

Procedures for Applying to Whittier Regional Vocational Technical High School and Essex Technical High School

Whittier and Essex Tech prefer that students apply online, but both will still accept paper applications. Please refer to the instructions below when applying. Note that each of these schools has a different process for paper applications.

Whittier Tech

To apply to Whittier online:

Step 1:

Go to <https://whittiertech.go2cte.com/>

Step 2:

Follow Whittier's instructions for applying online. Whittier will notify Pentucket Middle School's guidance office that you have applied so that we may send your school records to them. In order for Whittier to have your application and records before their counselors come to PRMS to interview students, we suggest applying by the end of the first week in January.

To apply to Whittier using a paper application:

Step 1:

Request a paper application from your guidance counselor or print one out from the following web page: <https://whittiertech.go2cte.com/>

Step 2:

Complete the front page of the application; both the applicant and one parent or guardian must sign at the bottom.

Step 3:

Mail the application to Whittier at 115 Amesbury Line Road, Haverhill, MA 01830. Whittier will notify Pentucket Middle School's guidance office of your application so that we may send your school records to them. In order for Whittier to have your application and records before their counselors come to PRMS to interview students, we suggest applying by the end of the first week in January

Essex Tech

To apply to Essex Tech online:

Step 1:

Go to <https://www.essextech.net/admissions>

Step 2:

Follow Essex Tech's instructions for applying online. Applications must be submitted by Friday, January 12, 2018. Essex Tech will notify Pentucket Middle School's guidance office of your application so that we can send your school records to them.

To apply to Essex Tech using a paper application:

Step 1:

Go to <https://www.essextech.net/admissions> to download and print an application.

Step 2:

Follow the instructions for completing all portions of the application except the sections labeled "Guidance Counselor."

Step 3:

Bring the application to your guidance counselor **by Friday, December 22**. We will prepare the school reports and forward them to Essex Tech with your application.
