIP GUIDELINES**

- 1) Additional scholarships are available for families who have financial need due to the war in Ukraine.
- 2) The child must be in good health as required of any full paying student.
- 3) Parents should explain the reason for financial assistance and need. Many have lost businesses, property, and other sources of income and this is the intent for the temporary financial assistance, so we ask those who are still in good financial standing to pay full tuition.
- 4) One-year financial assistance will be given according to set percentages that are meant to best match the needs of each specific family.

## **FINANCIAL ASSISTANCE SCHOLARSHIP RENEWAL**

This is a one year financial assistance scholarship and as such, there will be no renewal process for families the following school year.

## **MAINTAINING ELIGIBILITY**

Maintaining eligibility is still dependent upon the student meeting all of the following criteria throughout the academic year.

- Academic Excellence
- Social Excellence
- Attendance

Students who have their scholarship revoked, may have the opportunity to continue their studies at KIS as non-scholarship students whose parents pay full tuition.

## **FINANCIAL ASSISTANCE SCHOLARSHIP APPLICATION WINDOW**

KIS will be accepting financial assistance requests throughout the school year as necessary. Those seeking additional support should email directly to [director@kyiv.qsi.org](mailto:director@kyiv.qsi.org).

We hope that some of these policies and adjustments will help during a challenging financial year for families.
