VOLUNTEERING: Participation & Parent Liaison

Jackson Public Schools encourages all parents, family and community members to become involved in their child's education. We rely on volunteers to manage and monitor special events, for assistance in the classroom, serving in the PTO and much more. We invite you to share your time and talents with our students.

Every JPS school has a designated **PARENT LIAISON** to solicit volunteers and other resources. Parent and community participation is essential to making Hunt Elementary and all of JPS the best learning environment for your child and for our community.

JPS HEALTHY FOOD POLICY^v

JPS only allows **HEALTHY** treats or **NON-FOOD** treats for classroom birthday or award celebrations. (Please no cupcakes). If cupcakes are brought to school, we will keep them in the office and send them home with the students at the end of the day. As a school, we are responsible for helping students learn lessons about good nutrition and healthy lifestyles.

Also, we enforce a **NO CANDY** and **NO POP** rule. This includes breakfast, lunch, and throughout the school day. Please do not pack these items in lunches.

VOLUNTEER OPPORTUNITIES AT JOHN R. LEWIS ELEMENTARY

For the safety of our students all volunteers must pass an ICHAT background check.

PICTURE DAY Parents are needed to assist students throughout the process.

POPCORN Help us make and sell popcorn! Call the office for dates and times.

FAMILY FUN NIGHTS/DANCES/LOCK-INS We need volunteers to help at check-in, monitor activities and run the concession stand.

CLASSROOM HELPERS Teachers occasionally need some extra help. Sign up as a helper and we will call you when the need arises for short-term classroom assistance.

FIELD DAY Help supervise and keep our participants hydrated at this end-of-year fun day held at Jackson High.

If you are interested in any of these or other volunteer opportunities, please call or email:

STANDARDS-BASED GRADING

Standards-Based Grading is a refined way of communicating what students know and how they demonstrate their learning of the state's academic standards.

WHAT IS THE PURPOSE?

To provide parents, teachers and students with detailed accurate information about the students' progress towards proficiency in meeting the academic standards for English Language Arts, Math, Science and Social Studies

HOW IS PROGRESS MEASURED?

Progress is measured by proficiency levels.

LEVEL 4.... Mastery/Proficient (90-100%)

LEVEL 3... Developing (75-89%)

LEVEL 2... Emerging (60-74%)

ACArea of Concern (59% and below)

BLANK.. Standard is not evaluated at this time.

MODIFIED CURRICULUM: YES

indicates that a "modified curriculum" has been used, and **NO** indicates that a modified curriculum has not been used

SPECIAL GRADING: Physical Education and Music

O = Outstanding

S = Satisfactory

N = Needs Improvement

OUR CURRICULUM

Our curriculum follows Michigan Academic Standards with a focus on STEAM; Science, Technology, Engineering, Arts, and Math. Our teachers work in teams to infuse their instruction with targeted differentiation for students, real-world applications, and high levels of student engagement.

Science, Technology, and Physical Education specials allow our students to develop workforce-readiness skills that allow them to be critical thinkers with the ability to problem-solve and navigate a global society with confidence while using higher order thinking skills.

YOUNG FIVES A GIFT OF TIME

*A bridge between
preschool and kindergarten*

John R. Lewis Elementary offers the Young Fives program- an extra year to gain confidence, academic, social and emotional skills, independence, problem solving skills, and fine/gross motor development.
