The purpose of the meeting was to approve last year’s Land Trust plan and Dilworth’s safety plan.

The SCC looked over last year’s Land Trust Plan to see if the goals mentioned in the trust were met. It was written that Dilworth would pay for a .5FTE Art teacher. After going over the goals in the Trust and the data that was presented by the principal it was decided that a vote to accept the Land Trust as written be taken. A motion was made and seconded to accept the Land Trust as written. The motion carried unanimously.

The minutes of the previous meeting were approved unanimously.

The school Safety Plan was presented for approval. A discussion was held on what the game plan is to get this plan out to the parents. Several suggestions were presented such as the school newsletter and a link on the school Website. These suggestions will be worked on and a solution will be presented at the next meeting.

The safety plan is well written with a lot of thought and research. A motion was made to accept the plan as written, the motion was seconded and the plan was approved as written.

The meeting in February will be held to review school wide student data for 2022-2023 TSSP/LAND plan.

There being no further business a motion was made and seconded to adjourn. The meeting adjourned at 8:25 a.m.
