- 4.5.4.2 Within ten (10) days after notice of intent to arbitrate is given, the Board and the Union shall attempt to agree on five (5) names. - 4.5.4.5 The arbitrator's decision shall be final and binding on the Union, all employees covered by this Agreement, and on the Board.

The department head or his/her designated representative will make available an area where they may do so before the disciplined or discharged employee is required to leave the property of the Employer. Upon request, the department head or his/her designated representative will discuss the discharge or discipline with the employee and the Steward during the employee's next three (3) scheduled workdays.

5.3 Regarding the use of past record in imposing discipline on a current charge, the Employer will not take into account any prior infractions which occurred more than two (2) years previously, and will not impose discipline on an employee for falsification of his/her employment application after a period of two (2) years from his/her date of hire.

5.4. Appeal of Discharge or Discipline

5.4.1 Should the disciplined or discharged employee consider the action to be improper, an appeal shall be presented in writing through the Steward to the Superintendent of Schools, or his/her designee, within five (5) regularly scheduled work days of receipt of notice of the discipline or discharge.

5.4.2 The Superintendent or his/her designee shall, within ten (10) workdays after receipt of the appeal, review the discipline or discharge and reply in writing. The written reply shall be given within five (5) workdays after the review of the discipline or discharge, and the written reply will be processed as a Step Two answer in the Grievance Procedure.

5.5.1 If the employee fails to improve to a satisfactory level of performance within a four (4) week period of time, a Special Conference will be held to determine the reasons and a possible solution.

5.5.2 Continued unsatisfactory service will result in discharge or reassignment.

5.6 Whenever possible, except in cases where immediate discipline, up to and including discharge, is necessary to protect the welfare and/or safety of students, the public and/or school employees, the Board subscribes to a policy of progressive discipline to improve and correct behavior of employees.

Such a policy of progressive discipline, up to and including discharge, shall be appropriate to the behavior which precipitates the discipline.

ARTICLE 6 – TEACHER ASSISTANTS

6.1 **Act of God Days** – When Act of God days are rescheduled, employees shall be required to report to work and shall be paid. Except as provided herein by the six (6) day limit, neither the closure of schools due to "Act of God Days" nor the rescheduling of such days shall act to increase or decrease the amount of compensation due to a bargaining unit member. The make-up "Act of God Days" shall be only as is required by State Law. Notwithstanding any contrary language herein, the Board will pay only for no more than six (6) Act of God Days or the maximum number of Act of God Days permitted by Michigan Law without a requirement that those days be made-up by the district.

6.2 **Teacher Assistant**

6.2.1 **Written Examination** – Effective January 2, 1979, all Teacher Assistants shall be required to pass a written test.

6.2.2 **Work Schedule**

6.2.2.1 Teacher Assistants will work all days teachers are on duty. Hours may vary due to supervision requirements before and after bus arrivals/departures.

6.2.2.2 The employer shall determine the number of full-time and part-time Teacher Assistant positions based on operational needs. The Employer will not create part-time positions for the purpose of making employees ineligible for benefits. For purposes of this agreement a full-time Teacher Assistant is regularly scheduled to work thirty (30) hours or more a week and a part-time Teacher Assistant is regularly scheduled to work twenty-nine (29) hours or less a week. Only regular employees working at least thirty (30) hours or more per week

(consistent with the Affordable Care Act) shall receive full benefits. Full benefits shall include life insurance, dental insurance, health insurance, and vision insurance.

6.2.2.3 Teacher Assistants' performance evaluations (as provided for at Article 5 (5.5) of this Agreement) shall be completed by the appropriate Building Administrator who may, at his or her discretion, seek the input of the appropriate special education teacher.

6.2.3 **Salary** Teacher Assistants will be paid in accordance with Appendix A.

6.2.3.1 **Entrance Rate on Initial Employment** – Original appointment to any position shall be made at the minimum rate and advancement from the minimum rate within a salary or wage range shall be successive steps. The Superintendent may approve initial compensation for a position at a rate higher than the minimum rate in the range for the class when the needs of the service make such action necessary; provided that such employees shall not be initially compensated above the third step of the range. Any such exceptions shall be based on the outstanding and unusual character of the employee's experience and ability over and above the qualifications specified for the class, or on experience of extreme difficulty in successful hiring at the entrance rate.

6.2.3.2 **Starting Rate on Return from Military Service** – Any employee who leaves or has left the service of the school district to enter the active service of the Armed Forces of the United States and who subsequently is reinstated to a position previously held, shall receive the rate to which he/she would normally have been entitled had the service with the school district not been interrupted by such service.

6.2.3.3 **Advancement in the Base Range** – At the completion of the first year of employment, the employee shall be advanced to the next higher rate in the appropriate salary or wage range provided that his/her service has been satisfactory. Subsequent advancement within the range shall be dependent upon the recommendation of the department head or principal concerned and approved by the Superintendent when the employee has satisfactorily completed at least one (1) year of employment at his/her current rate in the appropriate pay range. Such advancement shall be made yearly until the employee has reached the maximum base rate of the range of his/her position.

6.2.3.4 **Requirements as to Continuity of Service (Loss of Seniority)** – Continuous service shall be required for advancement within pay ranges and for other purposes as specified herein. Continuous service means district employment without break or interruption. Leaves of absence without pay of ninety (90) calendar days or less and leaves of absence with pay shall not interrupt continuous service nor be deducted therefrom. Leaves of absence without pay in excess of ninety (90) calendar days, except for extended service with the armed forces of the United States, shall be deducted in computing total service but shall not serve to interrupt continuous service.

6.2.3.5 **Regular Employees** – All rates shall be listed on an hourly basis to the nearest cent when percentages are used to determine the rates. Payment will be made on a semi-monthly basis.

- 6.2.3.6 **Substitute Pay For Teacher Assistants** – When Teacher Assistants substitute for special education teachers they shall be paid ten dollars (\$10.00) an hour for all hours in the substitute capacity in addition to their regular hourly rate; provided, however, if a substitute for the Teacher Assistant is not available and the Teacher Assistant substitutes for more than half (1/2) the teacher’s work day the Teacher Assistant will be paid eighty dollars (\$80.00) in addition to the regular hourly rate. Substituting for a special education teacher shall be voluntary. Substituting for a teacher does not include exclusive supervision of students.
- 6.2.3.7 Teacher Assistants (T.A.) who meet the minimum requirements to obtain a Daily Substitute Permit will be reimbursed by the District for the licensing fee and will have priority to substitute for an absent teacher to whom the Teacher Assistant is assigned. A substitute will then be provided for the T.A.
- 6.2.3.8 A mileage allowance for authorized travel on official school business by an employee in a personally owned automobile shall be paid at the current IRS rate.
- 6.2.3.9 **Errors** – Any overpayment/underpayment in an amount totaling less than one (1) paycheck of pay shall be cured within two (2) business days of the member/District providing written notice of the overpayment/overpayment to the other.

Any overpayment/overpayment greater than one paycheck of whatever nature will be recovered in equal installments over the same number of pay periods in which errors were made. Notwithstanding the foregoing, the overpayment/underpayment shall be cured in not to exceed twelve (12) months.

Neither the employee nor the District shall pay any interest on any overpayment/underpayment.

- 6.2.4 Teacher Assistants may enroll in courses that would directly relate to their employment with the School District provided that:
- 6.2.4.1 Enrollment in such courses must have prior written approval of the Director of Special Education and the Director of Finance.
- 6.2.4.2 Courses taken shall be limited to one (1) per semester.
- 6.2.4.3 Request for approval must be made in writing, stating course, fees, and meeting times at least two (2) weeks in advance of the first meeting.

- 6.2.4.4 Fees for approved courses shall be paid by the Board if a grade of “C” or better is obtained in the course and a transcript of such grade/credit is furnished to the Human Resource Office.
- 6.2.5 A Teacher Assistant required to take specialized training shall have the fees for such training paid by the Board. Teacher Assistants will be paid their current pay grade, while attending the required specialized training.
- 6.2.6 Teacher Assistants shall not be responsible for the exclusive supervision of students for extended periods of time. Extended is defined as in excess of a thirty (30) minute continuous period but such period shall not include time spent in an I.E.P.C meeting, lunch hour(s)/sessions, or bussing time.
- 6.2.7 Various in-service programs may be made available to Teacher Assistants, some of which may be mandatory. Where attendance at an in-service program is mandatory, the Employer will provide notice, in writing, at least seven (7) days prior to the mandatory in-service program.

- 7.1 **Duties of Employment** – All employees shall fully, faithfully and properly perform the duties of their employment.
- 7.2 **Work Requirements**
- 7.2.1 The Board recognizes the principle of a standard forty (40) hour workweek and will set forth work schedules and make work assignments which can reasonably be completed within such standard work week. The Board will not require members within the bargaining unit to regularly work in excess of such standard workweek.
- 7.2.2 Time cards are to be filled out and signed by the individual employee and the card shall include only actual hours worked. Days off for whatever reasons shall be handled by the proper forms from their Supervisor giving authorization to the Payroll Department.
- 7.3 **Rest Periods** – Regular full time employee work schedules shall provide a fifteen (15) minute rest period as near as possible to the middle half of each four (4) hour work shift. The rest period will be taken at the job site.
- 7.4 **Special Assignment** – Those employees regularly assigned less than a full twelve (12) month period shall be afforded the first opportunity for seasonal employment, or special assignments, and shall be compensated at the grade, step and level for the job classification to which they are assigned. No other assignment in the District will be taken at the same time as the seasonal or special assignment.
- 7.5 **Rate of Pay** – Time and one-half the regular rate of pay shall be paid for all hours actually worked in excess of forty (40) in a single week. Compensation shall not be paid twice for the same hours. Overtime shall appear on the employee’s check stub.

- 7.5.1 **Compensatory Time In Lieu Of Overtime Pay**: Notwithstanding the foregoing, an employee and his/her supervisor may mutually agree that the employee may accrue compensatory time in lieu of overtime pay. An employee may not accrue compensatory time in excess of forty (40) hours. Compensatory time shall accrue at the rate of one and a half (1.5) hours for every hour of overtime worked. Accrued compensatory time shall be used within ninety (90) days after it is accrued. Employees shall receive pay for any compensatory time not used within the ninety (90) day period. The employee and the supervisor shall mutually agree on when the compensatory time shall be used. All accrued compensatory time in lieu of overtime pay shall be recorded on the overtime lists.
- 7.6 **Overtime Distribution** – Overtime shall be compulsory only in the event of an emergency, which is defined as any condition beyond the control of management, which needs immediate attention. With the above exception, overtime shall be voluntary and there shall be no discrimination against employees who decline to work overtime.
- 7.6.1 Overtime for employees shall, to the extent possible, be distributed first to the Teacher Assistant assigned to the student(s) necessitating the overtime. In the event that more than one Teacher Assistant is assigned to said student(s), the District shall assign the overtime to the Teacher Assistant who, in its sole discretion, best meets the needs of those students. In the event that the Teacher Assistant assigned to the student(s) necessitating the need for overtime is unwilling or unable to work said overtime, the overtime shall be assigned in the District's discretion.

ARTICLE 8 – LEAVE OF ABSENCE

- 8.1 **Paid Time Off** – Employees shall earn paid time off (PTO) as follows:
- 8.1.1 Employees shall receive eleven (11) PTO days per year. Employees hired during the academic year will receive a prorated number of PTO days based on the date of hire.
- 8.1.2 PTO will be credited to the employee's account on the last day of each month worked. PTO will not accrue in any month during which the employee is not actually performing work on at least fifty percent (50%) of the scheduled working days in the month, such that PTO will not accrue when, for example, an employee is on a leave of absence, paid or otherwise, for more than fifty percent (50%) of the working days in a given month.
- 8.1.3 All employees may carry over not more than five (5) PTO days per year to the next year (July 1 to June 30) and may accumulate not more than twenty (20) PTO days. If, at the end of a year, an employee has accumulated more than twenty (20) PTO days, the employee shall be paid for not more than five (5) of the accumulated days in excess of twenty (20). Any accumulated days in excess of twenty (20) for which the employee is not entitled to be paid shall be lost.

The Employer may require proof of illness after three (3) consecutive unscheduled days. The Employer may require the employee to take a medical evaluation by the Employer-designated physician at no cost to the employee. Fraudulent application for a leave or improper use of a leave will result in discipline up to and including dismissal.
- 8.1.6 Probationary employees shall accumulate PTO during probation and will be entitled to paid PTO upon completion of their probationary period.
- 8.1.7 The purpose of PTO and sick leave days is to allow for the payment of the wages the employee otherwise would have earned on the work day to which the PTO or sick leave day is applied. For Teacher Assistants, a PTO day will be paid at the number of hours they work per day at the employee's regular rate.
- 8.1.8 At the time that the employee either: 1) exhausts PTO and sick leave days; or 2) uses all of that portion of PTO and accumulated sick leave days desired, the employee, if the disability has ended, shall be eligible to return to work or begin a leave of absence, if requested, in accordance with the provisions of Article 9 (9.4).
