

Budget Amendment Reports
July 7, 2021

The Texas Education Code requires Board approval of the budget for the General Operating, Debt Service and Child Nutrition Funds. The following summary reports of budget revisions, adjustments, and transfers are being submitted to the Board of Trustees for adoption/ratification.

General Operating Fund

The \$373,823 increase in the local revenue is mainly due to \$355,070 of anticipated revenue from a surplus sale of computers and \$18,753 received for athletic playoff events hosted by the District. The \$431,558 increase in appropriations is mainly to cover a \$355,070 purchase of new student Chromebooks and a \$57,735 increase in anticipated excess local revenue recapture. Other adjustments reflected in the report are requests from various departments and campuses to transfer funds between functional areas within their budgets. The reallocation of funds requested is mainly to cover personnel transfers between functions and for staff hired above replacement.

Debt Service Fund

The \$219,250 requested decrease in the Debt Service fund balance is to cover the increase in the August bond payment related to the new debt issued in May 2021.

Child Nutrition Fund

There are no budget adjustments to report.
