

**PLEASANTON UNIFIED SCHOOL DISTRICT**  
**Job Description**

<b>Title:</b>	Health Care Technician	<b>Reports to:</b>	Program Administrator/Supervisor
<b>Job Category:</b>	Student Support	<b>Classification Unit:</b>	Classified
<b>Board Approval:</b>	5/21/2020	<b>Current Salary Grade:</b>	24
<b>Job Description Revised:</b>		<b>FLSA Status:</b>	Non-Exempt

**JOB SUMMARY:**

Under the general supervision of the Program Administrator/Supervisor, provide specialized assistance, immediate care, and appropriate referral for ill, medically fragile, and injured students; conduct physical examinations to assess students' physical condition under the direction of a licensed credentialed school nurse; assist in scheduling health screenings; administer first aid as necessary; prepare various State reports and health records; provide health information to parents, students, and staff.

**ESSENTIAL FUNCTIONS:**

- Provide specialized health services assistance to students, under the general supervision of a licensed credentialed school nurse; provide specialized health evaluations, monitor medical treatments, and administer a variety of wellness programs at school sites; examine students for illness, injury, and medical emergencies; administer first aid as necessary; document and report unusual or critical cases to appropriate authorities.
- Ensure appropriate documentation of students' immunization history and verification of vaccinations.
- Conduct physical examinations to assess students' physical condition and health in areas such as weight, height, dental, hearing, vision, and scoliosis screenings and others; maintain related records.
- Provide health information and services to students in various areas, such as medications and health care procedures; provide information in person or on the telephone to school site personnel regarding needs of students.
- Administer and dispense medications according to physician instructions; maintain records of dosage including amount, time, medication, authorizations, and related information; monitor students referred for illness or injury.
- Consult and collaborate with School Nurses/Administrators regarding a variety of issues, including emergency situations, neglect/abuse, assessment needs, and infectious/contagious diseases; assist to resolve immediate safety and health care concerns and minimize infections in accordance with healthcare compliance directives.
- Comply with standard precautions and infection control procedures; maintain appropriate procedures to minimize risk of transmitting contagious and infectious disease.
- Distribute approved educational and instructional materials to inform teachers, students, and parents on a variety of health subjects, such as notifications for lice, chickenpox, and ringworm.
- Assist students with a variety of procedures, including student's personal hygiene, sanitary needs, and overall well-being.
- Process paperwork to ensure students receive physical and other examinations and required follow-up care; ensure compliance with State mandates related to health care and reporting.
- Prepare and maintain a variety of health and other related files, records, and reports according to established procedures; maintain confidentiality of health-related records, both manual and electronic, including mandated screenings, immunization records, medication logs, accident

- reports, and daily illness and injury logs.
- Maintain, clean, and organize work areas, such as office areas, sinks, equipment, cots, and counters; maintain a safe and sanitary health services environment.
- Operate a computer and a variety of specialized health service office equipment; ensure medical equipment is calibrated according to established timelines and standards.
- Refer students, parents, or guardians to appropriate community resources or organizational programs for recommended health service.
- Requisition, stock, and inventory medical, first aid, and office supplies as necessary; ensure proper medical supplies are available at school sites; re-stock first aid kits as assigned.
- Perform a variety of administrative duties in support of the District Nurse, such as typing correspondence, filing, and scheduling appointments; answer telephones and take and relay messages.
